**HEART WAS SO BAD
HAD TO SIT UP
IN BED**

Mrs. O. E. Fitzgerald, 106 Ross St.,
St. Thomas, Ont., writes: "In the
fall of 1921, I was taken ill with
my heart, but I did not pay much at-
tention to it. I kept on with my
household duties, but seemed to be-
come worse and worse, and finally
had to call in a doctor. He said I
was all run down and was a nervous
wreck. I had a severe pain in my
chest which would move over to my
heart and it became so bad I could
not lie down, as when I did I had
such a smothering feeling I would
have to sit up in bed till it passed
away.
I tried several remedies, but with
no good results. Finally, I was in-
duced to try Milburn's Heart and
Nerve Pills. I took 7 boxes, and I
am now as well as I was 30 years
ago, and I am now 65 years old."
Milburn's Heart and Nerve Pills
are 50c. a box at all druggists or
dealers, or mailed direct on receipt

A BLENDED TEA IS BETTER
Tea from one garden, no matter
how fine it is, possesses certain de-
sirable qualities but may lack others,
because all characteristics are not
developed under the same conditions.
If the tea has a perfect flavor it may
lack richness, if it has body it is, per-
haps, without the same perfection of
flavor. To combine all the desirable
qualities in one blend has been the
work of the "SALADA" experts for
over a quarter century, and the brand
"SALADA" is the fruit of their
labours.—Advt.

**Throat is Strengthened,
Cough is Relieved**
Splendid for Asthma,
Bronchitis, Hoarseness
Catarrhazone
A Success Because It Really Reaches
the Source of the Trouble.

A cough mixture usually falls be-
cause it slips over the sore spots,
drops into the stomach, and does
little else but upset your digestion.
CATARRHAZONE is a real suc-
cess because it goes where the trou-
ble really is. Every time you
breathe through the inhaler you send
healing balsams to the inflamed parts.
You experience a pleasant sensation
of warmth. Tightness, soreness and
coughing disappear, the throat is
strengthened, and further attacks are
unlikely.

Late Mrs. J. C. Meagher.
Westbrook, Feb. 25.—Many hearts
were saddened on Monday morning,
Feb. 18th, when word was received
that Ellen Sheehan, daughter of the
late Michael and Mrs. Sheehan, and
widow of the late John C. Meagher,
Marysville, who predeceased her
about eight years ago, had passed to
her eternal reward at the home of
her sister, Mrs. Maggie Keany, West-
brook, where she was transferred in
the early summer, with the hope that
the change and tender care of her
devoted sisters would bring her back
to health once more. But her con-
dition became worse and the end
came on Monday morning at 1.15
o'clock.

Deceased was a patient sufferer
from rheumatism for the past thir-
teen years and bare her suffering
with resignation. Mrs. Meagher had
many friends who loved her for her
gentle and affectionate ways; she
will be sadly missed in her home
where she was always trying to
make those around her happy. She
leaves one daughter, Mrs. J. B. Sean-
ton, Buffalo, N.Y., and two sons,
John, on the homestead, and Frank,
conductor on the G.T.R., at Edmon-
ton, Alta. Four sisters, Misses Han-
nah, Katie and Lizzie Sheehan, and
Mrs. Keany, and one brother, D.
Sheehan, are also left to mourn.

She was a consistent member of
St. Mary's church, Marysville, and
also a member of the Sacred Heart
League. Her funeral took place
Wednesday morning at ten o'clock
under the direction of J. Martin,
Napanee, from her late home to St.
Mary's church, Marysville, where a
solemn requiem mass was sung by
the Rev. Father Meagher, Deseronto.
The spiritual tributes were numer-
ous testifying to the esteem in which
deceased was held. The pallbearers
were A. Campbell, P. Cassidy, J. Car-
rigan, F. McGuinness, T. Drummy
and W. Brennan.

Irritation and Breaking Out Often
Healed Over Night, Says
Skin Specialist.

Any breaking out or skin irritation
on face, neck or body is overcome
quickest by applying Mentho-Sulphur
says a noted skin specialist. Because
of its germ destroying properties,
nothing has ever been found to take
the place of this sulphur preparation
that instantly brings ease from the
itching, burning and irritation.

**IS HEAD STUFFED BY
CATARRH OR COLD?
USE HEALING CREAM**
If your nostrils are clogged, your
throat distressed, or your head is
stuffed by nasty catarrh or a cold, ap-
ply a little pure, antiseptic, germ
destroying cream into your nostrils.
It penetrates through every air pas-
sage, soothing inflamed, swollen
membranes and you get instant re-
lief.

How good it feels. Your nostrils
are open. Your head is clear. No
more yawning, sneezing, dryness or
struggling for breath. Get a small
bottle of Ely's Cream Balm from any
druggist. Colds and catarrh yield
like magic. Don't stay stuffed up.
Relief is sure.

Miller, Pembroke, passed away af-
ter a short illness. Nearly eighty-
three years ago, Mrs. Miller was born
in Scotland, which she later revisited
on several occasions. She came
as a young girl with her people to
Canada, settling, after a few years
spent in Ottawa, in the village of
Pembroke. Many young people have
grown up with grateful memories of
her instruction in the Petawawa
school and in the old Pembroke com-
mon school.

Expired in Chair.
Thomas Little, formerly a resi-
dent of Campbellford, expired as he
sat in his chair while visiting at the
home of Robert Thain in Rawdon
township on Tuesday. Heart failure
is given as the cause of death. The
late Mr. Little for a number of
years had resided at Morden, Man.,
but in the fall he returned to Camp-
bellford to spend the winter with
friends. He went to Marmora recent-
ly to visit his sister, Mrs. William
Knox, and on his way back to Camp-
bellford, called at the home of Ro-
bert Thain, an old friend whom he
had not seen for over twenty years.
It was while the two were talking
of former days that Mr. Little sud-
denly passed away.
