**MRS. BUDGE
SO WEAK COULD

Tells How Lydia E. Pinkham's
Vegetable Compound
Restored Her Health

"River Desert, Que.—"I used to have a
severe pain in my side. I would be un-
able to walk fast and could not stand
for any length of time on my leaning
or walking, but I would have to lie
down to get relief from the pain. I
had this for about two years, then a
friend told me to try Lydia E. Pink-
ham's Vegetable Compound as she had
had good results. I certainly got good
results from it, too, as the last time I
had a sore side was last May and I have
not had it since. I am also glad of
having good nursing for my baby, and
I think it is your medicine that helped
me in this way."—Mrs. L. V. Budge,
River Desert, Quebec.

If you are suffering from the tortures
of a displacement, irregularities, back-
ache, headaches, nervousness, or a pain
in the side, you should lose no time in
trying Lydia E. Pinkham's Vegetable
Compound.

Lydia E. Pinkham's Private Text-
Book upon "Aliments Proper to Women"
will be sent you free upon request.
Write for it to the Lydia E. Pinkham
Medicine Co., Cohasset, Ontario. This
book contains valuable information that
every woman should know.

**Loosen Up That Cold
With Musterole**

Have Musterole handy when a cold
starts. It has all of the advantages of
grandmother's mustard plasters WITH-
OUT the blister. You just apply it with
the fingers. First you feel a warm tingle
as the healing ointment penetrates the
pores, then comes a soothing, cooling
sensation and quick relief.

Made of pure oil of mustard and
other simple ingredients, Musterole is
recommended by many nurses and
doctors. Try Musterole for bronchitis,
sore throat, stiff neck, pleurisy, rheu-
matism, lumbago, croup, asthma, neu-
ralgia, congestion, pains and aches of
the back or joints, sore muscles, sprains,
bruises, chilblains, frost-bite, colds of
the chest. It may prevent pneumonia
and "flu." 40c and 75c, at all druggists.

A Correction.

Pembroke Man Dies in Detroit.
Following an operation for ap-
pendicitis the death occurred in De-
troit, Mich., of Lawrence Sweeney,

Pembroke for Detroit only two weeks

A Week of Fine Weather.
Ten days of fine weather, without
any snowfall, ended Sunday and af-
other ten of the same weather would

be very enjoyable. So far this winter
the thermometer has dropped below
zero eight times as compared to ten
times during the same period of
1923. The zero spells were all brief
excepting that of January 26th-27th.

Holstein Breeders Meet.
A meeting of the Kingston District
Holstein Breeders was held in the
agricultural rooms on Saturday
afternoon with the president, G. F.
Murton, in the chair. An interesting
report was given by J. R. Hender-
son, the representative of the Holstein
Breeders' Association held in Tor-
onto. Arrangements have been
made for the holding of a sale in
April. Already twenty animals have
been consigned and it is hoped that
there will be many more.

Enjoyed "College Frolics."
Rockwood hospital was given a
rare treat Friday evening when the
"Queen's Frolics of 1924" entertain-
ed the patients and staff, in a most
enjoyable manner. The entertain-
ment, which lasted over two hours,
was of the highly amusing type
which the ingenuity of students only
can produce, and an evidence of its
success was apparent in the endless
demands for encores. Besides the
comedy of the various faculty acts,
there were some pleasing quartettes
and instrumental selections given
by students who are past masters in
their art. The cast was well sup-
ported by the college orchestra
which rendered many excellent selec-
tions in a very able manner. This
show, which owing to the generosity
of the students has become an an-
nual event at Rockwood, is eagerly
looked for by all.
