AMUSEMENTS
What the Press Agents Say About Coming Attractions

"UNGUARDED WOMEN."
"The Unguarded Women," featuring Bebe Daniels and Richard Dix, which will be the feature attraction at the Capitol theatre, to-day, possesses one of the strongest themes that have been conceived in the mind of an author.

Briefly, it is this: The story of how a man of honor brings back to social esteem a girl whose love of gaiety all but leads her to destruction. It is a beautiful adaptation of the story "Face" read by millions in the Saturday Evening Post, with three wonderful parts for Richard Dix, Bebe Daniels and Mary Astor.

Scenes that beggar description, episodes more bizarre than any found in the Thousand and One Nights, a veritable fairytale of mid-night adventure abound in "Broadway After Dark," the coming picture at the Capitol theatre Friday and Saturday. It was adapted from the Owen Davis play, and its cast is headed by such celebrities as Adolphe Menjou, Norma Shearer, Anna Q. Nilsson and Willard Louis.

Police Court Brevities.
In Police Court Thursday morning a young man was fined \$10 and costs, on a charge of being intoxicated in a public place. Constable Garrity took him in charge shortly after 10.30 o'clock, on Wednesday evening. The accused said that he had only been drinking two per cent. beer purchased over a local bar, and asked the constables to detain him as he was "under the influence." They must have done this to the satisfaction of the magistrate, for he found the young man guilty.

MISHAP FOLLOWS RACE FOR SWIMMING HOLE

Further Particulars Regarding Accident Met With by Lyell Cameron.

Further particulars by Mr. J. W. Bradshaw explains how the accident happened to his grandson, Lyell Cameron, of Tichborne, who was injured while diving at the Tuxis Boys' Camp at Beaucaulle Island, near Midland, on Sunday morning.

The boys had just finished their physical exercise and ran to the dock to see who would be first in for a swim. Some jumped off the end and some of the side of the dock, where the water was shallow. Lyell was one of the latter. The operation by the Toronto specialist, Dr. Robertson, assisted by Dr. Johnson, of Midland, showed that the fifth vertebra broken and a clot of blood pressing on the spinal cord. It is suggested that he struck his elbow, which was bruised, which transmitted the shock to the vertebral column. The young man was paralyzed from his arm pits down, but never lost consciousness. The operation was successful in removing the pressure on the cord, but the result will not be known for ten days, depending on the amount of injury to the cord. Lyell is being shown every possible attention by the residents of Midland, who evince a deep interest in his case.

A VERY GOOD LAW IF CARRIED OUT

ROOM FOR IMPROVEMENT SAYS COACH KNOTTY LEE

When interviewed by a Whig representative on Thursday morning, George (Knotty) Lee, the new coach of the Kingston C.O.B.L. team, stated that he had very little to say about the squad at present, but that there was certainly room for a lot of improvement. He was very favorably impressed with the players individually, but thinks that the club as a whole will have to "hustle" some and he intends making them do that very thing.

"Knotty" pointed out a dozen places in the game of Wednesday evening where good baseball would have made a very great difference and also said that he had found a lot of little faults in the individual players which need immediate correction. He intends getting to work on the boys at once and hopes for success with them.

Under his rule the players will have to pay more attention to their physical condition and that at once. They will also have to learn to use their heads as well as their feet.

If the players will give the new coach the attention he merits there should be a big improvement shortly and things should look much better for the Kingston Club.

ANOTHER BOMB SCARE.

Washington Excited by Explosion of Torpedo Near Home of Theodore Roosevelt.

Washington, July 31.—Another Washington bomb scare has been exploded. A blast that shattered the stately stillness of Monday night near the residence of Theodore Roosevelt, assistant secretary of the Navy, brought police and neighbors running to the scene with visions of desperate radicals in mind. Fragments of the terrifying missile were carefully gathered and turned over to experimenters for examination. Scents set silently about their task. Then the experts reported that the bomb was just "plain tin," a small railroad torpedo, and the sleuths learned that the radicals were just plain boys, experimenting with noise.

She was a sister of the late Richard Boyd, who died about five years ago, and leaves two sisters, Mrs. Ewart, Colborne street, and Mrs. McKee, Plum street, besides a niece, Mrs. Ethel Oiden, who has resided with her for the past nineteen years and several nephews including Ald. Played Losing Game

Montreal, July 31.—The lure of easy money to be made through inside information to be obtained on horse races caused H. L. Christen, of Chicago, to lose \$25,000 in 25 seconds, according to the story he told Judge Cusson in the Enquete Court this morning.

Two of the alleged men—Edward Long, alias Chapple Lewis, aged 52, and George Wallace, aged 53—were in the dock charged with obtaining the \$25,000 by false pretences. R. L. Calder, K.C., acting for the Crown, intimated that the charge might later be changed to conspiracy. After hearing Mr. Christen's story the accused were remanded for voluntary statement on August 6th without bail.

DUNBAR MALE QUARTET AND BELL RINGERS

The Dunbar Male Quartet and Bell Ringers, who will be a feature company at the coming Dominion Chautauqua, are one of the most consistently successful musical organizations in the Lyceum and Chautauqua field. They carry hand bells, upon which are played some of the best overtures and solo numbers. They also appear in vocal solos, quartets and readings. There is always an enjoyable dash of humor in all their programs.

No feature of their programs will be remembered longer than the beautiful chimes and harmonies which are introduced in their sacred selections. Their original transcriptions, in which are heard excerpts of beautiful songs, sung to the accompaniment of bells, are a distinct musical treat.
