MILBURN'S Heart and Nerve Pills

Miss Bertha Charrette, Regina, Sask., writes:—"I have had a lot of trouble lately, with what I thought was heart trouble, and after any unusual exertion I always felt sick. My doctor advised a complete rest and change, but this I was unable to take. I became interested in Milburn's Heart and Nerve Pills, so started taking them. I have now taken three boxes and am so much improved I can go about my daily work without feeling any after ill effects, and have not had any weak or dizzy spells for some time. Your medicine has done me more good than anything I have ever taken, and I will gladly recommend Milburn's Heart and Nerve Pills to any woman who is weak and run down."
Price 50c. per box at all dealers; or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

How to Keep a Child Healthy
A GENERATION ago parents thought that sickness was a part of a child's life, but we know better now. The secret is in the food the mother allows the child to eat, and in watching that elimination occurs regularly two or three times a day. Mrs. W. E. Mar- geson, Centerville, N. S., and Mrs. Pratt, 45 Gillson Ave., Run- nymede, Toronto, always keep a bottle of Dr. Caldwell's Laxative Syrup Pepsin in the house, ready for use, and avoid many of the ills to which children are subject.

A Substitute for Physics
Dr. Caldwell's Laxative Syrup Pepsin is a scientific compound of Egyptian senna with pepsin and suitable aromatics. The formula is on every package. You will find you do not have to force children to take it, and it is much better for them than castor oil, calomel or cool-tar druggists' phenolphthalein even if covered with sugar or chocolate. Laxative Syrup Pepsin is mild and gentle in action and your child will have an easy passage without griping or strain. It does not contain narcotics, and you can give it with absolute safety to an infant at the breast.

"Magic" in a Teaspoonful
Every store that sells medicines sells Dr. Caldwell's Laxative Syrup Pepsin, and the cost is less than a cent a dose. Give half a teaspoonful to any ailing baby or child at night when you put it to bed and you will find a happy, laughing youngster in the morning. Take Laxative Syrup Pepsin yourself when constipated, and give it to any member of the family young or old, for any ailment due to con- stipation, such as biliousness, head- ache, lack of appetite, sleeplessness, bad breath, cankers, fever sores, indigestion, and to break up fevers and colds. Stop that first sneeze or snuffle and you will have a healthy winter.
