FIRM BELIEVER IN THE FRUIT TREATMENT

Thousands of people owe the splendid Fruit Medicine—"Fruit-a-tives"—a lasting debt of gratitude, which they gladly pay by testifying to its merits.
Mrs. Laura Alford of 28 Florence St., Ottawa, says: For years, I was a martyr to Constipation and Dyspepsia. I have tried cathartics, salts and so-called vegetable laxatives but all were unpleasant and gave no permanent relief. Finally, I decided to try "Fruit-a-tives". I have been using "Fruit-a-tives" now for seven years; never have Constipation or Stomach Trouble, and have been in the best of health ever since. My husband and children use "Fruit-a-tives" regularly.
"Fruit-a-tives" contain intensified fruit juices combined with tonics. 25c. and 50c. a box—at dealers or Fruit-a-tives Limited, Ottawa.

His Sluggish Liver Made Him Feel Drowsy and Tired All the Time

When your liver becomes sluggish and inactive your whole health suffers, and the only way you can get back to feeling right is to make your liver right.
This you can do by the use of Milburn's Laxa-Liver Pills as they will stimulate the sluggish liver, clean away all waste and poisonous matter from the system, and prevent, as well as relieve, all complications arising from a liver that has become inactive.
Mr. E. Hazel, East Florenceville, N. B., writes:—"I had been troubled with my liver and felt drowsy and tired all the time, and was unable to do my work with any comfort. I took your Milburn's Laxa-Liver Pills and to-day I am a different man, and would not be without them in the house."

SUITS MADE TO MEASURE.

