Floating Specks Before The Eyes Means Liver Trouble

When specks start to float before the eyes, when everything seems to turn black for a few seconds and you feel as if you were going to faint, you can rest assured that your liver is not working properly.

The essential thing to do in all cases where the liver is slow, lazy or torpid, is to stir it up by the use of Milburn's Laxa-Liver Pills and clear away the accumulated mass of waste and poisonous matter from the system.

Mr. Chas. Ayland, Frankville, Ont., writes: "I used to be awfully bothered with floating specks before my eyes, headaches and sickness to my stomach. I took just half a vial of your Milburn's Laxa-Liver Pills and ever since I have felt as well as I ever did. Now I always keep them on hand."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

A very enjoyable evening was spent at the home of Mack Burgess, on the Newburgh road, near Napassee, when the neighbors and friends of Robert Cook gathered together and presented the family with an address and chair. The evening was spent in games and dancing. Mr. and Mrs. Cook have left for their new home in Forest Mills.

New Business Block.
An ornate and imposing new business block is to be erected in Pembroke by J. E. Wallace on the vacant lot just west of the Bank of Nova Scotia. Plans show a structure with a frontage of fifty feet on Pembroke street and a depth of 100 feet. It will be of brick construction, two storeys high, with two stores on the ground floor and offices above. One of the ground floor stores will be occupied by Wallace & Co.'s shoe store. The new building will be an attractive addition to main street's business places.

Dewart's Double.
According to the Winchester Press, A. Sweet, M. P. F. for Dundas county, finds a fly in the ointment in his enjoyment as a member of the Ontario house in Toronto. It is his evident striking resemblance to Hartley Dewart, a late leader of the Liberal party in the Ontario house. Time and again, he says, parties come and address him as either Mr. Dewart or just Hartley. As long as it is men who thus approach him, Mr. Sweet can turn the joke and enjoy the fun, but when, like on the evening of the opening, several attractive ladies came rushing upon him with "Oh, dear Mr. Dewart," he said the situation was one that even his long experience in handling difficult situations was not equal to, and if it had not been altogether embarrassing, he might have been inclined to allow the dear ladies to go on deceiving themselves. On one occasion, Mr. Sweet says, when he was among a number of well-known Conservative members, a gentleman came over to him and slapping him on the back, said, "Well, Hartley, coming over to join us now?" Fortunately, Mr. Dewart is not a member of the legislature, otherwise the situation might become very complicated.

The inspection of machine guns and band concert held in the armouries on Wednesday evening was attended by a large and interested crowd. The Hastings and Prince Edward Band furnished the music.

A good representation of men from Belleville, Madoc, Trenton, Stirling, Campbellford and Tweed arrived on the 7:30 train with Colonel Bywater in command. The contest in the field-gun shooting was very close, Madoc and Pictou being a tie, and it was only in the final contest that the Pictou men won out.

Dancing commenced at 9:30 and continued until an early hour. Music for dancing was furnished by Cooper's orchestra.

The banquet at the Royal hotel on Wednesday was pronounced the best yet by all who were privileged to be of the party, which consisted of the members of the county council and the town council and the directors and honorable directors of the agricultural association. The banquet was given by W. J. Carter in settlement of a wager between himself and B. Leavens, Bloomfield, when Mr. Leavens won out by chopping a cord of hard, body maple wood in a day. Bert Wilson, Bloomfield, was official umpire.

Health is Practically Everything to Everybody

GOOD HEALTH—that rare feeling of perfect physical fitness—is the most-sought-for blessing in the world. It is practically everything to everybody. It is so definitely related to the things we eat that certain foods are a boon to the health of mankind.

Grape-Nuts is one of these foods!

For into Grape-Nuts goes all the nourishment of Nature's finest grains—wheat and barley. These grains supply Phosphorus for strength and vigor. Starches, happily changed to sugar form, by a special process of slow baking, to build and repair tissues. And roughage—to clear the body of toxic poisons.

Grape-Nuts have that delicious flavor. The tasty goodness of them makes you want to eat them. Their crispness makes you chew it—it is good for the teeth. It is easily digested, soundly nourishing and economical, because each package contains a great many helpings. Serve it right from the package—with cream or milk. Your grocer has it.

GRAPE-NUTS CLUSTERS

1 teaspoon butter, 2 tablespoons cream or top milk, 1 cup Grape-Nuts, 2 squares unsweetened chocolate. Melt chocolate in double boiler, stir in butter, cream and Grape-Nuts. Drop from a spoon onto marble slab or oiled paper and let stand to harden. This recipe makes 12 to 15 clusters.
