**THE WHOLE FAMILY
WAS LAID UP WITH
SEVERE COLDS**
On the first appearance of a cough
or cold our advice to you is to get
rid of it before it has a chance to
grow worse, gets settled on the lungs,
and causes bronchitis, pneumonia or
other serious lung troubles.
Dr. Wood's Norway Pine Syrup will
immediately relieve the cold or
cough on its inception.
Mrs. David Ayres, Kearney, Ont.,
writes:—"Our whole family was laid
up with severe colds, and we didn't
seem to be able to get any relief
from anything we used until, one day,
a friend came in and told me we
would be sure to get rid of our colds
if we used Dr. Wood's Norway Pine
Syrup. I decided to take her advice,
and in no time our colds were all
gone.
Now, knowing the value of your
remedy, we will always keep it on
hand so as to have it in case of
emergency."
Dr. Wood's Norway Pine Syrup is
