SOLOMON TO DECIDE THE YARKER DISPUTE

And Then There Should Be Plain Sailing In the County League.

At the executive meeting of the O.B.A.A. held in Toronto on Saturday the overlapping in the territory claimed by the Lennox and Addington and the Frontenac leagues was discussed and the matter was left with J. J. Solomon, of Peterboro, for final settlement.

HORNBY LEADING NATIONAL BATSMAN

Hellmann Heads American League—Both Were 1923 Batting Champions.

New York, May 5.—With more than two weeks of the major league pennant races completed, the great Rogers Hornsby, who won the batting championship of the National League last season for the fourth consecutive year, is again leading the batmen of his circuit.

burgh, 7. Leading pitcher—Sheehan, Cincinnati, 3 victories, no defeats, 1,000. The following averages include games played on Thursday, May 1st. Harry Hellmann, champion batsman of the American League last season, is leading the regular players of his circuit with an average of .460. He has made twenty-three hits in fifty official times at bat and is four points ahead of Ty Cobb, who ranks second among the regulars.

ROMERO'S U.S. DEBUT.

Chilean Fighter to Meet Johnson at Garden on Friday Night.

New York, May 5.—Local boxing followers will get their first glimpse of another fistie importation at Madison Square Garden, Friday night, when Quintin Romero, Chilean heavyweight, who has been brought here as prospective material for a heavyweight championship contender, will make his debut against the courageous Floyd Johnson, young Iowan.

Johnson, who has been enjoying a needed rest since his knockout at the hands of Jack Renault, is expected to give Romero a thorough trial. The Iowan is a rugged, aggressive fighter whose willingness to carry the fight with persistency overshadows his weakness in boxing skill and effectiveness.

FROM THE OUTSIDE—LOOKING IN.

Harry Batstone returned to the city yesterday afternoon after spending some time in Toronto. Harry is in the tittle for the baseball season and will be a regular attendant at the practices as well as a fixture on the line-up.

At Peterboro on Saturday afternoon the Royal Canadians of Toronto handed Jackie Solomon's crew a five-to-nothing whitewash, incidentally getting all five runs off Heckman in the fourth inning.

Facing Arch street is the logical place for the new arena from every point of view. It has always been on the campus and a change is inadvisable.

The fans are anxious to see the senior team in action. With nineteen players, manager Daley should round out a fast squad and make the other teams step to win the honors.

the calculations of Promoter Rickard, would establish Romero as an opponent for Harry Wills, and would present to the American boxing public another South American fighter in a prominent light.

Sarua intermediates, O.R.F.U. champions last fall, were officially recognized by the city council Wednesday night when the team was presented with gold medals by Mayor George A. C. Andrews, as a token of the appreciation by the city council and the citizens for the honor the team brought to the city on the gridiron.

N.O.H.A. MAY DISBAND.

So Greyhounds Only Club Likely to be Intact.

Ottawa, May 5.—Reports received here from semi-official sources state that the Northern Ontario Hockey Association will not operate a senior series next winter. Iroquois Falls will not have a senior team next winter, while Timmins and Sudbury are not able to see their way clear to raising teams and there is little likelihood of any of the other northern towns joining in with the Greyhounds.

Frank J. Robinson, one of the best known sporting men in the maritime provinces, died at Halifax Saturday. He was sixty-six years old. Mr. Robinson was a well-known follower of the turf and was a familiar figure at racing meets throughout Eastern Canada and New England.

Johnny Dundee, New York, featherweight and junior lightweight champion, and Willie Amos, Akron lightweight, boxed a 12-round no decision bout at Canton, Ohio. Newspapermen gave Amos five rounds, and Dundee three, with the others even, but Dundee apparently was under wraps in several sessions.

Walter Johnson, famous pitcher, of the Washington Nationals, is sure pitching will be much improved this year. He bases his belief entirely on the theory that the almost constant use of new balls made it hard for a pitcher to use his curve.

The man is a fool who imagines that he can turn the current of a woman's will by force.

Eric Liddell, British champion runner and record holder of Edinburgh, will not start in the 100-meter run in the Olympic games, because the trial heats for that event are scheduled for Sunday.

