**New Teacher Engaged.**  
A new teacher, Miss Jean Kennedy, has been engaged for the North Augusta continuation school to fill the vacancy caused by the resignation of Miss Halliday. Miss Kennedy is attending summer school at Toronto.

**Ingram-Bovay Wedding.**  
The marriage of Gillis R. Ingram and Miss Inez Isabella Bovay was solemnized at the home of Wallace Garratt, Wellington, on Aug. 5th. James Wild, Friends minister, officiated. Immediately after the marriage Mr. and Mrs. Ingram motored to Belleville.

**Woman Runs Business.**  
Chicago Canadian-American: Mrs. Matt. Hodges, 830 Sheridan road, returned from a pleasant visit to her sister, Mrs. J. W. Fox, Brockville, where the latter, who resides in Chicago, has a pretty summer cottage. Mrs. Hodges' rest was well earned. She is constantly at work as

head of the plumbing business on Lincoln avenue, established and made prosperous by her late husband who was a native of Prescott.

**Ferry Company Formed.**  
Alexandria Bay Canadian Ferry Company, Inc., has been organized with a capital of \$10,000. George Maurer, John Wolf and Peter B. Hartman, Watertown, N.Y., are directors and subscribers. John T. Delaney, Alexandria Bay, N.Y., is attorney for the corporation.

**Girl Had Hand Painfully Hurt.**  
Miss Edna Guthrie, an employee of the Superior Electric Company, Ltd., Pembroke, suffered a painful injury on Thursday afternoon when her finger was crushed while working a machine. She was removed to the hospital where it was found necessary to amputate the index finger of her left hand.

**Committee Appointed.**  
At the meeting of the council of the Board of Trade on Friday, a committee composed of Messrs. J. G. Elliott, J. M. Campbell, C. A. Macpherson and R. E. Burns was appointed to draft resolutions for submission to the Associated Board of Trade to be discussed at the annual meeting to be held in Toronto in November.

**Not Always Necessary.**  
Higher education is not always necessary for success. Dalton C. Coleman, vice-president of the Canadian Pacific Railway, who, with Dr. Harold Box, was recently feted at Carleton Place's Old Home Week, began his career twenty years ago tallying a Braeside lumber yard and did not go as far as matriculation in Arnprior high school. Leaving high school after reaching the third form, he became associated with Sir

MacKendie Bowell, and later was private secretary to Mr. Bury, a vice-president of the C.P.R.

**A Mirage Showed Islands.**  
On Thursday last just after dinner at Westminster Park, Thousand Islands, the guests were summoned to the tennis lawn in front of the hotel, where a remarkable clear view of a mirage showing the Thousand Islands, was to be seen. It was quite an hour before it gradually faded away. Some of the visitors had never before seen such a sight.

**Leadbeater-Gamble Wedding.**  
A pretty wedding was solemnized at the Methodist parsonage, Seely's Bay, last week, by Rev. Mr. McLaughlin, when Miss Letta M. Gamble, daughter of David Gamble, were united in marriage to Ernest S. Leadbeater, youngest son of Mr. and Mrs. William Leadbeater, Ellenville. The bride looked charming in a navy suit of poiret tulle with sand hat and blouse to match. The happy couple took an early train from Kingston for Toronto and will return in about three weeks after a voyage on the Great Lakes.

**To Go to Mission Fields.**  
Victoria Alexandra "Zan" Hamilton and the late Mrs. Hamilton, R.R. No. 5, Pembroke, became the bride of Reginald Vincent Reynolds, son of Mr. and Mrs. H. T. Reynolds, of Johannesburg, South Africa, on Aug. 6th. Rev. Dr. Ellis officiated at the ceremony in the Methodist church. In September Mr. and Mrs. Reynolds will go to New York, where they will take a year's course in medicine, following which they will leave for South Africa, to do private missionary work about 2,000 miles north of Johannesburg. Both are graduates of the Moody Bible Institute, Chicago.

**To Open New Church.**  
St. Cyril's Catholic church, Alexandria Bay, N.Y., which has been in process of construction for the past three years, will be completed soon and dedicated during the last of this month or the first part of September. It is an imposing structure, located on Walton street. The tower of the church, topped by a cross, can be seen from a great distance on the St. Lawrence river. The exterior is built of red native granite, quarried from an immense rock which formerly occupied the site on which the church now stands. The location is a splendid one for such a building, as it is one of the highest hills in Alexandria Bay, and overlooks the entire community.

**Lucky Fishermen at Bay.**  
At Alexandria Bay, N.Y., Charles P. McKnight, Brooklyn, was among the lucky fishermen. With his guide Ross Russell, he went out early in the morning. His catch comprised twelve bass, the largest weighing 3 1-2 pounds, besides six pickerel and four wall-eyed pike. Mr. McKnight is passing his fifteenth season at the Thousand Island House. Another fishing party comprised Mr. George McDonald, Charles Peet and George K. R. Carter, who brought back some fine fish. Mr. McDonald caught the largest pickerel of the summer which weighed ten pounds.

**Calling on Kepler Friends.**  
Kepler, Aug. 8.—A terrific electric storm accompanied by wind visited this place Wednesday night. Corn and grain was badly knocked down but no serious damage was reported. The Ladies' Aid held its annual picnic, Wednesday afternoon, on the lake shore. O. V. Hansen had the misfortune to run a pitch-fork in his knee a few days ago, but is around again.  
Mr. Prince, Rochester, N.Y., sang two solos in the Methodist church on Sunday evening. They were very much appreciated by the congregation. Miss Grace Garrett has returned home after visiting Montreal. T. Garrett and wife attended the funeral of the former's aunt at Zealand yesterday.

Visitors: Lorne Lawson, wife and son, Montreal, at his father's; Marguerite Wartman, Newburgh, at H. E. Johnston's; Miss Vera Hall, Toronto, Vera Freeman, Sydenham, and Hilda Walker, Bancroft, at Hiram Wartman's; Herbert Buck and wife, Kingston, were recent callers on Kepler friends.

## Gum Chewing Aids the Teeth

You have the authority of doctors and dentists for this statement. Your own experience will prove it, if you will use WRIGLEY'S after every meal.

The following quotations from a recent work on teeth and health are worth remembering:

"Dentists have found that the exercise of gum chewing brings about a better nutrition of the teeth . . ."

"The cleansing action of the gum between the teeth helps to keep them free from the particles which lodge in the crevices and cause decay."

The busy man—or woman either—rarely has time to clean the teeth after eating. Yet they should be cleaned, and

will do it. Also it will aid digestion and furnish welcome refreshment to mouth and throat.

Sealed in its purity package, bringing all its original goodness and flavor to you.

**REAL WILD WEST THRILL AS BUFFALOES ARE STAMPEDED**  
Condemned to die because the herd had grown too large, 1,000 buffaloes were stirred into a stampede so that moving picture men might catch them in action. The condemned animals mauled and milled with a vengeance until shot down by guards at Canadian Government Park, Wainwright, Alta. The meat and hides brought fancy prices.
