### AN ASSISTANT NURSE IN THE PUBLIC SCHOOLS

Miss Bessie Wilson, Kingston, Has Been Appointed to The Position.

Miss Bessie Wilson, 73 Lower Alfred street, has been appointed assistant nurse in the public schools, her duties to commence at the fall term. Her appointment was made at a meeting of the management committee of the Board of Education held on Thursday afternoon.

It will be recalled that the question of securing a second nurse was discussed at the last meeting of the board, when it was decided to make the appointment.

The appointment of Miss Wilson is regarded as a most favorable one, as she is well qualified in every way to take over the duties. Miss Wilson is a graduate of the Kingston General hospital and also passed her examinations for school nursing, having taken a course during the summer months of 1923. She also took a course in Victorian Order nursing and served in that work for two years in Kingston, and has had considerable experience in dealing with children of school age. During her training with the Victorian Order, Miss Wilson was required to spend several weeks with the school nurse of Ottawa, in close observation work. In connection with this course she also had the opportunity of seeing the equipment of some of the best schools in Toronto.

### UNIQUE EVENT STAGED ON NELSON STREET

Block Dancing Was Enjoyed By the Community on Thursday Night.

A rather unique and delightful affair was staged on Thursday evening by the residents of Nelson street, living between Brock and Mack street. The pavement having been hosed and swept, and sprinkled with corn meal, dancing was made enjoyable. An orchestra from the community provided the music from the verandah of S. A. Truscott, and W. H. Dalby. A space nearly half of the block was roped off and fully one hundred couples, both old and young, enjoyed themselves for two hours.

No doubt this enterprising section of the city has started something which will be followed by other sections during the summer months. A very large crowd enjoyed themselves watching the dancers.
