Riverman Drowned. The second fatality to occur within the last few weeks on the Petawawa river, happened when a river driver named O'Brien, from Gaspé, Que., and employed by Gillies Bros., Braiside, fell into the water off a log and was washed away by the swift current. As yet the body has not been recovered.

Removed The Button. Alexander, the six-year-old son of Mr. and Mrs. Harry Wainman of the Hinks section, Renfrew, lost a little variety to life by swallowing a button. The button, which was a somewhat large one, at once began to give trouble. Local doctors being unable to afford relief the boy was taken to a specialist in Ottawa. After much difficulty there the button was removed.

Plank Hit Worker. An accident happened on the new power house job, at Campbellford, when Karl Stockloser was badly injured by a falling plank. Stockloser is a riveter forty years of age. The plank fell from a height of fifty feet. The man who let it drop yelled a warning, but too late to be of any use. Stockloser suffered three broken ribs, an injured back and probable internal injuries.

Nose Fractured. During the Perth-Smith's Falls ball game, a visiting player baited a low foul ball, the ball striking Arthur Thornton fair on the bridge of the nose, fracturing the bone and reducing the nose to a pulp. His nose bled profusely and although he suffered intense pain, he bore up with the true courage of a Boy Scout, Arthur being a prominent member of the Perth Boy Scouts. He was given medical attention immediately and is now recovering as rapidly as can be expected, although still under medical care. Arthur is a son of Mr. and Mrs. W. E. Thornton, Perth.

For two solid hours the performance of the Sparks Circus makes the spectator live again those joyous care-free days of the Land of Make-Believe, when we all had "Castles in Spain," which is the reason for its tremendous popularity among all classes and conditions of people wherever it is presented.

A scene of great pictorial beauty called "An Egyptian Fantasy," is the introductory number on the programme. With its harmony of colors, its lustre, brilliance and magnificence, it has been conceded to be the most entrancing spectacle and pageant ever presented under canvas. Taking part in it is a big chorus of pretty girls in gorgeous costumes, and there are beautiful thoroughbred horses, sage elephants, insolent camels, and gentle llamas, in trappings and accoutrements of dazzling splendor.

Immediately following the opening number comes a whirlpool of amusement that fills the spectator with delight. In rapid succession novelty follows novelty in the three rings, on the two stages, and on the hippodrome track. Besides, there are the thrilling displays in the air. In addition, there is a troupe of clowns that have won fame in the United States for their wit, burlesques and travesties.

In the menagerie will be found a splendid collection of the most ferocious beasts of the jungles of India and Africa, and there are strange-looking animals from South America. A visit to the menagerie of the Sparks Circus affords unusual opportunities for practical studies in natural history.

Children under nine years of age are admitted for thirty cents. Seats may be bought at the "Best" drug store for the same price as at the show grounds.

AT QUEEN'S SUMMER SCHOOL. The Annual Picnic on Monday Was A Great Success. Two hundred and sixty-six Summer School students set sail on the Steamer Brockville Monday forenoon at 10 o'clock for the School's biggest social event, the annual picnic.

The boat had been chartered for the day and it carried them wherever they wished. At 12.30 it docked at an island off Grenadier Island, where lunch was enjoyed. At 1.30 it set out again and after calling at Alexandria Bay for clearance it let the young people off at Thousand Island Park for the object of their trip.

A ball game between the married and single men was the first item. The married men won. Then came a ball-game between the bobbed girls and the otherwise. This exciting number over, dancing began in the pavilion and continued till 5.15, music being provided by the Bluebird Orchestra. Then a delightful supper was served by the committee and at 8.15 all embarked to reach the city at 9 p.m. The students were very glad to

work of the Children's Aid Society. It is not to be a permanent place of abode, but merely a place where children can be taken to and cared for until a permanent home can be found for them. The object is a most worthy one and reflects credit on the promoters.

Back In a Revered Church. To have worked in Perth at an early age, converted at fifteen at an evangelistic meeting in Asbury Methodist Church, studied for the ministry, became a distinguished divine in Winnipeg, and then returned to Perth to preach in the church where he was converted, has been the unique experience of Rev. E. F. Church, B.A., nephew of Mrs. William Free, Perth. Rev. Mr. Church is holidaying with his parents in Smith's Falls, and was invited to preach in Asbury Church by the pastor, Rev. Arthur Wilkinson, who, during the service, stated to the large combined congregations of Knox and Asbury Churches his appreciation of Rev. Church in accepting the invitation.

THE COACH'S JOB Something of the taskmaster, the general and the diplomat, and a lot of the doctor must be hidden away in the man who would be the coach of a successful football or track team.

Emergencies of all kinds are his daily routine. A thorough knowledge of first aid is as essential as a knowledge of the game played by his men.

Bumps, bruises, strained ligaments and muscles are every day happenings, but the coach never becomes contemptuous of them. He knows that if neglected, they may result in anything.

Trainers everywhere keep Absorbine Jr. in their lockers. They use it not only for sprains, cuts and bruises, but for the skin and blood protection of its disinfecting properties. In one convenient container it combines the functions of a number of preparations.

It is the first of all the First Aid requisites in use in all of the leading athletic clubs.

And there are just as many everyday uses for Absorbine Jr. in the homes of Canada as there are in the training camps. Always keep it in the home where you can "jump to it" in case of emergency. \$1.25 at your druggist.
