At 80 Years of Age Was Troubled With Shortness of Breath Palpitation of the Heart And Fainting Spells

Mrs. M. O'Connor, Whitestones, Ont., writes:—"I have been troubled, most of my life, with shortness of breath, palpitation of the heart and fainting spells. I was advised by a friend to try Milburn's Heart and Nerve Pills, which I did, and at once found relief, and I have never had a really bad spell since.
I am 80 years of age and always keep them in the house, and when I feel any symptoms of my old trouble coming on all I have to do is to take a few doses. With the help of your Pills I expect to see many years yet. I always recommend them to any one who is suffering from heart trouble."
Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

KINGSTON AND VICINITY

Called a Minister.
A call from Bishop's Mills was moderated in by Rev. Mr. Morrison in favor of Rev. James McAvoy of the Presbyterian college, Montreal. Mr. McAvoy has intimated its acceptance.

Is Gaining Strength.
Mr. and Mrs. H. C. Welsh, King street, are enjoying themselves in California. They are at Los Angeles and find the climate admirable. Mr. Welsh is steadily regaining his strength and vigor. He has found many warm Kingston friends in the sunny climate.

Plenty of Snow.
Kingston has not had so much snow within her borders for some years. It is piled high on the streets and boulevards, and much higher in the back yards, attached to the houses. February has not been so rough a winter month in a score of years. But it will soon be over.

Clifford Aleya Recovering.
Clifford Aleya, son of Dr. and Mrs. Aleya, Colborne, was removed to his home in Colborne a few days ago from Belleville hospital. He was with a chum, Melbourne Hodges, who was killed when the C.N.R. "Capitol City" crashed into the truck in which they were riding and Hodges was instantly killed. Aleya has since been in hospital.

To Test the Law.
D. J. Lynch, Campbellford, has been retained by John A. Allan, Percy township, who has instituted proceedings to unseat Deputy Reeve W. H. Nelson, of Percy, who was elected by acclamation last January. The case is based on the fact that the deputy reeve is a member of the school board in the section near Dartford where he resides and it is claimed that for this reason he cannot hold the position of councillor in the

township. Mr. Nelson, who secured legal advice before taking his seat, announces that he will fight the case.

"Pigs is Pigs."
George Herriott, a farmer near Godolphin, owns a pure bred Yorkshire sow that recently gave birth to twenty-two pigs, all living. Mr. Herriott claims that this is the record both for Canadian and the United States, and his only regret is that this luck did not come his way when war-time prices for pork prevailed.

Invited to Bowmanville.
At the February meeting of the Official Board of Bowmanville Methodist church, Rev. J. E. Griffith, B.A., assistant pastor of the Metropolitan church, Toronto, and a member of the Bay of Quinte conference, received a cordial invitation to become pastor next conference year, subject to the approval of the stationing committee at the conference in June next.

Ceremony of Religious Profession.
In St. Joseph's chapel, Hotel Dieu, Tuesday morning, a ceremony of profession was held; Archbishop Spratt officiated. He was assisted by Rev. E. M. Lacey of St. Mary's cathedral. Present in the sanctuary were Rev. Thomas McCarthy, Read; Rev. P. McKiernan, Wolfe Island, and Rev. Charles O'Gorman, Marysville. The young lady who had the happiness to pronounce her religious vows was Miss Catherine Jordan of Read.

A Gift of \$100.
George R. Cornwall, president of the Alexandria Bay, N.Y., Chamber of Commerce, has received a letter from A. Graham Miles complimenting the work of that organization during the past year. He further shows his interest by enclosing a cheque for \$100. This generous mark of approval is greatly appreciated by the officers, both from a monetary standpoint, and because it comes from one of the most consistent of Thousand Island optimists.

Public Man "In Wrong."
Rev. W. G. Bradford, Ashton, last week, wrote the Carleton Place Central Canadian to correct a statement made at Carleton Place recently by T. A. Thompson, M.P.P., that the Methodist church in Ashton had only two members and should close its doors. Mr. Bradford says the Methodist church in Ashton ministers to twelve families and has fourteen members and paid for all purposes last year over \$500 to the various funds of the church.

Bedford Township Man Dead.

Sword, auditors, \$10 each; Walter Nelson, tax collector, \$35. The pound-keepers are Alfred Ogilvy, east, and Charles Greer, west. The fence viewers are Allan Haight and Jacob Gay. Ice Piles Seven Feet.
A spectacular ice jam has formed along the south shore of the St. Lawrence river east of Point Airy, and about 100 feet off the American shore. The ice is piled up to a height of seven feet in some places and views of the Canadian shore and Chimney Island are cut off. The jam was caused by large floes sweeping around Point Airy, and being carried by the current against the shore ice. The jam does not threaten to result in any damage at present.

Are Anxious for a Nurse.
The Separate school board at Pembroke is anxious to have a school nurse. There is not sufficient in the separate schools for a nurse but if she took charge of that work in the convent also she would have enough employment. The board could not see its way clear to finance the entire \$100 monthly necessary for her salary, and appointed a committee to interview the Catholic Women's League and other societies with a view to discovering how much, if any, financial support might be expected from them for this purpose.

Died in Nevada.
At Ely, Nevada, at the home of his daughter, Mrs. George Hickey, there passed away suddenly, John Bennett, Prescott. He was born near Spencerville, seventy-eight years ago, a son of the late Thomas and Margaret Bennett. When quite a young man he went to Idaho, where he engaged in railroading. NERVILINE

ACIDS IN STOMACH CAUSE INDIGESTION
Create Gas, Sourness and Pain How to Treat.

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.
Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.
