"SKOFFLAW" STATUE SQUELOHED

This is the statue of Father Knickerbocker that caused all the trouble. Placed above the Hotel Astor as a welcome sign to Democratic Convention visitors in New York it showed the traditional figure holding a huge stein of beer—real, frothy beer, such as symbolized hospitality in the Knickerbocker era. But forms of hospitality change and so thousands were shouting "skofflaw" as they passed the statue. It was declared a symbol of wet revolt. Father Knickerbocker said he would rather lose his good right arm than his stein. And so they sawed off his arm, and in place of the stein now stands a formal "Welcome"—as the picture shows.

Every Month

One Hundred Dollars Guaranteed Every Month of Her Life By The Confederation Life Association

FOUR years ago, an Ontario business man, being well, strong and insurable, took out a Monthly Income Policy in the Confederation Life Association.

Two and a half years afterwards, he died. For the past eighteen months his widow has been receiving, regularly each month a cheque for \$100.00.

This income is guaranteed to her for life. If she should die before she has received 240 monthly instalments, that is, before 20 years are up, the remainder of the 240 instalments will be paid to her heirs.

This monthly income is not an isolated example. Many others are receiving monthly cheques—some for more—some for less.

If you would like to provide an income such as this for your wife, mother, or other beneficiary, or if you would provide such an income **FOR YOURSELF** for life after a term of years, write for particulars and find out for how small a yearly deposit you can receive this and many other benefits.
