**VIOLA DANA AT THE CAPITOL.**  
Viola Dana has never had a more  
delightful starring vehicle than  
"Don't Doubt Your Husband," the  
new picture that opened at the  
Capitol theatre for a run of two  
days Monday.

Everyone who's married or who  
thinks of getting married should see  
this merry satire on the suspicious  
wife who is always leaping at con-  
clusions and keeping the matrimo-  
nial nest in a turmoil. It's clean,  
wholesome fun, spiced with the pap-  
rika of smartness and sizzling with  
tense situations. An excellent cast  
includes Alan Forrest, Winifred Bry-  
son, John Patrick, Willard Louis  
and Robert Dunbar.

Broadway After Dark will be  
shown for the last time tonight.  
It is a screen adaptation of the  
Owen Davis melodrama, with the  
following stellar cast:  
Adolphe Menjou, Norma Shearer,  
Anna Q. Nilsson, Edward Burns,  
Carmel Myers, Vera Lewis, Willard  
Lewis, and others.

**PLENTY OF CHANCE FOR REFLECTION**  
It's the new wrist mirror, supplanting the wrist watch.  
When you want to "powder up," girls, you need merely glance  
at your wrist and go to it. This latest novelty includes a 'ker-  
chief, attached to the mirror band.

**BAND CONCERT GIVEN  
AT DEADMAN'S BAY**

Campers Enjoyed the Pro-  
gramme Given Friday  
Night.

So pleased were the campers at  
Deadman's Bay with the band con-  
cert given there Friday night by the  
Salvation Army band of Kingston,  
that they will ask the band to visit  
the camp again this season, when  
another large crowd will be sure to  
be on hand to listen to the excellent  
music that they give. There was a  
large attendance of campers as well  
as friends from the city Friday night  
and the following programme was  
greatly enjoyed:

March, "Reliance" (Arnott);  
song, selected, male quartette; con-  
net solo, "The Song That Reached  
My Heart" (Goldsmith); instru-  
mental quartette (Mendelssohn);  
selection, "Heavenly Treasures"  
(Hawkes), introducing the cornet  
solo from "Il Trovatore"; song,  
selected, male quartette; march,  
"Courage" (Marshall); instrumental  
quartette, "Reapers' Chorus"; se-  
lection, "Hallelujah Chorus" from  
Handel's "Messiah"; "God Save the  
King."

Mr. D. A. Shaw, on behalf of the  
campers, tendered thanks to the  
band, to which Ensign Boshier re-  
sponded. The concert was given on  
the grounds of Mrs. C. Vanalynne's  
cottage, "Valley Green."

**SPORT**

**Y.M.C.A. Tennis Club.**  
The Y.M.C.A. Tennis Club made a  
good start for the season at the  
formal opening on Friday night of  
their court on the stadium grounds.  
Both ladies and men were present  
and a pleasant social time enjoyed.  
Refreshments were served during  
the evening.

The first "bike" for the boys  
started from the "Y" on Saturday  
morning for Barriefield, with Mr.  
Lilley in charge. The boys will take  
lunch enroute, and also play a base-  
ball game.

**Bowling at Queen's.**  
At the Queen's bowling green Fri-  
day night, in the regular rink game,

cott, 14-10; J. E. Singleton's rink,  
skipped by J. Leckie, won from W.  
M. Campbell, 16-11; and R. S. Gra-

an extra end, the score being tied on  
the 14th end. J. F. McMillan won

won from Dr. Knapp.

**Bankers Victorious.**  
The Printers received an awful  
trimming in the Mercantile League  
on Friday evening when the Bank-  
ers, latest entrants of the league,  
stepped on them to the tune of 18-9.

**Moonlight Excursion.**  
The Sons of Scotland Society's  
moonlight excursion Friday night  
differed from the usual trips in  
having two pipers on board and in  
the highland dances which were en-  
joyed at Clayton, when the excu-  
sionists held a parade through the  
American town. F. Salebury's orches-  
tra was on board.

**To Draw Agreement.**

the City of Kingston officials and  
the directors of the Kingston Indus-

**BLOOD POISONING CASE.**

Elmer McArthur, of Wilton, Reported  
Very Ill in the Hospital.

Wilton, July 31.—The many  
friends of Elmer McArthur, who is  
now in the hospital suffering from  
blood poisoning in the hand and arm,  
are very anxious about him. The  
doctor gives, but very little hope.  
The great rain on Thursday last was  
very much needed; every thing began  
to point toward a drouth. It cer-  
tainly changed the looks of every-  
thing; gardens are fine, never bet-  
ter. A number of our girls are at-  
tending the Girl Guides' camp at  
Varty lake.

Rev. A. L. Blacklock, Boston,  
formerly pastor of the Presbyterian  
church here, is renewing acquaint-  
ances. He took the work last Sun-  
day for Rev. Mr. McKenzie, who has  
gone to Montreal. Mr. Blacklock  
will also fill the pulpit next Sunday.  
John Frink was taken to the hos-  
pital on Thursday. He has been suf-  
fering for a week or more from ap-  
pendicitis. He was operated on im-  
mediately after arrival, it being a  
pressing case. Slight hopes are en-  
tertained at time of writing as he  
is very low.

