ed seed and having bought about 1,000 lbs. at Penn, he put this conviction into his mind with what results his victories at Chicago indicate.

From the outset he used registered seed only and he bent every effort to improve it. In 1922, for example, he imported from France what is reputed to be the finest seed cleaning machine in the world.

Major Strange does not confine his attention to grain. He is an enthusiastic advocate of the "Large Black" hogs as the best bacon type and he reared to give him a start.

He is even more enthusiastic about poultry and it is his ambition to have the highest laying flock of Barred Rocks on the American continent.

These four short years in Alberta have brought him quick honors from his fellow farmers for already he is president of the Alberta Seed Growers' Association, director of the Canadian Seed Grocers' Association, member of the Dominion Government's Advisory Seed Board and secretary of the Alberta Record of Performance Poultry Breeders' Association.

This is his career: By profession he is, as mentioned, a gas engineer. He was trained at Sir W. C. Arncliffe, Whitworth and Company, Manchester, England. He has to his credit three years' military service in the South African War. For ten years he was general manager of the Honolulu Gas Company, Honolulu, Hawaii.

He saw four years' service in France during the world war in the Imperial Royal Engineers, serving with the Poison Gas Offensive Corps. He was three times wounded, was awarded the Military Cross and was mentioned in despatches twice. He also saw special service with the Grand Staff and the Royal Flying Corps.

Sunday hours at Gibson's Drug Store 9 a.m. to 11 p.m. In case of sickness do not forget this.

BRINGING UP FATHER

YOU KNOW YOU HAVE TO WORK SOME TIMES, DADDY!

WHY DON'T YOU GO TO THE MAYOR? WE USED TO BE A FRIEND OF YOURS—HELL, SURELY GIVE YOU A JOB!

HELLO, MAMOR! I'M BROKE! CAN'T YOU GIVE ME A JOB?

HELLO, MAMOR! WHAT'S COMIN' OFF?

OH! THAT'S JUST A GUARD THAT WAS BEATEN UP BY THE PRISONERS—IT HAPPENS EVERY DAY!

WANT A JOB, EH? WHAT KIND DO YOU PREFER?

ANYTHING BUT BEIN' A GUARD IN A JAIL!

I MIGHT AS WELL BE WORKIN' AS THINKIN' OF IT!

SUREST THING YOU KNOW, JIGGS—GO DOWN TO THE JAIL—ILL TELEPHONE EM TO PUT YOU ON AS A GUARD!

BY GEORGE McMANUS

When There Were Only Two Telephones

There was no need of an elaborate telephone directory of subscribers. Nor when there were but three, four or five telephones. But—

When there were hundreds and then thousands—when every office and every other home had installed a telephone—an indexed directory of subscribers became an absolute necessity.

And so it is with the A-B-C Classified Sections of the British Whig. If there were but two or three offers in this section, it would not make much difference how or where they appeared. But—

Now that this section has grown in its scope of public service until its offers are so numerous—accurate classifying and indexing has become an absolute necessity for reader convenience and public service.

Reading these offers is about the same thing as saying, "Hello, Classified Section, please give me Opportunity!"

THE A-B-C CLASSIFIED ADS. ALWAYS THE SAME—IN SERVICE ALWAYS DIFFERENT—IN OPPORTUNITY.
