KINGSTON AND DISTRICT

A Transfer Made.
Mr. Foote, of the Forestry office, Tweed, has been transferred to Sudbury and Mr. Crosby has taken his place.

Seizing Unlicensed Radio Sets.
Unlicensed radio sets are being seized by the government radio branch. Four were seized in Ottawa Saturday and unlicensed radios are to be seized similarly all over the dominion. There are many unlicensed radio sets in Kingston.

Given a Purse.
Before leaving Pembroke for Kingston, to take over the pastorate of Queen street Methodist church, Rev. W. H. Raney was presented with a well-filled purse by the members of the congregation, the gift being accompanied by the best wishes of all the members.

Here From Detroit.
George C. Murray, commissioner of public welfare, City of Highland Park, Detroit, Mich., is spending a few days in the city the guest of his brother-in-law, Mr. J. S. Johnston. Mr. Murray and the members of his party made the trip here by automobile.

Had a Narrow Shave.
While engaged at his work at G. W. Clark's mill at Lost Channel, Herbert Wagar had the misfortune to get caught in a pulley. It would have probably cost him his life but for the presence of mind of another employee who cut the rope, releasing him. As it was, he sustained a broken arm and some minor injuries.

Wonderful Strawberries.
There are strawberries and strawberries, but those offered by Mrs. John J. Hall, Wolfe Island, on Saturday's market "take the cake." Without doubt they are the largest berries offered on the market, they sold at 25 cents a box. They are clean and most delicious, as a certain Whig reporter can testify.

Welcomed Rev. J. D. Ellis.
Rev. John D. Ellis, B.A., D.D., recently appointed to the pastorate of the Pembroke Methodist church, assumed his duties here on Sunday. In welcoming Rev. Mr. Ellis, the Methodist congregation received one of

Pembroke's own sons, and a man who has made a mark as a preacher of the gospel in his forty-two years of ministry.

Minister Coming East.
Rev. M. F. Boudreau, a former minister of the Westport Presbyterian church, recently preached his farewell sermon at LaFleche and Melval, Sask., and is coming east to settle. Rev. Mr. Boudreau has given nearly forty-seven years of his life as an ordained minister of the Presbyterian church, having been set apart to the work of the ministry on August 8th, 1877, by the presbytery of Quebec.

Visited Kemptville.
A party of thirty-five junior farmers and members of the Kingston Holstein Breeders' Association spent Friday at the big celebration at Kemptville. They travelled by car, leaving Kingston at 7 a.m., and visiting the Hon. A. C. Hardy's herd of Holsteins enroute. Lunch was served them by the Kemptville Agricultural school and in the afternoon they heard the addresses by Premier Ferguson and others, took part in the sports and afterwards made a trip around the school farm. They returned to the city the same evening. A. W. Sirett was a member of the party.

The Grant Out Off.
The Lanark House of Refuge has had its government per diem allowance cut off. The county council urged the retention of the rate but the provincial secretary said, "nothing doing." Other houses of refuge were similarly treated.

Events at Yacht Club.
Other events planned at the Thousand Island Yacht club include the tennis tournament which is scheduled for July 28th to Aug. 2nd, which will be followed by the tennis ball, at which time the commodore will present the tennis trophies. Monday evening, July 7th, the first showing of moving pictures will be held in the yacht club ball room.

Late Alfred Huff.
The death occurred at Peterboro on June 29th, of Mr. Albert Huff, at the home of his daughter, Mrs. F. Hillier. Deceased was sixty-five years of age and passed away quite suddenly. He was well-known in Kingston and Napanee and leaves to mourn his loss, two daughters, Mrs. Hillier, Peterboro, and Mrs. Wilson, Kingston; also three sons, L. Huff, Fredericksburg; Joseph, Whitby, and John, Kingston.

Toronto Boy Took Prize.
Mrs. James K. Hackett, who is expected at Clayton, N.Y., soon to spend the remainder of the summer at Zenda Island, on Friday officiated at the presentation of a prize to a Toronto boy for the best design for an English national theatre. The prize, one of \$250 was offered by Mr. Hackett. At the presentation Mrs. Hackett read a cablegram from her husband, sent from Clayton. The presentation took place at the British Empire Exposition.

Proachers at the Park.
The auditorium services at Thousand Island Park, N.Y., opened the first Sunday in July and Rev. Dr. Harry C. Kline, Brooklyn, had charge of the services that day. Other speakers who will appear at the tabernacle during the summer are Bishop Charles L. Mead, Denver, Kansas, who is booked for July 27th, and Bishop Ernest L. Waldorf, Kansas, who will preach the first Sunday in August. Dr. Tall Eisen Morgan is in charge of the religious work at the park.

At Cheese Boards.
At the meeting of the Picton board there were 1,378 boxes of colored cheese offered, of which 1,125 boxes sold at 16 1-8 cents per pound, and the balance at 16 1-16 cents per pound.
At the cheese board at Iroquois there were 770 boxes boarded, of which 240 boxes were colored and 530 boxes white. All sold at 15 5-8 cents per pound.
At the Perth cheese board there were 1,832 boxes offered; 1,712 sold at 15 3-4 cents, balance unsold.

Spoke at Hastings.
G. G. Publow, Kingston, chief dairy instructor for Eastern Ontario, was the chief speaker at a meeting of the patrons of the Ormond cheese factory. In the course of his remarks Mr. Publow said that ninety per cent. of the milk from cows was unfit for the cheese process, even from good cows. At certain seasons it is impossible to make good cheese. This year has been very favorable owing to the cool weather and nights. Weeds make weedy flavors in cheese as also do dandelions but these flavors may be taken out in the process of making.

Many Tourists Are Now at the Opinelcon Hotel.
Chaffey's Locks, July 3.—Many of the guests at The Opinelcon Hotel report great fishing and excellent sport. The many shores around the lakes are dotted with tents and campers. The government steamer Loretta, with a party on board, spent the first of July here, leaving for Ottawa early Wednesday morning. The government carpenters are engaged in building a new wharf which will add to the accommodation and beauty of this place.

Dr. M. R. Kerr is on the sick list, but is improving. Miss Ethel Fleming, Detroit, Mich., spent a couple of weeks with her parents here. Dr. John E. Fleming has returned from Columbus, Ohio, where he has been writing on the Ohio State Board of Dental examinations. W. A. Fleming and J. A. Park, Cleveland, Ohio, spent a couple of weeks here, returning on Saturday last. Mrs. C. Hamilton, Elgin; Mrs. M. Joyce, Kingston; Mrs. L. Joyce, Brockville, are visiting their many relatives and friends here. Mrs. J. E. O'Brien and daughter, Montreal, are occupying their summer cottage here. V. Berlin has gone to Wilson, N.Y., to attend the wedding of his daughter. Mr. and Mrs. Helm, Youngstown, Ohio, arrived to spend the summer months at their cottage here.

Sweet language will multiply friends, and a fair-speaking tongue will increase kind greetings. To be silent is but a small virtue, but it is a serious fault to reveal secrets. Time often heals what reason cannot.
