### FATHER AND SON DIE WITHIN NINE HOURS

Ex-Fire Chief Murray, Windsor, Was Well Known in Kingston.

Windsor, Sept. 5.—Within nine hours after his father, George S. Murray, former Windsor fire chief, died at his residence, 140 Windsor avenue, William Murray, 35 years old, died Wednesday, following a protracted illness at his home, 11 Broadhead avenue.

These deaths, almost simultaneously in one family, remove two well-known residents of Windsor. George S. Murray joined old No. 1 Hose Company on October 7, 1897, and was appointed chief of the department March 1st, 1905. He held this position until May 1st, 1916, when he resigned to enter a private business enterprise.

Ex-Fire Chief Murray was well-known to many Kingstonsians and was a personal friend of Fire Chief Armstrong. He attended the fire chiefs convention held in Kingston a few years ago.

**Brockville Utilities.**  
Brockville, Sept. 5.—Operation statements covering the first six months of the present year were laid before the public utilities commission. The statements show that the departments of power, light, gas and water all show a substantial surplus after all charges, including interest and sinking funds, have been met.

The profits shown were as follows: Light, \$14,234.72; gas, \$617.72; water, \$5,841.21. The reduction of 1923 in the light department has had the effect of considerably reducing the profits and the new low rates just issued will further cut the profits, so that the consumers will be receiving light and power at practically net cost.

**Share in Estate.**  
Belleville, Sept. 5.—Miss Annie Mathison and the Toronto General Trusts Corporation have been granted probate of the will of Robert Mathison, sometime principal of the Ontario School for the Deaf at Belleville, and later Supreme Secretary of the I.O.F., who died in Toronto July 30th, leaving \$28,807 personal estate. To his son, Robert Mathison, Kelowna, B.C., he bequeathed \$500 as a token of love and esteem and in acknowledgement of his many good qualities of head and heart, and to each of his daughters, Annie and Isabella, an annuity of \$600 and one-half the residue.
