WRITE A WANT AD

FOR 15 YEARS WAS TROUBLED WITH ECZEMA
There is no other remedy like Burdock Blood Bitters that can possibly give such relief to all sufferers from eczema, salt rheum and all other diseases of the blood for the reason that this old and well tried remedy goes right to the seat of the trouble and completely and permanently drives these diseases out of the system by cleansing the blood and making it pure and rich.
Mr. F. W. H. Schultz, Pembroke, Ont., writes: "Having been troubled with eczema for fifteen years, during which time I tried everything I could think of, including doctors, but without getting anything to do me much good I finally decided to take Burdock Blood Bitters, and I was certainly surprised to find that two weeks after I had started to take it I was relieved of my trouble. That was nine months ago, and I have not had a sign of it since. I surely wish to thank you for this wonderful medicine and strongly recommend it to anyone suffering from the same trouble as I had."

A VERY SUDDEN DEATH.
Was That of Mrs. Peter Armstrong, Lombardy, in Smith's Falls.
Lombardy, April 8.—Death came with startling suddenness to Mrs. Peter Armstrong, who passed away in Smith's Falls, on Thursday last, whether she had gone to consult doctor as she had not been feeling very well for a few days previous. She was taken suddenly ill on the street and expired immediately after entering one of the local doctor's offices, acute indigestion being the cause of her sudden demise.
Deceased was the adopted daughter of Mr. and Mrs. William Moorehouse, and was married some years ago to Mr. Armstrong, who survives along with two daughters and one son, who, needless to say, are heart-broken at the loss of a loving wife and mother.
Kind hearted and most unselfish, the late Mrs. Armstrong was a friend of every one and her sudden death cast a gloom over the community. The remains were brought up from Smith's Falls on Friday and on Saturday the funeral took place. Beautiful flowers covered the coffin and one of the largest funeral processions, ever seen here, followed the remains to Trinity church where the funeral sermon was preached by Rev. Mr. Coad, Smith's Falls, after which the body was placed in the cemetery adjoining.
Miss Stella Kennedy, Philippsville, spent last week with Mr. and Mrs. F. J. Kelly. The Ladies' Aid met on Wednesday last, it being the usual monthly meeting of the Society. Stinson and family have moved to Smith's Falls. They will sell by auction their farm stock and implements at the farm near Lombardy.

happy couple left for Toronto and Utterson, amid showers of confetti.

Premier Breeds Fine Hogs.
One of the interesting points in Mr. Martin's speech in the legislature was his statement that from the prime minister's farm two litters of hogs were taken recently to market, and he understood, proceeded Mr. Martin, that they were quite the finest put on the market in Eastern Ontario. These hogs were all grade selects, he said, and the average weight was 208 pounds. Their "record age" was five months and twenty-one days, "and any of you know you've got to go some to bring them up to 200 pounds in six months." It simply shows what can be done.

stion bakers' bread. That is something that the people of Amherst Island do not have to depend on as the very best at that. S. Blakey, butcher, Kingston, was over the Island last week and purchased a large number of veal calves.
