AMUSEMENTS What the Press Agents Say About Coming Attractions

"After Six Days." Papers all over the country are enthusiastic in their praises of the great film production "After Six Days," which opens at the Grand Opera House this evening and will continue until Saturday evening with a matinee each day. The basis of the film, nothing less than the Old Testament of the Bible, the splendor and care with which it was produced and the dignity with which it is presented, cannot fail to impress, even before actually seeing the picture, and that certainly lives up to expectations. Few of the people of Kingston who admire a really fine presentation will miss this attraction.

NORMA TALMADGE HAS GREAT ROLE

Fascinates as Arabian Dancer in "The Song of Love." One of the most fascinating and entertaining stories which we have ever seen is "The Song of Love," starring the magnetic Norma Talmadge, and it would be difficult to visualize a role more fitting for the star. It is one of the finest and most artistic performances to her credit. In this First National picture, which was produced by Joseph M. Schenck, Miss Talmadge plays the part of an Arabian dancing girl who becomes the centre of devious intrigues and conspiracies. She is the main attraction in the tavern of her uncle, and news of her charm of face and figure and her pulse-quickenng dancing drew many from far and near.

Falling in love with a stranger, she discovers too late that he is a spy, but she finds that love is stronger than hate and racial pride. A new Norma! Those who watched the making of the love scenes between Norma Talmadge and Joseph Schildkraut witnessed a cinematic sensation. Norma, as a half-barbaric Arabian girl of primitive emotions, fairly swept the fiery Schildkraut of his feet with the intensity of her dramatic work. The picture will be shown at the Capitol theatre for three days, starting to-day. Joseph Schildkraut, idol of feminine theatregoers of two continents, heads the supporting cast. Condy and McGowan, the Irish nightingales, in "Bits of Harmony," offer a vaudeville act of the highest quality.

THRILLING PROGRAMME AT THE STRAND

Realism combined with dramatic acting and strength of plot make the Fox screen version of "Capit's Fireman," which opens at the Strand to-day one of the best thrillers ever shown in this city. Charles Jones performs even better than he does in his usual Western part. On the same bill will be shown the final round of "Fighting Blood" 1st series, making up a programme that is a veritable feast of thrills.

FELL FROM A BARN; INJURIES CAUSED DEATH Edward Ducett the Victim of a Sad Accident Near Verona.

Following injuries received when he fell from his barn on Monday night, Edward Ducett, about thirty years of age, a prominent farmer living about two miles from Verona, died on Wednesday morning about eleven o'clock. Deceased was working in his barn when he had the misfortune to fall a distance of about twelve feet and suffered fatal injuries. He is survived by his wife and three grown-up children. The late Mr. Ducett was well known in that district, having resided there for many years.

The Kiwanis Club. The Kiwanis Club has invited the members of the Kingston Board of Trade to its luncheon on Monday evening next, May 26th, in the Hotel Frontenac, to hear H. M. Tory, D. Sc., LL.D., F.R.S.C., chairman of the advisory committee on scientific and industrial research and secretary of the Canadian Institution of Chemical Engineers, which is holding a convention here on Tuesday next. Other Kingston clubs are also being invited.

Visiting at Rockport. Rockport, May 20.—Dr. and Mrs. John Fitzsimmons, New York, are visiting the former's parents here for a few days. Mrs. I. F. Taylor, New York, spent the week-end at her summer residence on Club Island. William Gilbert is at his summer home. The farmers of this district have been greatly delayed with their spring work on account of rain but are now busy again.

Driver Escapes Injury. The car driven by I. L. Benn, Long Lake, was struck by a C.P.R. engine at the Frontenac Road crossing near Parham on Wednesday. The car was smashed to pieces but happily Mr. Benn was found unharmed.

Extended Another Week. The sale of oranges, two dozen for 25c, last lot of Naveis received today at Carnovsky's. Total bank clearings at Kingston for the week ending May 22, \$692,922.42; corresponding week last year, \$489,575.41. "Dow's Malt Extract." KINGSTON BLANKED OSHAWA IN OPENER

New Battery—Compeau and Cherry Starred in Close Battle.

The Kingston C.O.B.L. team lived up to home expectations and surprised outside critics when it downed Oshawa 1-0 at the Fair Grounds here last night and started off the season with a win in the opening game. Strange to say, it was a pitcher's battle with Kelly and Dainty fighting it out and each allowing only five hits. Both pitched good ball but the Kingston lad had it over the pride of the motor town as he issued no passes and was walloped for only off singles. Dainty struck out eleven to Kelly's seven but he was nipped for a brace of two-baggers and when the hits came they were in a row. Rickman and Tyson, the rival catchers, worked their men well and attended to business in fine shape which looked like mid-season stuff. There was a record crowd out in spite of the chilling weather and they received their money's worth without a doubt. Kingston's only run came in the sixth when Cherry started it off with a double and singled by Daley and Compeau kept the ball rolling long enough to score a well-earned run. Oshawa tried hard to come back but could not make the grade as Kelly held steady and got air-tight support.

