Main Market—Cor. Princess and Division.
Branch Store—338 Princess Street.

TELEPHONES:

Retail 2600. Wholesale 1767.
Accountant's Office 365J.
Manager's Office 365w.

PRUNES

are now the cheapest fruit—one of the cheapest of all foods. We offer the better prunes, selected, graded and most carefully prepared for home use. Sold in bulk or 25-lb. boxes. Make these delicious, juicy Prunes your habit-fruit at breakfast, for their energizing nutriment, food-iron and vitamins. Your physician will recommend them. But get them mainly for their luscious flavor.

BEST WAY TO COOK BREAKFAST PRUNES

First, soak them overnight or for several hours at least; second, cook slowly until tender in the water in which they were soaked; third, use plenty of water so the fruit will be loose; fourth, do not cook them too long, as they will become too soft. Flavor with cinnamon, sliced lemon or orange juice. Sugar to taste.

3 sizes. Small, lb. 12½c.
2,000 pounds. Medium, lb. 15c.
Large, lb. 20c.

ORANGES

2,000 dozen, Kiddies' size. Dozen . . . 15c.
Large size, regular 35c., for 29c.

Nature has made splendid Oranges this year, but smaller than usual in size, and being smaller, of course, they sell for less. But they are twice a bargain, for they are just as "good" as any larger fruit you ever ate. Rich in juice for breakfast. Tender segments that slice easily for Salads and Desserts. Easy to peel and eat whole. But two dozen, therefore, where you've bought but one before, or buy them by the box or half box.

FOREIGNERS LOOKING FOR WORK IN KINGSTON

Dane Told by Steamship Agents There Were Lots of Jobs in Canada.

W. A. Stroud, the local representative of the Ontario Government employment bureau, when speaking to the Whig on Tuesday morning, stated that it was a very difficult problem to know what to do with the number of men who arrive in the city in search of work. During the past few weeks, Mr. Stroud has been waited upon by men who have recently arrived in Canada and are anxious to get work. As much as the farmers are in need of help, they would not give any of these men work, in view of the fact that they are not experienced farm laborers. There are some men who have had some farm experience in the old country, but at this season of the year the local farmers do not like the idea of training these men to the Canadian way of doing things.

On Monday, when a representative of the Whig was in the employment office, two fine looking young men walked in, and one of them asked Mr. Stroud if there was any work in sight. One of the men was a recent arrival from Denmark while the other, who could not speak a word of English, came out from Sweden about three months ago. The Dane, when speaking to the Whig, stated that he had been advised by a representative of a steamboat company to come to Canada as he said there was all kinds of work and the pay was real good. Not knowing much about conditions, he took the advice of the steamboat representative and came to Canada only to find that the jobs which were spoken of were a minus quantity. This man claimed he was told that when he arrived in Canada there would be men waiting to give him a position. Although not able to speak a word of English when he left the steamer at St. John, he made his way to Montreal and was later able to secure a position with a paper mill and remained there for a short time until the work gave out. He came to Kingston with the hope of getting work on some of the lake steamers and was quite hopeful that he would. Although in Canada just three months this Dane could talk English fairly well.

SPENT PROFITABLE EVENING.

Young People Entertained at Princess Street Methodist Church.

On Monday evening, the members of the Young People's Society of Princess street Methodist Church, entertained the members of the Young People's Society of Chalmers Presbyterian Church and the occasion was a most pleasant one, for all who attended. Members of the Princess street society engaged in a most interesting debate, "Resolved that an electric washer is more beneficial than a Victrola." The decision was given in favor of the affirmative. The judges were Rev. G. A. Brown, Lyman McCallum and Miss Quirt. The affirmative was taken by Mr. Murphy and Mr. Berry and the negative, by Mr. Bruce and Mr. Parkhouse.

During the evening prayer was offered by Mrs. Curtis and Rev. G. A. Brown and a duet, "In the Garden," was rendered by Mrs. Shepherd and Miss Peters. Following the programme, Rev. Mr. Brown gave a short address, refreshments were served and a social hour was spent.

At Calvary Congregational.

A very pleasant time was spent at Calvary Congregational church, Monday evening when the Christ-lan-Endeavor held their quarterly social. About fifty young people gathered and spent a couple of hours playing games and in contests. During the evening, Fred Wilson brought his moving picture machine and showed some Ontario Government films and also a short comedy. These were very much enjoyed. About ten o'clock refreshments were served, after which the meeting was brought to a close with a short sing song. Much of the success of the evening was due to George Allen as convener of the social committee.

STEACY'S ROSE DAY

Many Kingston People Secured the Beautiful Flowers.

