ON PRINTER'S INK To Start the Construction of

Rotarian Wilfrid Kettlewell, Toronto, Gave Illuminating Address Before Rotary Club.

remarks held the intense interest of apartments for visitors; the next all the members of the club. Presi- floor will contain a community room, dent A. N. Lyster presided.

good fellowship in Rotary is a won- ters. derful thing. "It made me feel right at home the minute I arrived here," the speaker added. He also referred to the big international convention to be held in Toronto in June and stated that Toronto was banking on a hundred per cent attendance from the Kingston club. He declared that the convention would give the mem- it was taken over, and turned into a bers of the clubs a wonderful oppor- hospital, the Hotel Dieu. Such emitunity to get acquainted with men from all the nations of the earth.

Ink," Rotarian Kettlewell stated that ago, the present building on Russel the use of printer's ink dated back street was put up and the proposed 2,700 years before Christ when it new addition will fill a long felt want was used in China, although of a in supplying boarding, accommoda-

been a great development in print- built which will make this splendid er's ink. For many years every hall of learning ready to take care printer made his own ink and later of all its students who may desire to on purchased it ready-made. The attend. The present institution has speaker went on to explain in a most a staff of five professors, and this is interesting manner, the ingredients used in the making of the ink telling about the process it went

The speaker referred to the world's greatest occurrence in the birth of Christ; the second great event as the invention of the alphabet and the third as the invention of printer's ink. Last year there had been published thirty million coples of the Bible in 770 different languages and all as a result of printer's ink. Books of all kinds had been turned out, also magazines and bills of all kinds for advertising matter. All these things turned out served in the way of preaching the doctrine of printer's ink.

The speaker was tendered a hearty vote of thanks on motion of Rotarian Leman A. Guild and H. E. Pense.

The members of the Rotary club will attend a service to be held in the Methodist church, at Wilton, which Rev. Soford Dixon, of Odessa, is pastor, on Sunday afternoon, May 18th. Rotarian Rev. J. S. LaFlair will conduct the service and preach the sermon. Arrangements are being made for a choir of twenty-five voices. The Rotarians will leave the city at 2.30 p.m. daylight saving

Rotarian Roy Ward gave a brief address in support of the Campaign to be carried on for funds for the Y.M.C.A. and the club will give its support to the campaign. The membership of the "Y" pays for thirty per cent. of the cost of operating the institution and the remaining seventy per cent. has to be collected from the public. This year the "Y" is asking the public for the sum of \$7,000. The campaign starts on May 19th,

and will continue till May 23rd. Secretary H. D. Wightman read letter from the retiring district governor, Edwin R. Weekes, in which he extended congratulations and best 16th. wishes to A. N. Lyster on his election s president of the club.

The club received a telegram from Regarian Bert Abernethy, who was in attendance at the Rotary club uncheon in Toronto.

Guests introduced at the luncheon ncluded William Jackson, J. Alex. Edmison and W. M. Nickle.

A Great Bible Class.

Recently the members of Class 4 of Central Presbyterian Sunday school, Rochester, N.Y., with an enrollment of five hundred men, held a banquet that possibly was without parallel in the history of Sunday school work the world over. The banquet was held in honor of golden anniversary of their teacher W. A. Hubbard, who has been the teacher since 1874. He is one of Rochester's leading business men, and is highly esteemed by the members of his large class. The artistic programme was a credit to the printer's 13th next. art and contained several of the class records which show that three Kingstonians have been honored with of fice in this historic class.

The late Henry S. Crumley was president in 1887; John W. Cook, president in 1919, and the late Wil liam J. Shaw, secretary-treasurer from 1886-1887.

Saturday's Market.

Saturday morning's market was not a particularly large one, but was Butter, eggs and greens seemed most prominent in the public eye. Lettuce, radishes and green onions sold at three bunches for 25c, Eggs went at a pound. Cut flowers and spring wild flowers , brightened up the scene, and gave a more cheerfui touch to a rather late spring.
