AMUSEMENTS
 What the Press Agents Say About Coming Attractions

COMING TO THE GRAND
 "So This is London" Comes Here Thursday.

"So This is London," is an established success on both sides of the "big pond." In the English Metropolis, it is being presented at the Prince of Wales Theatre, where it has settled down for a run that is sure to equal that of the New York Company, which ran for a solid year at the Hudson Theatre.

John Meehan, George M. Cohan's general stage director, returned here from London, after having seen this comedy properly staged over there. Asked how our English cousins liked seeing themselves caricatured, Meehan said,—"They took to it like a duck—Oh! Yes, they like it all right. You think you have heard them laugh at it over here, my boys, it's a whisper compared to the way they received it over there. They simply howled, commencing with the line in the first act where the American boy says to the English girl—"My father thinks all Englishmen are either lords or butlers—one drinks tea all day, and the other brings it to him." That was the first laugh, but when a little later in the act, the American father says—"I understand now why God made the Ocean so wide" that line knocked them for a row of goals my word how they did laugh."

"So This is London" will be at the Grand for three nights commencing Thursday, Sept. 11th, with a matinee on Saturday afternoon.

SPORT

LOCAL TEAMS ARE STRAIGHTENED OUT

Circle-Six Play Potes Saturday—Hussars Meet Island and Brockville.

Kingston's two teams still left in the O.B.A.A. running, 4th Hussars in the intermediate and Circle Six in the junior, have received definite orders from O.B.A.A. headquarters and must go through with them or lose out.

President James Kane of the K. A.B.L. last night had a long telephone talk with Acting Secretary Walsh and as a result a telegram arrived this morning with the following information:

Peterboro Lakeviews meet Kingston Circle Six here on Saturday next. Peterboro must either come or lose out. The umpires will be arranged by Bill Wylie, of Ottawa, and not by Jake Solomon. An O.B.A.A. representative will be present.

The telegram also stated that Peterboro has protested Buck, young right fielder and utility pitcher for Circle Six, on the ground that he had not played three games. However, the local league is confident of being able to laugh at all protests. Buck is the youngest player in baseball in eastern Ontario and it is ridiculous that Peterboro, with its six-foot "claiming twenty-year-olds" should start the protest stuff.

RARE ENTERTAINMENT IN "THE WHITE MOTH"
 A motion picture of unusual strength and beauty is at the Capitol Theatre. It is Maurice Tourneur's "The White Moth," which opened to a capacity house last night. Barbara La Marr as "The White Moth," a beautiful gay dancer of the Paris stage, at whose feet all men worship, reaches her greatest histrionic heights and was never more appealing. Conway Tearle, playing opposite her as Robert Vantine, a young millionaire, who weds her solely to prevent her marriage to a younger brother, and who finds himself involved in a most singular romance, never gave the screen a finer characterization. The whole story is beautifully done and holds the interest from start to finish. Paris and its night life are depicted only as a true Frenchman could depict them, and the production from all standpoints is a signal triumph for Tourneur. The "Telephone Girl" scenes are getting more popular with each episode, and the one showing today is the best yet.

Hussars' Orders.
 4th Hussars have been ordered to complete their series with the Wolfe Island team, and if winners in two games, to meet Brockville here on Thursday and again at Brockville on Saturday next. The teams are to arrange the umpires. With the rain spoiling today's game, this means a big task for the Hussars, but it is felt that they can do it and that it is best to settle down and get the games over before next week when the exhibition will have the Fair Grounds.

The Wolfe Island game will therefore be played on Wednesday at four o'clock, weather permitting, and if the Hussars win they will meet Brockville here on Thursday. Arrangements will have to be made.

It is unfortunate that Hussars should have two games in quick succession but it is the only solution to the problem and the fans will appreciate doing it up quickly and should give their best support.

The upshot of the whole thing is that Jake Solomon will not likely have anything more to do with the local teams and there is a strong possibility that, should the Kingston charges at Ottawa today be sustained, the wily Peterboro manager will have some explanations to make to the O.B.A.A.

BOYS' SECRETARY OF Y.M.C.A. RESIGNS

Membership Drive in October—Sound Financial Footing.

At a largely attended meeting of the local Y.M.C.A., plans were made for a fall programme of activities for the autumn and winter. C. O. Chamberlain, the recently-appointed physical director, was introduced to the members.

The resignation of S. T. Lilley, boys' secretary, was accepted with regret and the secretary instructed to write a letter of appreciation of Mr. Lilley's services. Mr. Chamberlain and Mr. Harlow will carry on the work with boys for the present.

The report of the finance committee showed that the outstanding accounts are gradually being wiped off and the association is once more getting on a sound financial footing. There is still approximately \$2,000 in unpaid subscriptions which are collectable before the end of the current year. The revenue from memberships, baths, rooms and other features are steadily increasing.

