FRUIT TREATMENT HEALS KIDNEYS

Concentrated Fruit Juices Give Astonishing Results
Anyone who has suffered with weak or irritated kidneys—with the accompanying miseries of pain in the back, splitting headaches, swollen hands and feet, rheumatism and constipation—ought to try the Fruit Treatment for their trouble.
To those who use intensified fruit juices—"Fruit-a-tives"—for the first time, it seems almost impossible that the juices of apples, oranges, figs and prunes combined with tonics, could relieve kidney trouble.
But a short treatment of "Fruit-a-tives" gives quick relief and the regular use of these intensified fruit juices or "Fruit Liver Tablets" prove their marvellous virtues.
Get "Fruit-a-tives" today and begin the Fruit Treatment. At all dealers; 25c. and 50c. a box; or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

Special Radio Programme.
Arrangements have been made for a special radio programme to be broadcasted from the Ottawa station—CKCPA tonight (Wednesday). A "League of Nations" concert has been arranged, the aims and purposes of the league being explained from two angles. The talk will be opened by Hon. George E. Foster, upon what the League of Nations is, the reason for its foundation; its constitution; its operations; and some of its achievements so far as the affect political, economic and humanitarian interests. The second address, delivered by Tom Moore, president of the Trades and Labor Congress of Canada, will deal with the following aspects as seen from the labor angle: War against war; the cost of war to labor and depreciated value standard of living; the league, the one hope of avoiding war and establishing world brotherhood; the cost of the league and other matters of great interest. H. G. Richardson, general secretary of the League of Nations of Canada, will close the programme with a "Bedtime Story on the League of Nations for Children."
