KINGSTON AND DISTRICT

Removed to Guelph. Mr. and Mrs. W. E. Smallfield, formerly of Renfrew, have removed from Toronto to Guelph, where their son resides.

The Funds Provided. The authorities at Renfrew are notified by Major Sherwood, Kingston, that in the supplementary estimates brought down recently in parliament there appeared an item for the re-roofing of the drill hall at Renfrew.

Opened New Golf Clubhouse. Arnprior's golf club grounds were officially opened on Aug. 4th. The place was brilliantly lit up with electricity and many guests were present.

A Call Extended. At a meeting of the presbytery of Lanark and Renfrew held in St. Andrew's Church, Cobden, a hearty and unanimous call was extended to Rev. R. Duncanson, B.A., of Colborne, Ont., in the Presbytery of Chatham, to become the pastor of Cobden and associate charges.

A Despicable Act. One of the most despicable acts perpetrated around Perth for a long time occurred last week. Messrs. Lowe and Horan placed their truck at the disposal of citizens to convey them to the bush when the Little Parakees children were lost, and while the truck was left at the roadside some person or persons stole the lens, bulbs and spare tires.

Died in Renfrew Hospital. Pleuro-pneumonia, from which she suffered for three weeks, compassed

the death in Renfrew hospital of Elizabeth Oates, widow of the late William J. Peever. Deceased, whose death is mourned by a large number of friends in two counties, was born at Clayton, Ont., sixty-one years ago.

will teach in the high school there. The Methodist Church gave Mrs. Minns a beautiful silver mesh bag and Mr. Minns a club bag.

STOMACH TROUBLE DUE TO THIN BLOOD

It Usually Disappears When The Blood is Made Rich and Red. Thin blood is one of the most common causes of stomach trouble. It affects the digestion very quickly.

Dr. Williams' Pink Pills act directly on the blood, making it rich and red, and this enriched blood strengthens weak nerves, stimulates tired muscles and awakens to normal activity the glands that supply the digestive fluids.

These pills are sold by all dealers in medicine, or you can get them by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Caught Big Fish. Harold Smith, Renfrew, caught a pike weighing 13 1-2 pounds in Lake Calabogie. In the same body of water a member of the Scott family of Renfrew, camping on the shores of that lake, pulled in a eleven-pound pike.

Bullet Removed. Shot by his four-year-old brother, who was playing with his father's revolver, the two-year-old son of Michael Kubysek, C.N.R. section foreman at Whitney, near Algonquin Park, is under treatment in Pembroke hospital for a bullet wound in the shoulder and neck.

Drowned in Excavation. A sad accident happened at the home of Mr. and Mrs. William Lee, who reside on the Provincial Highway between Grafton and Wicklow, when their baby daughter, Elsie, aged eighteen months, toddled into an excavation, containing water where once a house had stood, and was drowned.

Burial at Parham. The funeral of the late Lyell Cameron, held from his father's residence at Tichborne to Parham cemetery on Wednesday afternoon, was very largely attended, many friends from Smith's Falls also being present.

Starting The Grain Harvest. Florida, Aug. 7.—A number from this neighborhood attended Sparks circus in Kingston on Thursday last. Farmers are about finished haying and are starting their harvest.

HANGINGS SHUT OFF VIEW

Draperies may be so made as to shut off the view from outside by being drawn together, especially at night. This takes the place of window shades.

Kreo-Kolored Red Cedar Shingles

Red, Green and Brown shades thoroughly stained. These Shingles are Edge-Grain—will not warp. They are 100% perfect and under ordinary conditions will last twenty-five years.

Looking backward

LOOKING backward over the history of his business, the president has reason to indulge in feelings of pardonable pride—and grateful satisfaction.

Success has been due, not only to his own guidance, but to his wisdom in availing himself of the financial co-operation of his bank.

The Bank of Toronto has, from the year 1855, built up a vast fund of experience respecting the development of Canadian business.

Your problems, viewed in the light of this broad experience, are readily solved. A friendly reception always awaits you at any branch of this bank.
