**AMUSEMENTS**  
What the Press Agents Say About Coming Attractions

"NAME THE MAN." "Uame the Man!," Sir Hall Caine's latest drama to be transferred to the screen, now being presented at the Capitol Theatre, takes rank with the best pictures of the year.

The story, adapted from "The Master of Man," is replete with dramatic action. It carries one through the hearts of its people. It deals with both the lowly and the great—and the intermingling of the two. And though the observer is totally unconscious of the photography, it is surpassingly beautiful. Although this is the first American picture to be made by Victor Seastrom, the Swedish director, he has delivered a master stroke. He deals with realities—with real people whom everyone has met and known. His direction is sympathetic at all times. He has made the action spontaneous, and each character, when flashed upon the screen, carries the story forward with swift movement. Like the photography, one is totally unconscious of the director, and yet when this photodrama is analyzed, he is present at all times.

Mae Busch triumphs again in this, her second Hall Caine story—she having played Glory Quayle in "The Christiana." Miss Busch's performance has the very desirable element of "abandon," and yet at no time does she even hint at overacting. Her pathos is superb—especially her tears in the rain.

Conrad Nagel as the Deemster's son emerges with many laurels also. His action is repressed, and yet strong. Patsy Ruth Miller has a very sympathetic role and handles it in a manner to add new praise to her name.

"THE SILENT COMMAND" BIG SEA SPECTACLE  
 "The Silent Command," the William Fox special directed by J. Gordon Edwards, at the Strand Theatre to-day and Wednesday, is a spectacular melodrama of unusual magnitude and novel plot. The leading players are Edmund Lowe, Beia Lugosi, Alma Tell, Betty Jewel and Martha Mansfield. Ensemble scenes are numerous and there are sea episodes that are guaranteed to stir the blood of the beholder.

**ARLIE MARKS' COMPANY**  
Opens Engagement at the Grand—"Rosie O'Grady" Again This Evening.

The Arlie Marks Stock Company opened a four weeks' engagement at the Grand Opera House on Monday evening, when it presented that Irish play "Rosie O'Grady" to a capacity house. It was an Irish play and the Irish who were present certainly enjoyed it to the limit. Miss Marks, who played the title role, has a delightful Irish brogue that should be the delight of any Irish heart.

Lindsay E. Perrin, manager of the company, made the very pleasing announcement to the effect that the company intends to remain in Kingston for four weeks at the least, and during that time the policy of the company will be to have a change of show three times a week. There will be bargain matinees for the children and adults on Wednesday and Saturday with a top price at twenty-five cents.

Miss Arlie Marks has been indeed fortunate in gathering around her a number of expert vaudeville artists, who will entertain the patrons of the Grand between acts. Mr. Perrin stated that there would be five vaudeville acts, and if the ones which were presented on Monday are an indication of those to follow, they will be very much appreciated as they are of a very fine order indeed.

For the sole purpose of giving the Kingston audiences the best that stock companies can produce, Arlie Marks has absorbed her two shows into one, and they will remain as such during the entire run at the Grand. There are also a number of splendid scenic effects which will add greatly to the productions.

Miss Arlie Marks in the role of "Rosie O'Grady" was the outstanding player and she was loudly applauded by the appreciative audience. Adelaide Secord in the role of Mother O'Grady was exceptionally good. Paul Brady, who has not appeared in Kingston before, filled the part of George Reynolds. Lindsay E. Perrin, who by the way is the husband of Miss Arlie Marks, won a warm place in the hearts of the Kingston audiences on his last appearance, and on Monday evening he appeared as Bushnell Oakman. The others appearing in the cast were H. W. Chamberlain, Louis Adell, Walter DeLuna, Peggy Logan, W. L. Phillips, Clarence Kane and George Carruth.