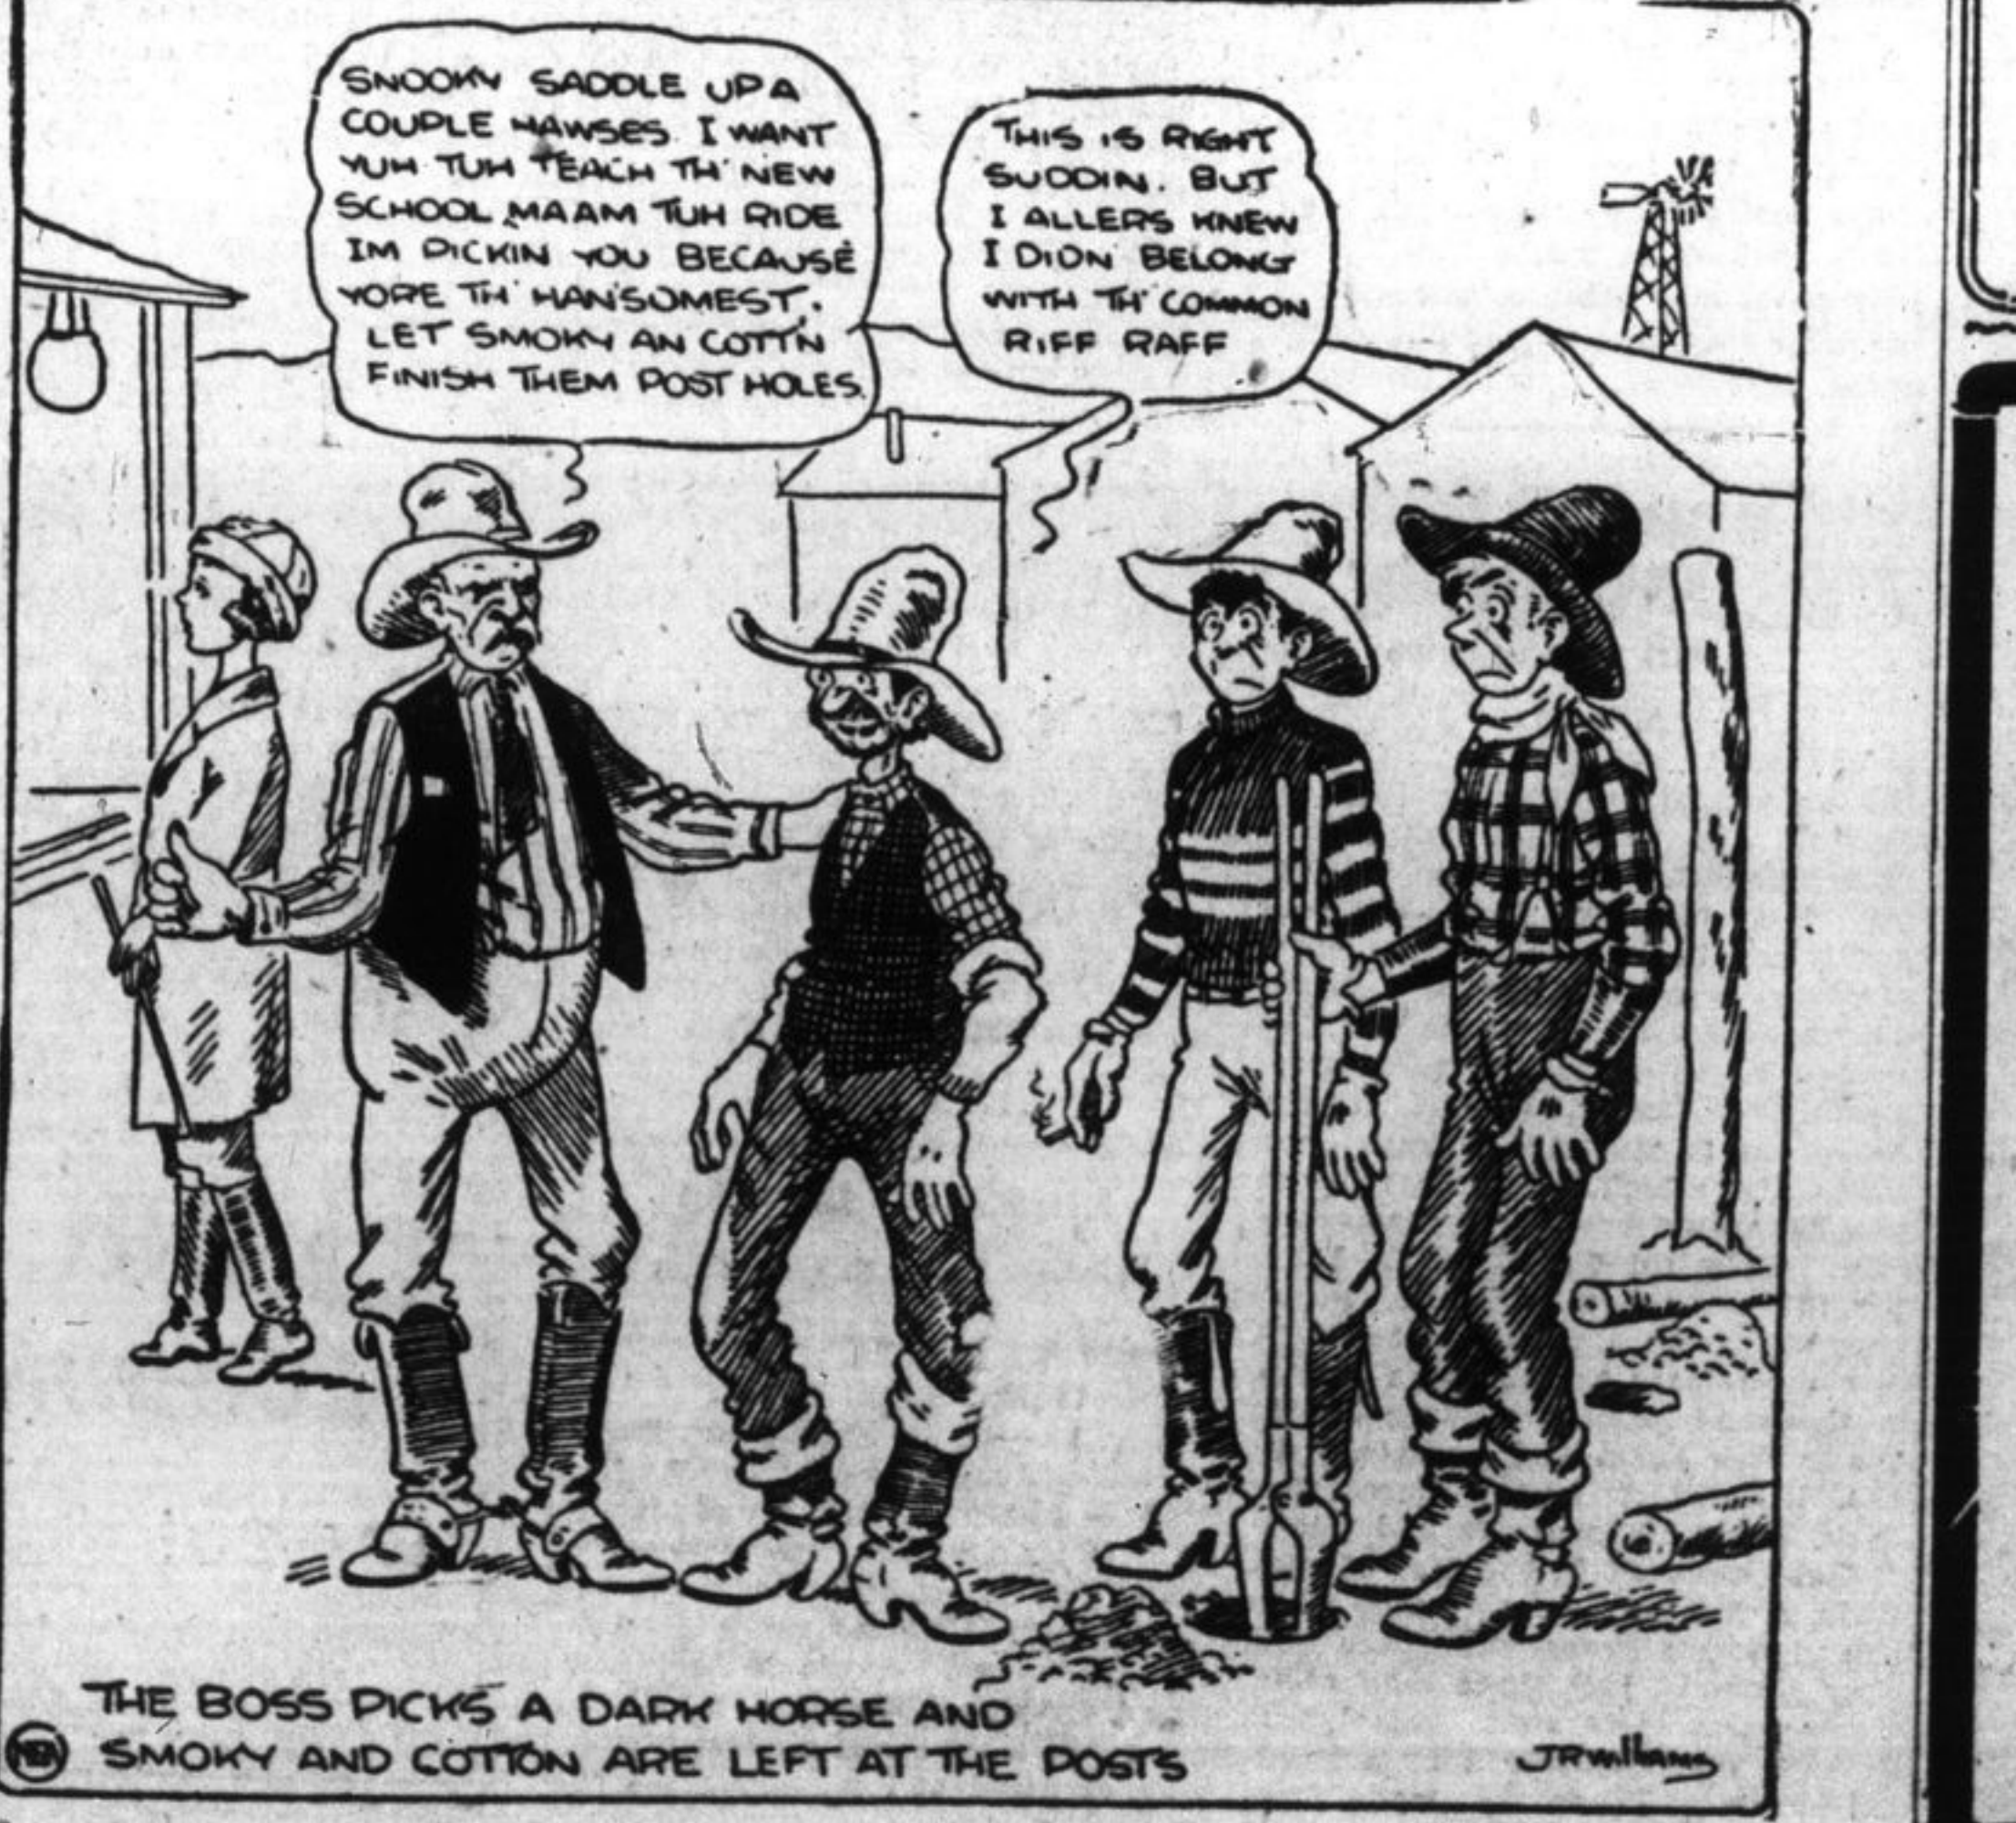

By the World's Best Tailors.
Suits of this character tailored by The House of Stone, whom we represent, are designed by experts who are thoroughly informed as to what the world's well-dressed men are wearing. The design on which so much depends is always artistically and fashionably correct. The fabrics in such suits are highest grade Woolens produced by the best English mills. But the makers regard even these superior weaves as "Raw Material" and closely inspect them and treat them in various ways before making up. In proportioning the suits the designers study a mass of data regarding the measurements of thousands of men. The result is that you get a suit which fits as a gentleman's suit should; absolutely right and prices, too, are particularly inviting to the man whose clothing purchases must come within well-defined limits of moderation. Suits made to measure from \$25.00 up. May we have the pleasure; hundreds of samples to choose from. The Lion Clothing Co.
