A COLLEGIATE EVENT

The Annual Gymnastic Exhibition at Grand Opera House on Friday Night.

Friday was a gala night at the Grand Opera House. The students of the Collegiate Institute put on their annual gymnastic exhibition. The girls and boys certainly showed the benefit of good training under the able leadership of Miss Fair, who looked after the girls, and Mr. Phillips, who had charge of the boys. The K. C. I. students have been practising for some weeks and they certainly deserve a great deal of credit for the showing they made.

The programme consisted of the following numbers: Strathcona drill by the boys; games by ID Girls; marching by IC girls; wand drill by IA and IE girls; mat work by the boys; clog dance by IIE and IV C girls; callisthenics by III Form girls; athletic dance, IF and IID girls; apparatus work by the girls; apparatus work by the boys; "Forest Spirits" II Form girls and the closing number pyramids by the boys.

It is almost impossible for one to select the best numbers on the programme as all those taking part gave the best they had. The clog dance was exceptionally fine and much appreciated by the audience. The mat work by the boys was of a high order. The apparatus work done by both the girls and the boys showed the results of hard training on the part of all those taking part.

Miss Florence Newman gave a solo dance entitled "Daisies" and it was well done. Miss Helen Carroll presided at the piano during this number.

The solo dance "Magyar" by Miss Marion Black was also well received.

"Dutch Dolls" in which D. Mercer, G. Simmons, H. Culcheth, F. Bibby, M. Puhov and J. Jackson took part was real good.

F. Newman, H. Matroll, M. Black and Lola Saunderson put on a very fine number entitled "Taramella". The solo dance "The Song of a Robin" by Miss Gertrude Mahood was loudly applauded.
