FROM DESERONTO TOWN

Mr. Chisholm and Family Have Left for Stayner, Ont. —Notes of Interest.

Deseronto, July 7.—Ross Rendell, Miss Helen and Mrs. Clinton Rendell motored to Toronto on Saturday to spend a few days. Mr. Rendell intends visiting Miss Gaynar and friends in Fenelon Falls before returning. Mrs. Lillian Woodstock accompanied them as far as Port Hope, where she will visit her sister, Mrs. Fred Solmes.

Miss Zita Blackburn, after spending the past two weeks under the parental roof, left on Friday to meet her American friends at Kingston, with whom she will take in the Thousand Island boat trip before returning to her home in Rochester, N.Y.

C. H. German has returned from Brighton, Ont., where he had been visiting his sister-in-law. Since returning he was sorry to report Mr. German has been quite seriously ill. His many friends hope for his speedy recovery.

Charles Stewart, of the Stewart Hotel, has been seriously ill but we are glad to report he is on the way to recovery.

Mr. and Mrs. Elmer Atkins, of Rochester, N.Y., are spending a short vacation with Mrs. Atkins' mother, Mrs. Frank Covert, Fourth street.

Mrs. Eva Watson is at the home of her parents, Mr. and Mrs. D. Kingsbury, East Main street, where she will make her home in the future. Mrs. Long, of Napanee, is spending a few days with C. G. German, East Thomas street.

Mr. Chisholm and family, of the Montreal Bank, left Saturday for Stayner, Ont., where they will make their home in the future. During their short stay in Deseronto, Mr. Chisholm and his family have made many friends and will be greatly missed in the community, especially in the Church of the Redeemer, where Mrs. Chisholm lent untiringly her greatly appreciated voice to the choir, and Mr. Chisholm never refused his talent at the organ, while the children, Misses Margaret and Frances, and Masters Andrew, played a prominent part in the Sunday school work. Master Andrew being secretary of the Young People's society. The best wishes of these many friends go with them in their new home in Stayner.

Mr. and Mrs. Charles Leonard, of Hartington, Ont., returned to their home on Friday evening after spending a short holiday with Mr. and Mrs. Carscallen, East Thomas street. Miss Clara Lidster, of Belleville, is spending the week-end with her sister, Miss Margaret Lidster, who is employed as telegraph operator at Malley's Drug store. The bass season is open now and Deseronto's many fishermen are making good use of the opportunity. The silver bass has been quite a novelty this year, having never been seen so plentiful in the Bay of Quinte.

A gang of men is at work on Deseronto's Main street, having one block yet to finish in the construction of a very fine road. This will add greatly to the town which, we hope, soon will hold a prominent place on the map of old Ontario.

Tourists still continue their steady tour to and fro, through town, many stopping to enjoy the fishing and boating sports the beautiful bay offers them.

The strawberries are quite plentiful in the surrounding country. Berries are selling at three boxes for twenty-five cents.

Samuel Thomas, of the Canadian National Railway, is at his home, East Main street, for the week-end. Thomas (Tommy) Maxwell, who has been suffering from a bad attack of blood poison in his hand, we are glad to report, is able to be around again.

At the Church of the Redeemer, there was a large attendance at Preparatory service on Friday evening. Rev. W. H. Barraclough of the First church, Lindsay, preached in the Methodist church, both morning and evening. The Deseronto Lodge of the Orange Order marched to the morning service. The Rev. James Hutton, incumbent of Selby, will preach in St. Mark's church on Sunday evening.

W. C. Mitchell, who has been appointed manager of the Bank of Montreal branch at Deseronto arrived in Deseronto on Friday. Mr. Mitchell comes from Toronto, where he has been on the staff of the superintendent's department, Ontario Division.

Last Thursday morning on Main street, a mother squirrel taught her four baby squirrels to walk the telephone cables some twenty feet from the ground. This was quite a spectacular sight to the many people who watched below.

A man who will not flee will make his foes flee.
