**FOXES MAKE RAID ON WOLFE ISLAND HENS**  
**READY**

Farmers Have Suffered Very Severe Losses the Past Few Weeks.

Wolfe Island, July 29.—Poultry raisers on the island have suffered very severe losses these last few weeks through raids from foxes which have become very numerous as many have lost as high as fifty and seventy-five turkeys in a single night. Some effort should be made to check the inroads of foxes, as it is most discouraging to breeders of prize fowl to go out some morning only to find their entire flock piled up dead around the fields.

There is at present a valuable silver fox at large on the island supposed to belong to an American fox farm and for whose capture a handsome reward is offered.

The farmers are in the midst of haying and report a good average crop. Grain, gardens and pasture look very promising, much in contrast to the conditions of last year owing to the long drought. The last of the island strawberries will be marketed this week and both in quality and quantity they are very superior fruit.

The young ladies who are selling tickets in aid of the picnic are working very hard to win the handsome upholstered chair, which has been kindly donated by the firm of James Reid, Kingston, to be given to the young lady selling the highest number.

Many from here will attend the circus in Kingston on Thursday.

J. D. Cosgrove is confined to the Hotel Dieu. His legion of friends hope for his speedy recovery as "Duff" has always served the island most faithfully in many capacities.

Miss Evelyn Finn, of the Hotel Dieu staff, has been spending a few weeks with her sisters here. Mrs. Barnes and son, Winston, Toronto, who have been here for some weeks, intend leaving in a few days on a camping trip through the Southern States.

Dr. A. A. Staley and family, Toronto, spent a short holiday at the Staley House.

Rev. Charles E. Baker left, on Saturday to take over his new duties or curate in Cornwall.

Fire of an unknown origin, on Saturday, completely destroyed the cheese factory known as the Rattray factory.

Hearty congratulations are extended to our many successful entrance candidates, particularly to John Mahoney, who secured honors, carrying off the highest marks on the island.

Mr. and Mrs. George Baker accompanied by Mr. Baker's mother, Mrs. R. Baker, left last Wednesday to motor to Syracuse, N. Y. Mrs. Baker's home, before returning to Detroit. They were also guests of Mr. and Mrs. H. J. Smith.

 Was a Successful Event at Morton Recently.  
 Morton, July 26.—Haying is in full swing and a good crop is reported. The recent rains have greatly improved the late grain, gardens and pastures. Strawberries have been very plentiful but raspberries and huckleberries are scarce.

**LOVE NOT ME FOR COMELY GRACE**

Love not me for comely grace,  
 For my pleasing eye or face,  
 Nor for any outward part,  
 No, nor for my constant heart,  
 For those may fail, or turn to  
 So thou and I shall sever;  
 Keep therefore a true woman's eye,  
 And love me still, but know not why,  
 So hast thou the same reason still  
 To doat upon me ever!