A membership drive during the first week of October is now being arranged when it is hoped to interest a large number of men and boys in the up-to-date institutional features which the association has to offer.

The shower bath room and the plunge are to be re-painted and the whole apparatus overhauled in preparation for the fall work. The "Y" workers are confidently looking forward to an exceptionally good year.

LOOK FOR BIGGEST FAIR EVER HELD HERE

The Dog Show and Poultry Exhibit Promise to be Specially Interesting.

R. J. Bushell, secretary-treasurer and manager of the Kingston Industrial exhibition, has furnished the Whig with the following interesting news regarding next week's fair:

The final efforts are being put forward towards the development of the Kingston Industrial Exhibition. The more the work is being continued the more apparent that an exhibition will be tendered our visitors as one positively the best ever promoted in the annals of the city of Kingston. The dog show promises to excel anything ever attempted and under the able management of ex-Ald. W. A. Twigg, who has been reaching out, and I am pleased to say that many dogs from outside points will be on exhibition. The poultry entries are far ahead of last year, notwithstanding the fact that the Spring being so late we looked for a falling off, but I am also pleased to find that our anticipations were wrong and our efforts are being crowned with greater success than ever before. The poultry exhibits are under the able management of Benjamin Whitney, who is ably assisted by John Colclough, 124 Victoria street, city. Both these gentlemen are experts in the poultry classes. Hon. W. F. Nickle must not be forgotten as one of the most prominent in assisting us in our endeavors. His interests are so keen that he has taken the matter up with the minister of forests of the province, and the Kingston exhibition will have on exhibition a dozen or more pheasants, which I understand is the purpose of the forestry department to liberate at the termination of the Kingston Industrial Exhibition. In order that the county of Frontenac and adjoining counties may be stocked with pheasants, it will be requested that parties out hunting will not destroy those birds while being re-established. When I, as manager, have such support as the foregoing, my duty demands that I lend my every effort to encourage such support. In doing so, we are developing a greater and more beautiful Kingston. Let us all be loyal to our city and get together and make it bigger and better. Entries are coming in from distant points such as New Brunswick, Manitoba and Northern New York, showing conclusively that the old adage that the squeaking wheel means advertising and work, always gets the grease.

At Queen's University

There were several students at the college Tuesday forenoon to register for the winter session.

Bachelor of divinity examinations will be held on Sept. 18th to 23rd. There are five students to write.

Half a dozen men started work Tuesday morning fitting up the technical stores' new office in the old arts building.

Dr. W. T. MacClement has been invited to the opening on Sept. 24th of the Thompson Institute for Plant Research established at Yorkers, N. Y. This is a foundation similar to the Rockefeller institutions but is for the study of botany and the first subject is to be plant physiology. The financial manager is F. J. Polk, Ph. D., a graduate of Queen's.

The girls' Student Christian Association at Queen's is sending the following fifteen girls, with possibly three more, to the S.C.M. student conference opening at Elgin House, Muskoka, next Monday for a ten day session: Jean Simmons and Helen Anglin, of Kingston; Dorothy Dowseley, Brockville; Nora de Hart, Brierley; Marie Stock, Tavistock; Fern and Mary Johnston, Bagnor; Kathleen Gillan, Pakenham; Marion Spence, Carleton Place; Margaret Mason, Parry Sound; Margaret Guthrie, Ottawa; Marjorie Trumppour, Napanee; K. Dolan, London; Ena Cropp, Simcoe; Marion Ross, Brockville.

Fell on Steamer Toronto; Skull May Be Fractured

James Spencer, Dunnville, an employee of the steamer Toronto, is in the General Hospital in a semi-conscious state, suffering from concussion of the brain as the result of a fall on the steamer on Monday. He was taken to the General Hospital when the boat docked at Kingston Monday afternoon. His physician reported his condition as serious on Tuesday afternoon. He is having an X-ray plate taken to determine if there is a fracture of the skull.

RETURN VISIT TO KINGSTON THE RENOWNED
Rhonda Welsh Glee Singers
 Grant Hall, Tuesday, 8 p.m.
 Under auspices of THE ROTARY CLUB OF KINGSTON.
 TICKETS: 50c., 75c., and \$1.00. On sale at Best's Drug Store
 —A MUSICAL TREAT OF THE FIRST MAGNITUDE—

GREAT COMEDY AT STRAND.

