A Pathfinder for the Job Seeker

The fellow you see dashing madly towards the station, with shirts and collars flapping from his half-closed suitcase, did not pay enough attention to the railroad A-B-C Pathfinder.

And the chap you see rushing around like a hen with its head off, wondering where to find a job, has not paid enough attention to the A-B-C Classified Section.

People who do not have the common sense to consult pathfinders generally miss the Opportunity trains.
