#### Gave a Fine Concert at Camden East—News of the Village.

Odessa, March 10. — The Community Club gave a concert at Camden East, last Monday night, which reflected great credit to the actors as it was pronounced a decided success. There were three sleigh loads and several single cutters from here which helped to enlarge the audience. The entertainment consisted of dialogues, "The Only Young Man in Town," and "Reasons Why We Never Married." Choruses, instrumental and vocal selections and violin solos. They were delighted with their reception by the Camden East people, who gave them every encouragement to return in the near future.

Mr. A. ROWLETT, Gilbert Plains, Man.

### "I Would Have Lost A Finger—

but for Zam-Buk. It was my right fore-finger—black with poison and swollen four times normal size.

"I tried poulticing; bathing it with antiseptics; even had the doctor lance it for 1 1/2 inches, but throbbing pain continued day and night until the drugist put me on to Zam-Buk.

"Nothing could have been finer than the quick way this great healer ended the terrible pain and removed poison. It set me right in a week."

There was a splendid attendance, it being their last opportunity of meeting at Mrs. Grice's home owing to the fact that she is about to move to her new home at Pine Grove. After the usual devotional exercises and business, Mrs. Grice was presented with

a beautiful table linen by Mrs. B. Orr, accompanied by an address read by the president, which testified to the high esteem and faithfulness of Mrs. Grice, not only as a member of the Aid but of the congregation and community in general. Mrs. Grice in a few remarks expressed her surprise and her thanks after which the pastor, Rev. Dr. Cooper, addressed the meeting. Some suitable selections were sung by all in harmony with the occasion, followed by the usual delicious lunch, which is a characteristic of all the Aid meetings. The next meeting will be held at the home of Mrs. Robert Ranous on March 12th.
