Mounted in
Rings,
Bar Pins,
or
Necklets

Your desire will be met from our stock. The size of Diamond can be chosen according to price desired.

"B" Battery-less Circuits

Of late there has been quite a furor created in radio circles by a foreign announcement that it is now possible to do away with "B" batteries in radio receivers. The purpose of our article to-day is to caution the reader against becoming too enthusiastic over the alleged invention.

In the first place, the circuit does not do away with the plate battery, as is commonly supposed. What is actually done is to use so low a plate voltage that it is possible to obtain the desired potential from the "A" battery. This is not new, and has been used before, but since we have lowered the available power supply, we have also lowered the efficiency and the output, and for this reason it has not been very generally adopted. The foreign circuit makes use of a four-element tube, but this is not strictly necessary. The ordinary UV-201-A will detect and even oscillate with but six volts on the plate, and under certain conditions will oscillate and detect when no plate voltage other than that secured from the "A" battery is used, as in Fig. 1.

The four-element tube is not new. The second grid, which is used as a "puller" to increase the electron flow from the filament to the plate, was invented and used for this exact purpose many years ago. Some tubes with three grids have been experimented with by the big electrical laboratories. The champions of the foreign circuit maintain that by using this extra "puller" grid they can

baseball results.

ORANGE CELEBRATION.

The Day Was Pleasantly Spent at Harlowe.
Harlowe, July 14.—The Twelfth of July celebration, held in John Miller's grove, was a grand success. About six hundred took dinner and nearly as many took supper. The young people enjoyed the races and other amusements as did the older ones.

Thomas Connor, who has been very ill, is improving very slowly. Mr. and Mrs. Clinton Bud, West Huntingdon, and Frank Palmer, Belleville, spent Sunday with Mr. and Mrs. J. White, and had the misfortune to break the axle of their car on their way home. Mr. and Mrs. Charlie Hiller spent Saturday and Sunday with Mr. and Mrs. Walter Scott.

Rev. Mr. Beck had service in the Methodist church on Sunday afternoon. Mrs. John Thompson, who had to be taken to the hospital for an operation, has returned home and is improving nicely. Mrs. Mammie Smith and Miss Viola were the guests of Miss Silva Gray over Sunday. Mr. and Mrs. C. C. Thompson passed through here on Sunday enroute to Sharbot Lake. Mrs. Frank Good is with her son, Wesley Good.

Death of Edward Warren.

Oso Station, July 14.—The farmers around here have started their haying and report a fairly good crop. A large crowd of people from around here attended the 12th of July celebration in Perth. The friends and neighbors of Edward Warren were sorry to hear of his death on Tuesday last. The funeral service took place on Thursday afternoon in Christ church, Oso. The people who attended from a distance were Arthur Gledhill, Timmins; Harry and Joseph Warren, Perth; Mr. and Mrs. C. Bell, Balderson; Mrs. George Bertram and Melville, Crow Lake; Mr. and Mrs. Edward Weir, Trenton; Mr. and Mrs. John Weir, Wolfe Island; Alex. Weir, Smith's Falls.

Visitors are Mrs. Edward Warren, William and John, spent Sunday at David Webster's; Mr. and Mrs. Joseph Warren and James spent Sunday at R. H. Bourk's; Mrs. Robert Carr, Dora and Philip, at R. H. Bourk's; Mr. and Mrs. John Crawford and family spent Sunday at Mr. Summer's; David Webster spent Saturday evening at Joseph Warren's; Mr. and Mrs. Alexander McDonnell and Lulu Conboy at William Conboy's; Joseph Bourk spent Sunday at R. H. Bourk's. The Sunday school pupils are preparing for a picnic.

Forest has started the new water-works, the cause of several elections, by the sinking of a test well.

Rev. O. C. Van Loon, Detroit pastor, found branded with the letters KKK, is an old Brant boy and has many friends in the county.

Pope Pius XI has appointed Rev. Alfred Langlois, titular Bishop of Titopolis, as auxiliary Bishop of Quebec.
