DIED AGED NINETY-FIVE.

The Late Mrs. Emma Warren, Rockfield's Oldest Resident.

Rockfield, Sept. 2.—Death visited this neighborhood early Friday morning, August 29th, and removed Mrs. Emma Warren, the oldest resident, and one whom all had learned to love and respect. The deceased had reached her ninety-fifth year and up to the last two weeks was able to be up and about in her home and in the neighborhood, showing remarkable strength of body and faculties for one of her years, her only regret being the falling of her eyesight.

The funeral on Sunday was largely attended by friends and acquaintances who followed her remains to the Union church where her pastor, Rev. L. S. Throop, conducted the funeral services, after which interment was made in the Union cemetery. She leaves to mourn her loss one daughter, Mrs. R. A. Foley, of this place, and three sons, Wesley, on the homestead, Frank, Lansdowne, and Fred, Oak Leaf. Her husband pre-deceased her some twenty-one years ago.

A number from here attended the funeral this afternoon of the late James Moorehead Warburton.

Operates 25,000 Appendicitis Cases

One doctor in Europe is said to have operated 25,000 appendicitis cases! Simple buckthorn bark, glycerine, etc., as mixed in Adierka, guards against appendicitis because it acts on BOTH upper and lower bowel and brings out all poisons. Helps any case gas on the stomach in TEN minutes. Brings out matter you never thought was in your system. T. H. Sargent.

TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy Stomachs and Acid Indigestion.

Doubtless if you are a sufferer from indigestion, you have already tried peppermint, charcoal, drugs and various digestive aids and you know these things will not cure your trouble—in some cases do not even give relief. But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little Bisurated Magnesia—not the ordinary commercial bicarbonate, citrate, or milk, but the pure Bisurated Magnesia, which you can obtain from practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or three compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat. You will find that provided you take a little Bisurated Magnesia immediately after a meal, you can eat almost anything and enjoy it, without any danger of pain or discomfort to follow and, moreover, the continued use of the Bisurated Magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.