With the showing made by the team last night they should go a long way in the schedule this year. Oshawa, in exhibition games this year, defeated Toronto Royals and showed well alongside the Osters. Last season the motor town team defeated Belleville on the field though they lost out on Belleville's protest. The younger members of the team all justified their promotion in the opening game. Compeau was the outstanding star of the game. He secured the first hit of the season for the team, made a brilliant running catch at a critical moment in the eighth and broke up a dangerous looking rally in the ninth when he grabbed Tyson's liner and doubled on Roddick.

Cherry was the heavy-hitter of the game, getting two two-base hits of Dainty's delivery and filling his job as cleanup man pretty well for the opening game. On first Purvis looked after his job without error. Batstone has not hit his pace yet. He got one poor throw out of his system though it cost him an error. At the bat he worked Dainty for a free ticket and failed to connect on other appearances. Teppell was a little light, as is natural for early season but should spruce up later on. Gallagher, replacing Teppell in right field, had three good catches to his credit and at least two of them needed hard racing. Bert Daley, playing in left field, looked mighty good. He had two flosers to grab off and drove in the winning run with the cleanest hit of the game, a low drive through centre. Bill Evans has not got the slant of second base down fine yet but should pick it up quickly. It is a hard job to change positions suddenly and play perfect ball.

Roddick, the left fielder, did the heavy hitting for the visitors getting two hits from Kelly. Only once did two hits in succession get away from Oshawa bats. In the fifth Wilson and Fair singled one after the other but Kelly breezed the next batter and the infield picked two runners off on the sacks. For the weather and the opener it was splendid baseball and the crowd present was well pleased. The team takes the road on Saturday if the arrangements hold good, and with the form shown as a starter should keep travelling without many setbacks. Playing that class of baseball they will have the fans behind them through any ups and downs this season.

He Had to Be Lassoed in Order to Be Brought to Shore. There was an exciting time in Portsmouth around noon on Wednesday when a patient from Rockwood hospital broke away and was only recaptured after a lively chase. Each morning at ten o'clock, when the weather is fine, there is an outing in which a walk is taken around the avenues of the grounds. While passing the Front Road during this walk, one patient, broke away and dashed madly down through the village. Attendants started in pursuit and when the pursued man saw them drawing near he jumped into the water of Hatteras Bay at the breakwater. Efforts to coax him out were fruitless and he must have been swimming around in the cold bay for twenty minutes. Finally a skiff put out and he was lassoed and brought to shore. A Rockwood hospital car returned him to the institution. Passersby were amazed at his resistance to the cold water. A normal person could not have stood it more than three or four minutes.

HB A Safe Investment

for \$500 or \$5,000

The Bonds (First Mortgage) of a company that has paid dividends on its stock (junior security) for 32 years without a break can be rightly classed as a seasoned investment.

It is the type of investment for which the watchful investor keeps out a weather-eye with a view to strengthening his holdings. Such an investment is to-day available to you.

DESERVEDLY ENJOYS A HIGH INVESTMENT RATING

The First Mortgage Bonds are a direct lien on all assets of an old established, successful Canadian company. A conservative appraisal gives net assets of over five times the amount of the bond issue. Earnings for the 6-year period ending September 30, 1923, were equivalent to over seven times interest requirements.

CAUSE OF MISSIONS

Presented Before the Ontario Synod by Rev. W. M. Trivett of China.

An excellent presentation of the cause of foreign missions was made by Rev. W. M. Trivett, missionary on furlough from Honan, China, in giving the address at the synod missionary service in St. James' Hall Wednesday night.

People in Canada had told him, said the speaker, that they did not believe in foreign missions, because the Chinese had their "beautiful" primitive religions. Yes, he went on, they had the beautiful religion that led the blind beggar die in their streets and throw the dead body over the walls to be eaten by dogs. Fifteen hundred years ago the British race were like the Chinese, held in bondage by superstitious and evil spirits. Missionaries with the Gospel of Christ set them free. The Chinese had the same right to that story of God's love. The speaker gave an interesting description of the Chinese attitude of mind, how he admired wisdom and how he believed he would be greater than the westerner when he had imbibed the latter's education. But, said the speaker, a training of the soul must go along with this. The one bright spot in China's political chaos was the Christian Gen. Fung with 9,000 Christians among his 5,000 troops.

He described the good work being done by the Christian schools "where we can teach Christianity which you can't do in Canada," a statement which drew applause, as did many other of his remarks. Every Christian in China helps to preach and propagate the gospel. If only that could be said of the church in Canada.
