### To The Wives and Mothers of Canada

There are in our Dominion one hundred and eighty thousand widowed women, of whom doubtless, many on the death of their husbands, were left on their own resources.

And in addition there were,

doubtless, in numerous cases children left to be supported and educated. Fortunate itdeed were those women whose responsibilities were lightened by life insurance.

The Mutual is strictly a Canadian Company, issuing ideal home protection policies. We would like to see a MUTUAL Policy in every Canadian home.