The three vaudeville acts which were given between the acts, were of a very high quality. Although it was an Irish night the Scotch act seemed to be most appreciated by the audience and a number of encores had to be given. The playing of the bag pipes was exceptionally good. The following took part in the vaudeville: Clarence Kane, George Carruth, Peggy Logan, Walter DeLuna, Louise Adell and W. L. Phillips.  
 Mr. Perrin announced that among the plays which will be presented by the Marks Company during its stay in Kingston will be "The Brat." Miss Arlie Marks played the lead role in this production when it travelled in the western states. He promised his audience that it will be one of the top notch productions which has been presented by any stock company in Kingston.  
 "Rosie O'Grady" will be presented at the Grand again this evening.

**AT QUEEN STREET CHURCH.**

**Anniversary Supper and Concert on Monday Evening.**  
 Queen street Methodist church sixth anniversary services were brought to a successful termination on Monday evening when a supper was served in the lecture hall of the church by the Ladies' Aid, of which Mrs. R. J. McClelland is the president. About three hundred and fifty sat down to the supper, after which a programme was given in the church. The programme consisted of the following numbers: "Solo, Mrs. Fred Taylor; male quartett; solo, Eric Lennon; duet, Mrs. J. Crawford and Judge H. A. Lavell.  
 Rev. Dr. Smythe, principal of Wesleyan college, Montreal, who was the special anniversary preacher, and who gave such excellent service, spoke on the life of John Wesley as related in his journals. During the evening, Dr. W.S. Lennon announced that the anniversary offering had amounted to over \$1,400 which was considered very fine. The anniversary services will long be remembered by the members of the church.

**Finals Curling Games Postponed.**  
 On account of there not being sufficient frost the finals of the club championship series, which were to have been played at the curling rink on Monday evening, were postponed until such time as there is good ice.

**HORSE RACES AT STELLA.**

Mack Dillon and Cecil M. Are Very Promising Trotters.  
 Stella, March 17.—On account of the bad weather the Stella Driving and Matinee Club had to postpone their annual races and on Saturday, March 15th, they held a matinee for local horses, with the following results:

**Named Race.**

Casey Audabon, H. Mc-Caugherty	1 4 2 2
Cecil M., S. Conners	2 1 1 1
Val. C., T. Cochrane	3 2 3 4
Charlie Wilks, T. Dennee	4 5 4 3
Can't Go, William McDon-ald	5 3 5 5
May Go, K. Miller	6 6 6 6

Time—2.49 1/4.

**Green Race.**

Mack Dillon, James Beau-bien	1 2 3 1 1
Laura C., D. Bray	2 1 1 2 2
Lady Wilks, W. Miller	3 3 2 3 3
Lou, Dillon, E. Fleming	4 4 4 4 4

Time—2.59 1/4.

Mack Dillon is a very promising young trotter and no doubt will give a good account of himself in the near future, as he is a son of that famous sire, Abe Dillon.

Cecil M., winner of the named race, after losing the first heat, had no trouble in taking the next three in that same old style of his. Onco a good horse, always a good horse, is an ever-true saying, and suits no steed better than it does Cecil M.

Between heats a number of penalty colts were jogged and are certainly a credit to their sire, the Son of Peter the Great. The starter was R. Marshall.

**They Surely Would Be.**  
 Toronto Globe: Jim Sutherland states that Kingston would have a fine team if Johnny Woodruff, Fred Cook, "Flat" Walsh, Charlie Stewart and Nelson would only return to the Limestone City. With these players and others now in Kingston available, the Frontenacs would be back in the senior series.

**CAPTURE CHAMPIONSHIP OF BAY OF QUINTE SET**  
Kingston Irishmen Lost to Belleville 5-3 But Won on Round 10-7.

Kingston Irishmen, after a long and hard season, are the champions of the Bay of Quinte League, and bring to Kingston its first and only hockey title of the season. At Belleville last night they lost their game 5-3, but with the 7-2 game here to start with, were victors on the round ten goals to seven.

