Since She Used MILBURN'S

Heart and Nerve Pills

Miss Bertha Charrette, Regina, Sask., writes:—"I have had a lot of trouble lately, with what I thought was heart trouble, and after any unusual exertion I always felt sick."

My doctor advised a complete rest and change, but this I was unable to take.

I became interested in Milburn's Heart and Nerve Pills, so started taking them. I have now taken three boxes and am so much improved I can go about my daily work without feeling any after ill effects, and have not had any weak or dizzy spells for some time. Your medicine has done me more good than anything I have ever taken, and I will gladly recommend Milburn's Heart and Nerve Pills to any woman who is weak and run down."

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain How to Treat.

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sour, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any drug-gist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

Whole Family Reaps Benefit

Mr. and Mrs. Davis, Son and Daughter, Rejoice in Discovery of Famous Herbal Medicine.

Mrs. W. H. Davis, of 1 White Ave., Toronto, makes the following statement on behalf of her family of four, every one of whom is taking Drecto and improving in health.

"My husband has suffered for ten years from stomach and liver trouble. He was chronically constipated, causing the constant use of laxatives. His food would not digest properly, it would sour and gas would form in a hard lump in his stomach. He also had dizzy spells, and severe headaches troubled him. In bending over, pains would shoot across his back. Nearly every joint in his body ached with rheumatic pains and it was impossible for him to even lace his shoes.

"We spent hundreds of dollars in search of a good remedy that would give him good results. I then read of what Drecto was doing for so many people right in our own city and Mr. Davis and I decided to give it a trial. Truly, the results have been very pleasing.

"His appetite is good, the pains through his back and joints are much improved. He no longer has that tired, pale, haggard look and doesn't mind his work as he feels much stronger and has more vitality.

"I was so pleased with his growing improvement each day that I decided that Drecto was just what the children and my own system needed. As a result, their appetites have greatly improved and they seem to get the proper nourishment from their food, causing very noticeable benefits in their general condition.

"My system is in a better condition than it has been for many months. I can eat various foods now that I have been unable to eat for a long time, because of indigestion and gastric spells. I also suffered from sick headaches, nervousness and dizzy spells, which have many times kept me in bed for two or three days and made it impossible for me to do my housework. These troubles have been entirely relieved by Drecto.

"I am very happy over the benefit my family has derived from Drecto, and gladly do we recommend it. Its merits are surprising."

Drecto is a reliable household remedy endorsed by thousands who have discovered its genuine merit. Compounded from the juices of medicinal herbs, roots, bark and leaves, it tones and regulates the whole system and quickly relieves indigestion, gastritis, sick headache, backache, pains in the limbs, constipation, biliousness and many other ailments. Build up your system with Drecto, the proven remedy that contains no mercury, potash or habit forming drugs.

Drecto is being specially introduced in Kingston by Ma-hood's Drug Store. It is also sold as follows: Napanee, Wallace & Co.; Gananoque, W. E. Austin, and by a good druggist everywhere.
