MILBURN'S

Heart and Nerve Pills
Mr. S. E. Barnes, Athens, Ont.,
writes:—"Four years ago I had a
very severe attack of heart trouble.
I consulted my doctor; he treated
me for some time, but I only seemed
to be getting worse. I finally went
to our druggist and purchased three
boxes of Milburn's Heart and Nerve
Pills and derived immediate relief
from their use, and I can truthfully
say they are a wonderful medicine.
I always keep a box on hand, and if
I feel out of sorts I take a few pills
and feel all right again."
Milburn's Heart and Nerve Pills
are 50c. a box at all dealers, or mail-
ed direct on receipt of price by The

Pembroke council is convinced
that the time has arrived for a de-
cided increase in the assessment

so likely that the council will em-
ploy a permanent assessor and
building inspector.

lic auction by Munroe the auctioneer.
The highest bid of \$13,300 was not
up to the reserved bid and the house
was not sold.

Not Much Motor Traffic.
Up until the present time, not
many American tourists have been

Lawns Are Improving.
Despite the fact that Old Sol has
not yet emerged with any great de-
gree of strength, and the atmos-
phere is not summer by any means,
many lawns and gardens about the
city are already putting on a June

beauty of the city. New seedlings are
getting a great chance to take root,
and when the warm sunny days
come the growth will be rapid.

**BABY'S OWN TABLETS

Mrs. David Gagne, St. Godfroy,

same thing." The Tablets are a mild
but thorough laxative, which
quickly relieve constipation and in-
digestion; break up colds and simple
fevers and promote that healthful,
refreshing sleep which makes the
baby thrive. They are sold by all

hibit at the second World's Poultry
Congress to be held in Barcelona,
Spain. It is expected that the Cana-
dian exhibit will attract a great deal
of attention. It is the first exhibit of

Hiram Stewart Passed Away.
After a short illness, the death
took place at Addison on Wednes-
day of Hiram Stewart, a man ex-
ceedingly well known throughout
Centre Leeds, who had resided at
Addison for the last sixty years and
whose trade was that of a wood-
worker. The late Mr. Stewart was
in his seventy-eight year and a na-
tive of the township of Kitley. In
religion he was a Methodist and in
politics a Liberal. Surviving are one
brother, Benjamin Stewart, Frank-
ville, and one sister, Miss Millie
Stewart, also of Frankville.

Address and Presentation.
A very enjoyable affair occurred
when about one hundred friends and
neighbors invaded the home of Mr.
and Mrs. Slias Prindle, Tweed, to
welcome home their daughter Grace,
who was recently married to How-
ard E. Thompson, Ferleigh. The
invasion took the form of a miscel-
laneous shower of useful and cost-
ly articles let down from above
their heads and completely sur-
rounding them. The girls of the
bride's Sunday school class led com-
munity singing and a general so-
cial time was indulged in, after
which an address was read by Miss
Ruby Holbert.

Cool Weather Benefits Farmers.
The cool weather, which has fol-
lowed the recent rain, has been an
advantage to the farmers, in that it
is giving the horses a great chance
to "stand up" under the rush of the
spring work. Hot days play havoc
with the animals when pushed into
heavy work, and farmers are com-
pelled to "spoil" them often or else
have relays on hand to rest up each
other. But with cool weather this
has not been necessary, and much
progress has been made with the
seeding operations. New seeding and
old meadows have been doing very
well under the cool weather which
has prevailed since the rain of a
week ago, which was so much
needed, and the hay and pasturage
outlook is bright just now.
