Rotary Club Activities.

At the weekly luncheon of the Kingston Rotary Club, to be held in the British-American hotel on Friday at 12.30 o'clock (noon) Prof. Joseph Andre will give the members a talk on his personal experiences in the musical world in various countries he has visited and the members of the club and their guests are assured of a rare treat. Prof. Andre will also favor his audience with a number of selections on the piano.

Rotarian Sidney Smith and the members of his entertainment committee are hard at work arranging for the celebrated Welsh choir, appearing at Grant Hall on Tuesday evening, Sept. 9th, under the auspices of the club. This entertainment will provide one of the best musical treats of the season, and as the proceeds will be devoted to community work carried on by the club, it is hoped to have a bumper house. The members of the club have tickets on sale in advance for this big event, and it would be well for citizens to secure them as early as possible so there will not be a chance of being disappointed.

The Kingston Rotary Club will be honored with a visit on Tuesday next from District Governor Clarence Williams and he will be given a royal welcome. Next week's luncheon will be held on Tuesday instead of Friday in order to give the members an opportunity of meeting the new district governor, who will deliver an address.

REGIOPOLIS COLLEGE.

Cattle Sheds Read. City Engineer Dick reported on Thursday that the work on the erection of the new cattle sheds at the fair grounds had been completed and that he had made an inspection of the work and was satisfied with it, and that the fair association was also satisfied. The sheds will give accommodation for sixty head of cattle.

A friend is worth all the hazards we can run.

COL. THOMAS PUGH VISITING KINGSTON

A Well-known Member of an Old Military Family of This City.

Hale and hearty after a winter in California and much travelling through the cities of the Pacific coast and western Canada, Lieut.-Col. Thomas Pugh, of Montreal, is in the city for a few days renewing acquaintances in the place of his birth.

Col. Pugh is the member of an old military family of this city being the son of Thomas Pugh, of this city, who served thirty years with the permanent force, being with it from its establishment. Col. Pugh himself served forty years in the permanent force, being retired on pension two years ago. His brother is also a well-known military man, Sergt.-Major Pugh, of the R.C.H.A., whose family of boys are also soldiers.

His renown as an athlete covers many activities. For twenty years he played rugby with the Quebec City team. He owns many trophies for the shoe-shoeing and for skating won in the sister province. His father was a noted rifle shot. Col. Pugh was twice a member of the Canadian Bisley team, his brother, Sergt.-Major Pugh, accompanying him two years ago.

R.C.H.A. BAND CONCERT

In Macdonald Park This (Thursday) Evening at 8 O'clock.

6 Suite—Mascarade Lacomme
7 Intermezzo—Princess Caprice
8 Selection—Madame Butterfly Fall O Canada Puccini
God Save the King—Capt. A. Light, Director of Music, R.C.H.A. Band.

Thursday's Market. Tomatoes featured Thursday morning's market. They were sold in various quantities, sizes and prices. Pink table tomatoes brought ten cents and fifteen cents a small box and the red variety ran from twenty cents a basket to 75c and \$1.00 a bushel. Eggs were 35 cents a dozen, potatoes 70 cents a bushel, butter 40 cents a pound and apples 40 cents to 70 cents a peck. There was a small offering of autumn fruits at prices which were rather high.

U. S. Money Plentiful Here.

The rise of the Canadian dollar in comparison with the American dollar has meant that United States money is becoming more plentiful here. People are not saving up the American money they get their hands on in anticipation of a trip to Cape Vincent or Alexandria Bay, and are getting rid of what store they may have had. The change has simplified very much the sending of money to the States.

Building in Kingston. Building in Kingston shows a healthy increase. The records at the office of the city engineer show that building permits to the value of \$34,363 were issued during August as compared with \$23,344 in August of 1923. For the eight months of this year there was an increase of \$300,000 over the same period of last year.