The game last night was very rough and the members of the team say they never got a worse "riding." They could not be goaded into retaliation, however, and were determined to stay on the ice and win that championship, and as a result had to take a lot of punishment without giving any back. Their courage had results and they are now the possessors of the fine cup of the league, which is expected to arrive here in a few days.

The period scores of the final game were 1-0, 3-1, 5-3, with Belleville always leading. Terry Millan and Tom Angrove were given a particularly rough trip.

The teams:  
 Irishmen—goal, McCarthy; defence, Hall, Angrove; forwards, Millan, Watts, Purdy, Devlin.  
 Belleville—goal, Scott; defence, Goyer, Flagler; centre, Whelan; wings, Symons, Armstrong; subs, Lapoint, Arnot.  
 Referee—W. H. Roe, Napanee.

**OWEN SOUND DEFEATS NORTH BAY 4 TO 2**

Before the largest crowd at a hockey match in Toronto this season the Owen Sound Greys, junior O. H. A. champions, defeated North Bay Trappers, junior N. O. H. A. champions, 4 to 2, Monday night. Fully fifteen hundred people were turned away from the doors.

It was a great battle from start to finish with the losers taking their defeat like sportsmen and doffing their caps to a wonderful hockey aggregation. Twice during the game the score was tied. Two of the Owen Sound goals, the winning ones, were scored while North Bay had men on the penalty bench for minor offenses. The first period score was 1-1 and the second 2-2 and when the North Bay players weakened in the final period the Owen Sounders added two more. Horne was the outstanding player for the northern team. Mike Rodden, Toronto, refereed.

**Fire in a Roof.**  
 On Tuesday afternoon at 12.33 o'clock the firemen were called to the home of Mathew Dorey, 537 Albert street, where a fire had started in the roof. It is thought that the blaze was caused by a spark from the chimney. A line of hose was brought into use and with the assistance of a number of fire extinguishers, the blaze was soon put out.

**LUNCH COUNTER CARS ON NATIONAL**

Lunch counter cars which will care for the needs of passengers in the colonist, first class and tourist cars of the main line trains, who do not desire to use the regular dining cars, are being operated by the Canadian National Railways for the convenience of the travelling public, and particularly of immigrants arriving in Canada. As an experiment, lunch counter cars have been placed in service between Winnipeg and Toronto. While these trains carry dining cars and while the Canadian National Railways also have lunch counters and restaurants at all divisional points, it is considered that the lunch counter car will be a great benefit to women travelling with children and to others who may be physically unfit or unable to leave the train at stations because of severe weather, or for other reasons. The lunch counter has been fitted up at one end of a steel colonist car, where the best grade of tea and coffee freshly made will be served. Light meals comprising cereals, sandwiches, pies, preserved fruits and other canned goods will be available at Canadian National standard lunch counter prices. A competent and courteous attendant will be in charge of each lunch counter and service may be secured at any time during the day.  
 The suggestion of the lunch counter cars was made by Mr. Walter Pratt, General Manager of Dining, Sleeping and Parlor Cars and of Hotels, who has been anxious to provide this facility to further improve travelling conditions and add to the comforts of passengers on the Canadian National Railways.

**COUNCIL IS OPPOSED TO NEW LEGISLATION**

**Which Proposes to Make Reduction in the Municipal Income Tax.**

The city council on Monday night received a telegram from Hon. W. F. Nickle, regarding P. H. No. 80, which is to do with assessment and which is to be discussed on Wednesday morning in the private bills committee. At the present time, assessment on income is divided into two departments, from personal earnings and investments. At the present time citizens are exempt from municipal tax up to \$2,000 and the new bill proposes to exempt up to \$2,500.  
 If this legislation is put through it would mean loss in assessment to the extent of \$400,000 in Kingston.  
 On motion of Ald. Price and Ald. Richardson, council went on record as being opposed to the new legislation. Mayor Angrove and probably the assessment commissioner and the city clerk will oppose the bill when it comes up on Wednesday, along with other municipalities.
