A Person Who Sees Well

cannot be blamed for believing that he does not need glasses. But with APPARENTLY perfect sight he cannot be sure about the matter. Where the error of vision is not excessive the muscles of the eyes are often able to overcome it, but the strain in doing so is very great. So even these folks who see perfectly MAY need our services.

THE WHOLE FAMILY WAS LAID UP WITH SEVERE COLDS

Dr. Wood's Norway Pine Syrup will immediately relieve the cold or cough on its inception. Mrs. David Ayres, Kearney, Ont., writes: "Our whole family was laid up with severe colds, and we didn't seem to be able to get any relief from anything we used until, one day a friend came in and told me we would be sure to get rid of our colds if we used Dr. Wood's Norway Pine Syrup. BACK AGED TERRIBLY

Mrs. McMahon Tells How She Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Chatham, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for a run-down condition after the birth of my baby boy. I had terrible pains and backache, and was tired and weak, not fit to do my work and care for my three little children. One day I received your little book and read it, and gave up taking the medicine I had and began taking the Vegetable Compound. I feel much better now and am not ashamed to tell what it has done for me. I recommend it to any woman I think feels as I do." —Mrs. J. R. McMAHON, 183 Harvey St., Chatham, Ont.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has for nearly fifty years been restoring sick, ailing women to health and strength. It relieves the troubles which cause such symptoms as backache, painful periods, irregularities, tired, worn-out feelings and nervousness. This is shown again and again by such letters as Mrs. McMahon writes, as well as by one woman telling another. These women know, and are willing to tell others, what it did for them; therefore, it is surely worth your trial.

Women who suffer should write to the Lydia E. Pinkham Medicine Co., Cobourg, Ontario, for a free copy of Lydia E. Pinkham's Private "Text-Book" upon "Afflictions Peculiar to Women."