We had quite an exciting time  
here on Sunday evening, when two  
cars collided. One car had three  
children and father and mother, the  
other two young ladies and one gen-  
tleman. The sedan was thrown on  
its side and laid crosswise of the  
road, the other was thrown into the  
ditch. The most wonderful part was  
no one was hurt. Both cars were  
quite badly broken up. One had a  
front wheel broken, except the rim,  
front axle broken; the sedan had  
some broken glass, axle bent, top  
quite badly injured, but all came off  
exceedingly well. Neither one could  
be taken home that night. Neither  
party were driving at the speed limit  
or there would have been something  
more serious.

Mr. and Mrs. William Bullock,  
Winnipeg, and daughter, Margaret,  
are visiting at Mrs. Bullock's sister,  
Mrs. Milliam Forsythe, Mrs. McKen-  
zie and daughter, Montreal, with  
Rev. Mr. McKenzie at Archie Sim-  
mons, Buffalo, N.Y., visiting his  
father, Nicholas Simmons, William  
Jordan and Mrs. Jordan, Miss Mag-  
gie and Luman Jordan, Campbell-  
ford, at Harvey Mills; Mr. and Mrs.  
Oliver Asseltine, Chatham, at his  
father's, Nicholas Asseltine.

Bert Asseltine, Jersey, at Blake  
Switzer; Mr. and Mrs. S. Freeman,  
Chicago, at R. N. Lapum's. Miss  
Ethel Babcock, who has been quite  
ill is much improved. Miss Ila  
Storms is spending her holidays at  
Barriefield and Watertown, N.Y. Miss  
Keith Babcock has been attending  
the Girl Guides' camp at Varty Lake.  
Mrs. Letenay and daughter, Miss  
Margaret, London, are visiting the  
former's sister, Mrs. Bernard Mills.  
Fishing and berry picking is the  
order of the day. Berries are very  
plentiful. Earl Burt and Stuart Sim-  
mons are in Hamilton on business.

Never let suspicion crowd to the  
side actual truth.

**Civic Holiday**

Acting on the order of the City Coun-  
cil I hereby proclaim Monday, August  
5th, as Civic Holiday, and call upon  
all citizens to observe it as such. We  
hope it will be made a holiday in every  
respect, and that everyone will return  
to their labors renewed with vigor on  
account of having had an enjoyable day  
with friends.

THOS. B. ANGRIVE, Mayor.

**"BIM" BANKS**

Every dog has his day, but not  
every dog has his banking day.  
"Bim" Elgert does, though. Every  
Saturday he may be seen entering a  
Chicago bank to make his deposit.  
His book already shows a balance  
of \$68. He gets times and quarters  
for carrying a shopping basket for  
his mistress, Mrs. Orel Elgert  
(above), watching her automobile,  
and going to bed on time.

**AT QUEEN'S SUMMER SCHOOL.**

The Students Will Assist Queen  
Street Church Choir.

Queen's Summer School students  
will assist the choir of Queen Street  
Methodist church at the Sunday eve-  
ning service. This will take the  
place of the song service at the col-  
lege.

A students' sing-song on the lake  
shore, probably Macdonald Park, is  
scheduled for next Wednesday night.  
A camp-fire in addition has been  
suggested.

The students who will graduate  
this fall held a meeting on Friday  
to discuss the proposal for a Sum-  
mer School year book, like that pub-  
lished in 1922. The matter was left  
to a questionnaire which President  
Ault will send out to the members  
of the graduating class.

Names Omitted.

In the list of drug stores carrying  
the new special O.T.A. license, which  
appeared in Friday's issue, the  
names of A. G. Knight, 280 Princess  
street, and M. R. McColl, corner  
Princess and Clergy streets, were  
omitted, these drug stores also be-  
ing on the licensed list. The above  
names were not included in the list  
handed to the Whig yesterday by of-  
ficials. The above mentioned license  
is concerned only with the sale of  
liquor by druggists on prescription.

**What Horse Can Pull Shown  
by Tests in England**

Tests made recently in England proved  
that a pair of horses, each weighing 1,600  
pounds, could haul a load 550 pounds  
greater than themselves. On a metal  
track, one of these animals, it has been  
shown, can draw one and two-thirds times  
as much as on a good asphalt surface, five  
times as much as on cobblestone paving  
and twenty times the load it can pull on  
an ordinary mud road. For the usual type  
of farm horse, a cart carrying a weight of  
1,500 pounds is considered to be a fair  
task. While pulling light vehicles and  
under saddle, records indicate that horses  
are equal to great feats of strength and  
endurance. A twenty-year-old best  
hitched to a light cart is known to have  
traveled a hundred miles in less than  
thirteen and a half hours and was in ex-  
cellent condition at the end of its journey.

Statistics for the city of New York  
show that an immigrant arrives at that  
port every thirty seconds and an average  
of one arrest is made each two minutes.  
A child is born every five minutes and a  
funeral occurs every seven. Every twelve  
minutes a marriage is performed and a  
divorce is granted for each six hours of  
the day. New businesses are started at  
the rate of one every forty minutes and a  
failure takes place every five hours.

A ship leaves the harbor every forty-  
five minutes and someone is killed by  
accident every fifty-five minutes. The  
crime records of the metropolis are start-  
ling in that they show that every seven  
hours there is an attempt to take some  
person's life, a suicide is committed each  
ten hours, and a murder occurs every  
twelve hours.
