**Warns Against Doping Stomach With  
Artificial Digestants.**

Most people who suffer, either oc-  
casionally or chronically from gas,  
sourness and indigestion, have now  
discontinued disagreeable diets, pa-  
tient foods and the use of harmful  
drugs, stomach tonics, medicines and  
artificial digestants, and instead, fol-  
lowing the advice so often given in  
these columns, take a teaspoonful or  
two tablets of Bismarated Magnesia in  
a little water after meals with the re-  
sult that their stomach no longer  
troubles them, they are able to eat  
as they please and they enjoy much  
better health. Those who use Bi-  
sarrated Magnesia never dread the ap-  
proach of meal time because they  
know this wonderful anti-acid and  
food corrective, which can be obtain-  
ed from any good drug store, will in-  
stantly neutralize the stomach acid-  
ity, sweeten the stomach, prevent  
food fermentation, and without the  
slightest pain or discomfort. Try  
this plan yourself, but be certain to  
get pure Bismarated Magnesia, espe-  
cially prepared for stomach use.

**NORTHBROOK PROGRESSING.**  
Each Week Sees New Development  
In This Village.

Northbrook, Sept. 8.—Each week  
sees new development in our small  
village.

Mr. Hugh Saul has erected a new  
meat shop.

Frost slightly touched this part,  
doing little damage.

Our picnic on Aug. 27th was a de-  
cided success in spite of the showers.  
Many enjoyed the sports and about  
\$150 was cleared.

Miss Cronkite, of Portsmouth,  
has taken charge of our school.  
Mr. and Mrs. C. C. Thompson and  
family spent their vacation in Ot-  
tawa and eastern points.

Mrs. William Atkins and daughter,  
Theresa, are visiting Mr. Martin At-  
kins, Windsor. Messrs. Earl and  
Clayton Cole, Buffalo, motored home  
for the Cloyne picnic on Sept. 5th,  
which much enjoyed.

Mr. and Mrs. A. E. Fletcher at-  
tended the funeral of his mother in  
Hamilton.

Judge and Mrs. Deroche of Napa-  
nee, were registered at the Moon  
House Thursday while returning  
from a fishing trip north.

Mr. and Mrs. J. L. Lloyd spent the  
week-end at Newburgh.

Many enjoyed the dance in Cum-  
mings' hall Friday evening. Frank  
Yanch furnished the music.

\* Mr. and Mrs. Henry Lloyd are  
visiting friends in Muro, Mich.

On Saturday at the home of Mrs.  
David Waters, Belleville, a quiet but  
pretty wedding was celebrated when  
her daughter, Marjorie MacKenzie  
Waters, graduate of the Faxon Hos-  
pital, Utica, N.Y., became the bride  
of Thomas W. Thair, New York.

Mrs. Isabel Barnum, widow of the  
late Simon P. Barnum, died Friday  
night at the residence of her daugh-  
ter, Mrs. M. A. Phillips, Belleville.  
She was in her eighty-seventh year  
and a Methodist. Her husband pre-  
deceased her twenty-four years ago.

Miss Lena Minkler, Tyred, was  
united in marriage on Aug. 30th to  
E. Meldens, Belleville.

ences in Ontario, and including also  
the Montreal conference, in connec-  
tion with the celebration of the 100th  
anniversary of the founding of the  
Methodist Missionary Society in  
Canada. The convention will be  
largely inspirational and to demon-  
strate the fruits of mission work.

**Carelessness In Canoe.**  
The Smith's Falls Record-News  
says that an accident occurred there  
this week which might easily have  
resulted in loss of life. Five young  
people, all in one canoe, were out  
on the river just above the lift  
bridge. As they approached the pier  
one of the canoeists tried to  
reach the wharf without a paddle.  
After several unsuccessful attempts  
he made a special effort and precipi-  
tated himself and his friends into  
the water. As all members of the  
party could not swim it is indeed  
fortunate that at this point the wa-  
ter is only four or five feet deep.  
The only serious damage done was  
to a couple of cameras in the can-  
oe.

**Radio Announcement.**  
The H. W. Newman Electric Co.  
announce that Mr. Bruce Saunders,  
B.Sc., Queen's, has joined our staff  
and has taken over the management  
of the radio department. As Mr.  
Saunders has given special study to  
radio both in his course at Queen's  
and elsewhere, he has acquired ex-  
pert knowledge of the science in all  
its branches. We are therefore glad  
to assure our patrons and our radio  
enthusiasts both in city and coun-  
try that our service will be the best  
that can be given. Our Neutrodyne  
sets we can recommend very highly.  
They give excellent service; you can  
listen in on stations all over the  
continent of North America. We  
build single Tube sets up to 5 stages  
of amplification. We are agents for  
several good makers of machines.  
Boys who wish to build their own  
sets we will be glad to show them  
how.

We carry a complete stock of all  
parts. Come in and see our demon-  
stration. Radio Department, H. W.

## Why waste fruit?

Jams and jellies made the Certo way  
are economical because you get 50 per cent.  
more from the fruit—no wasted batches—  
no re-boiling—the right consistency every  
time.

Follow a simple Certo recipe and you  
will make the most delicious jam or jelly  
you have ever tasted from any fruit; even  
those fruits that "never would jelly", such as  
peach, pear, pineapple, etc. Certo means  
success in jam and jelly making. Certo is  
the pure, natural, jellifying property of fruit.

The Certo one-minute boiling process  
SAVES the natural color and fresh, delicate  
flavor of ripe fruit. Certo-made jams and  
jellies keep perfectly!

At your grocer's or send 30c direct to  
Douglas Packing Co., Limited, Cobourg, Ontario.
