Tells How Lydia E. Pinkham's Vegetable Compound Relieved Her of Inflammation and Great Weakness

the birth of my twin boys. I had a great deal of inflammation, with pains and weakness. Finally my doctor recom-mended Lydia E. Pinkham's Vegetable Compound. He said that your medicine would be the only thing to build me up. I am sure he is right, for I am feeling much better and am gaining in weight, gone down to ninety-three pounds. I was in bed for over a month, but am up again now. I have recommended the Vegetable Compound to my friends and give you permission to use my letter."—Mrs. ELMER A. RITCHIE, 82 Rodney St., West St. John, N. B. There are many women who find their usehold duties almost unbearable owing to some weakness or derangement.
The trouble may be slight, yet cause such annoying symptoms as dragging pains, weakness and a run-down feeling. Lydia E. Pinkham's Vegetable Com-pound is a splendid medicine for such conditions. It has in many cases relieved those symptoms by removing the cause of them. Mrs. Ritchie's experience is but one of many. You might be interested in reading Mrs. Pinkham's Private Text-Book upon