PEERESSES OF LINKS TO MEET IN IRELAND

The World's Golf Championship Games Take Place This Month.

Miss Edith Cummings of Chicago, the United States lady champion, who is touring abroad, will not compete in the British ladies' open at Portrush, Ireland, next month. The abandonment of her plans to do so, was disclosed in word received in New York a few days ago from Miss M. M. MacFarlane, secretary of the British Lady Golfers' Union.

The United States will have at least one representative in the title event, however, for Miss Audrey Faust, of St. Louis, one of the leading younger stars of the middle west, has filed her entry.

It was generally thought that Miss Cecil Leitch, her rival, might stage a "comeback," but the trouncing the "great Joyce" gave her the other day, in an inter-club match, which marked their first meeting in nearly two years, would seem to demonstrate that the younger star has still a decided edge on Miss Cecil, who is ten years her senior.

It will be a great encounter, however, if the two should come together in the finals at Portrush next month. So far the honors are easy between them in the British open. Miss Leitch defeated Miss Wethered at Turnberry in 1921 by 4 and 3, whilst Miss Joyce took a scathing revenge in 1922 at Sandwich, when she accounted for Miss Cecil 9 and 7.

CARPENTIER IN PARIS.

Preparing to Leave Shortly for United States. Paris, May 5.—Georges C. Carpentier, who knocked out Arthur Townley of England in Vienna on May Day, returned to Paris, yesterday preparatory to leaving for the United States for his meeting with Tommy Gibbons at Michigan City, Ind. Carpentier, Francois Descamps, his manager, and their party, had not yet decided whether to take passage on the liner Majestic from Cherbourg, May 7th, or on the France from Havre next Saturday.

Speaking on his fight in Vienna, Carpentier said he found Townley strong and dangerous throughout the first round until the Frenchman reached his opponent's chin just before the bell. He declared his final knockout blow was an eminently fair one, pointing to confirmation of this to the moving picture film.

TEAM REACHED SYDNEY.

Canadian Soccer Players Ready for Australian Games. Sydney, N.S.W., May 5.—Beautiful weather and a wonderful welcome met the all-star Canadian soccer team on arrival here yesterday. All are in first-class shape and anxious to get into training tomorrow for the first game scheduled here for next Saturday. The boys are all keen to win their first battle on Australian soil, and with five days in which to get limbered up and ample training facilities they should do the Dominion credit.

On Monday the team was given a civic reception, and a great programme of entertainment has been arranged for them for the rest of the week.

IRELAND TO BE UNITED.

At the Olympic Games This Coming Summer.

Dublin, May 5.—Ulster and Irish Free State, divided on most issues, will be united at the Olympic games this summer. The athletics of Ireland will represent their country as a whole, the Green and the Orange united.

During the past winter on both sides of the border ambitious athletes have been in training, some of them with a dual ambition—to take part in the sports in France, and later in the Tallteann games at Dublin in August. Collegians and policemen are likely to make the larger part of the team.

Among the collegians there are Cussen of Trinity College, the best of the Free State sprinters, and Lavin of the National University, quarter-miler, who usually covers the "four-forty" in 49 seconds. McEachern of the Clonliffe Harriers is a good half-miler.

The star trio of the Dublin Metropolitan Police is composed of Stanley

Shanahan and Birmingham, the last named a discus thrower, O'Grady of Limerick, who is relied upon to put the sixteen-pound shot fifty feet or so, is also counted as certain to be on the Irish team.

Trenton Officers Elected. At a meeting on Saturday plans were made and the organization completed for the coming season in ball circles. The following were elected to office: Hon. president, W. H. Ireland, M.P.P.; hon. vice-president, His Worship Mayor W. A. Fraser; president, Charles Richardson; secretary, H. Jarrett; treasurer, H. Hutt; executive committee, Dr. Purdy (chairman), A. R. Alloway, H. Williams, O. Newton, R. Lamorre, D. E. Terry; Manager, W. J. Jordan.

A 20-round bout between Eugene Criqui, former featherweight champion of the world, and Danny Fresh, English boxer, was arranged Wednesday in Paris. The contest will take place June 1st in the Buffalo Velodrome.
