Floating Specks Before The Eyes Means Liver Trouble

When specks start to float before the eyes, when everything seems to turn black for a few seconds and you feel as if you were going to faint, you can rest assured that your liver is not working properly.

The essential thing to do in all cases where the liver is slow, lazy or torpid, is to stir it up by the use of Milburn's Laxa-Liver Pills and clear away the accumulated mass of waste and poisonous matter from the system.

Mr. Chas. Ayland, Frankville, Ont., writes: "I used to be awfully bothered with floating specks before my eyes, headaches and sickness to my stomach. I took just half a vial of your Milburn's Laxa-Liver Pills and ever since I have felt as well as I ever did. Now I always keep them on hand."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Mrs. Manly Valteau Passed Away.
Death came suddenly to Mrs. Manly Valteau, Trenton, Sunday evening she was out motoring with her husband, and Mr. and Mrs. A. Conkell. She was at the wheel, and was suddenly seized with an attack of heart trouble, and expired almost instantly. Mr. Valteau and Mr. Conkell were in the rear seat, and the latter reached forward and shut off the gas and kept the car going straight. Mrs. Valteau was taken into Mr. Conkell's home, but life was extinct. The party had returned only a short time before from a visit at Corey Valteau's, near Warwick. Although Mrs. Valteau had been in good health, she had suffered from a bad attack of heart trouble only two weeks previous. The late Mrs. Valteau was in her seventieth year, and besides her husband, she is survived by two sons; Frank Valteau, Trenton Dairy Company, Corey Valteau, of Northumberland county, and one daughter, Mrs. Ray, Timmins.

RHEUMATISM GONE, SAYS MONTREAL HOTEL MAN

F. A. Mongeau Tells How He Recovered Strength After Eight Years of Rheumatism.

F. A. Mongeau, popular night clerk at the Prince of Wales Hotel, 17 and 19 McGill College Avenue, Montreal, Canada, lends his name to further the cause of Tanlac, the treatment that has proved of such great benefit to him.

"After all Tanlac has done for me," said Mr. Mongeau, "I just feel like praising it to everybody. Eight years of muscular rheumatism had just about made a cripple of me. I got to where I simply had to limp around on a cane. My nerves became affected, my sleep unsteady and I felt completely knocked out.

"Six bottles of Tanlac, taken eight months ago, made a new man of me and I have had no further trouble with rheumatism, or my health, since. My nerves are steady as a die, I sleep fine and feel the same way. Anyone wanting to know of me what Tanlac will do, just phone me here at the hotel."