Tuesday morning was "Rose Morning" at the big store of Steacy's Limited, in connection with the 43rd anniversary sale. The rose idea was inaugurated last year and was such a big success that it was repeated again this season. One thousand beautiful roses were arrayed on a long counter at the entrance with a sign displayed inviting each customer to "Take One." The store was filled with shoppers and busy at nine o'clock, and all the roses had departed before noon. Princess street had a gala appearance, with nearly every shopper wearing a beautiful bloom. The management expressed themselves as delighted with the success of their annual novelty.

Funeral of A. W. Pickering.

The funeral of the late Albert W. Pickering was held from the home of his mother, 26 Dufferin street, on Monday afternoon to Cataract cemetery, in charge of John Cornelius. Rev. W. E. Kidd conducted the last services. Surviving are his mother and two sisters. The pallbearers were friends of the deceased: Cecil Watts, Edward Davis, Edward Corrigan, Walter Spence, Oscar Minifie and C. Stanley.

W. J. O'BRIEN PROMOTED.

To The Imperial's Ottawa Office—Jack Hutchison New Manager.

It is with mixed feelings of pleasure and regret that Kingston people hear of the transfer to Ottawa of W. J. O'Brien, local manager for the Imperial Tobacco Company, who has received a big promotion and took charge of the Ottawa office of the company on Tuesday. He will be succeeded in Kingston by "Jack" Hutchison, the well-known local salesman, who has hitherto been his assistant. Double congratulations are therefore in order.

"W.J." as he was familiarly known throughout the district, has been here for some years as the manager for the Imperial. He has been, besides an energetic and popular manager, a booster for local advances and a keen follower of sport. In Knights of Columbus work he has been especially active and has rendered fine service as lecturer of the local Council, which approximates the duties of convener of social and entertainment committees.

Everybody extends best wishes to both "W.J." and "Jack" for the very best of success in their new positions.

MASS MEETING OF TAXPAYERS

Wednesday, April 2nd, 8 p.m., Ontario Hall.

Nearly \$50,000 saved in taxes and light was accomplished by the attendance of taxpayers at the mass meetings. Property owners on the line of the street railway from King and Brock streets to King and West streets will save money by attending this meeting. Do you know you are being charged for the street railway's portion of pavements? By-laws illegally passed have cost many thousands of dollars. Come early to be sure of a seat.

KINGSTON WILL BENEFIT

If It Gets Percentage of Amusement and Auto Taxes.

At the meeting of the city council held on Monday night, Ald. Laturney, who was in Toronto recently, and with representatives of other municipalities, had a conference with Premier Ferguson and made a request that the various municipalities be given a share of the money collected by the province for the amusement tax and automobile licenses, gave a report on this most important matter. Premier Ferguson, he said, could not promise that any action would be taken this year, but intimated that something would possibly be done next year and if this action is taken it will mean a big thing for Kingston, as Ald. Laturney pointed out. Statistics showed that handsome sums were being collected in amusement tax and auto licenses. For Kingston alone, it was shown that in one year over \$10,000 was collected in amusement tax and \$45,000 for auto licenses.

Ald. Laturney has great hopes of the matter going through next year and providing it does, it will mean that a neat sum of money will be realized by Kingston.

Late Mrs. Brightman.

The remains of the late Mrs. Victor Brightman were taken on Tuesday morning from her late residence on Brock street to the C. P. R. station, and conveyed to her father's home at Tichborne. J. Cornelius had charge of the funeral, and Rev. G. A. Bell offered prayer in the house. By request of the deceased, Rev. Mr. Bell will preach the funeral sermon, and take charge of the burial service at Tichborne on Wednesday afternoon at 2.30 o'clock. Many beautiful offerings were received.

Jolly Birthday Party.

On Monday a double birthday party was held at the home of Mrs. John Potter, James street, in honor of Clarence Vandewalker and Walter Potter. Forty people were in attendance and a merry time was spent in dancing until a late hour, music being furnished by the Cheerio orchestra. Refreshments were served at the close, and Mrs. Potter was tendered a hearty vote of thanks for her kind hospitality.

Dr. R. A. Leonard's Condition.

Enquiry at the General Hospital Tuesday morning elicited the information that Dr. R. A. Leonard, postmaster of Napanee, was in about the same condition. Dr. Leonard was brought here for treatment and was in critical condition, so much so that a necessary operation had to be postponed. His many friends are anxiously awaiting news of his progress.

Going on Trip Abroad.

At the meeting of the city council on Monday, night a motion of Aids. Sargent and Peters was passed granting John Ballantyne, caretaker and messenger at the city buildings, three months leave of absence, with salary, in order that he might take a trip abroad.

Struck by Lightning.

A barn owned by A. M. Shortell, Brewer's Mills, was struck by lightning during the storm on Saturday night and suffered slight damage.

Col. O. M. Biggar, Ottawa, speaking in Montreal, said, approximately twenty-five per cent. of prisoners in Canadian penitentiaries are suffering from mental disturbances.
