Young Lady Gains 15 Pounds

Miss O'Brien, of Peterboro, Finds Wonderful Relief From Digestive Disorders in Dreco, the Famous Herb and Root Remedy. Now Has Fine Appetite and Sleeps Soundly.

Mrs. D. O'Brien, of 621 St. George Street, Peterboro, tells how Dreco is helping her 20 year old daughter regain her wanted health and spirits, by correcting digestive ailments that were making life a misery.

"For about a year, my daughter, Marguerite, has been suffering from stomach trouble," says Mrs. O'Brien. "Gas would form on her stomach and she would have terrible bilious and dizzy spells. Her nerves were very bad and her whole left side would tremble. She had a very poor appetite and, in fact, was afraid to eat because of the suffering afterwards."

"She lost weight rapidly and although I must have spent hundreds of dollars seeking relief for her, it was only when we discovered Dreco that improvement commenced."

"Three bottles of this grand medicine have done wonders for her. She no longer has any trouble with her stomach, has a fine appetite and sleeps soundly at nights. Dreco has built up her entire system and she has gained fifteen pounds in weight since starting with it."

Dreco is a reliable tonic and corrective made from the pure extracts of herbs, roots, bark and leaves. It contains no mercury, potash or habit forming drugs. Everybody needs just such a tonic to keep their system in proper shape.

Dreco is being specially introduced in Kingston by Mahood's Drug Store. It is also sold as follows: Napanee, Wallace & Co.; Gananoque, W. E. Austin, and by a good druggist everywhere.