There is no lack of screen talent in the new Paramount picture, "Changing Husbands," which is at the Strand Theatre today. Leatrice Joy in the featured role portrays a dual characterization; Victor Varconi, who was recently seen in "Triumph," has a strong supporting part; Raymond Griffith, ZaSu Pitts, Julia Payne, Helen Dunbar and William Boyd, all well known players are excellently cast. The production was co-directed by Frank Urson and Paul Iribe under the personal supervision of Cecil B. de Mille from Sada Cowan and Howard Higgin's adaptation of the Saturday Evening Post story, "Roles" by Elizabeth Alexander.

Ladies At Golf in Napanee.

A team of Kingston lady golfers motored to Napanee on Monday afternoon, to play a friendly game with the Napanee ladies. The Kingston ladies won 5 to 1. The individual scores were:

Kingston	Napanee
Mrs. Taylor . . . 1	Miss Miller . . . 0
Miss Ritchie . . 0	Miss Dobb . . . 0
Mrs. Westmore . .	Miss G. Miller . .
land 1	
Mrs. Givens . . . 1	Mrs. Robinson . .
Miss Macnee . . . 1	Miss Robinson . .
Mrs. W. E. Kidd 1	Miss Vrooman . .
Mrs. T. A. Kidd 0	Miss Grange . . 1

WELSH CHOIR IN CITY.

Ready for the Big Concert at Grant Hall To-night.

The members of the celebrated Welsh choir arrived in the city to-day for the big concert to be given at Grant hall to-night, and were given a royal welcome by members of the Rotary Club and representative citizens.

Mr. Ernest Thomas, of 235 Nelson street, a former member of the choir, was among those who welcomed the members of the choir. At the present time he is engaged as a diver for the Donnelly Wrecking Company.

The visit of this Welsh choir has created a great deal of interest in the city and as it will, without doubt, be the best musical treat of the season, a bumper house is expected.

No Trouble.

A. E. Hunt, secretary-treasurer of the Musicians' Union, denies rumors that there is any trouble between the musicians and the local theatres. The contracts were signed for the season and all is satisfactory.

THE MINISTERIAL ASSOCIATION MEETS

Passes a Strong Resolution Endorsing the Continuance of the O.T.A.

The Ministerial Association of Kingston and vicinity met in the Y. M.C.A. parlors on Monday for the first time since last March. Rev. Mr. Raney and Rev. C. A. Sisco were welcomed into the Association. Other members present included Rev. T. W. Savary, Rev. J. K. Curtis, Dr. R. H. Bell, Rev. T. J. S. Ferguson, Rev. J. S. LaPlair, Rev. E. H. Burgess, Rev. G. A. Browne and M. W. Harlow.

The following officers were elected for the ensuing year: President, Rev. J. K. Curtis; Vice-Pres: Rev. T. J. S. Ferguson, Secretary-Treasurer, M. W. Harlow. The executive committee will consist of the elected officers and Rev. T. W. Savary, Rev. J. S. LaPlair, Rev. F. Sanders, and Ensign Boshier.

A considerable volume of business was transacted, and the following resolution was unanimously adopted with reference to the coming vote on prohibition:

"We the ministers of Kingston present at our regular annual meeting desire to put ourselves on record regarding the coming vote on continuance of the Ontario Temperance Act. We, who are ever in closest touch with the dire effects of the liquor traffic are convinced that, in spite of all that can be said against the O. T. A. it is the most effective legislation that this province has ever had in curtailing the sale and consumption of strong drink and the poverty and crime that go with it. Our conviction is based not only on our own experiences but also on the statistics of governments and cities not only in Ontario, but even more so from other provinces where government control and other methods are being tried."

The programme is being arranged by the executive committee and the association will probably hold monthly meetings throughout the season.

Humane Society Realized \$340.
 The receipts of the Humane Society tag day on Saturday totalled \$340. This is less than last year but the weather was unexpectedly cold. Some of the owners did very well, the workers at one street intersection yielding \$43.

Follow the crowds for bargains to Harrison's Auction Sale.

RAIN AND MORE RAIN; KINGSTON IS VERY WET

Fair Directors Say Weather Man is Preparing for Big Show Next Week.

The ban has been placed on the popular song, "It Ain't Going to Rain No More," as a result of the wet spell in Kingston.

Monday it rained and then on Tuesday it rained some more, and dear knows when Old Jupiter Pluvius is going to let up. Baseball schedules have been put out of business and as there are so many games to be arranged and the season is fast slipping away, the fans are wondering just how things will end.

However, every dark cloud has its silver lining, and it is hoped that the Weather Man will soon be on his good behavior. The directors of the Kingston fair state that the Weather Man is ending along all the wet weather now so that it will not interfere with the big show which opens on Tuesday next.

Campbell with Ottawas.

Ottawa, Sept. 9.—"Doc" Campbell, former flying wing of the championship Queen's University football team, will be located in Ottawa shortly and is expected to line up with Ottawas. With Campbell, Gardner, Harding and Connell, the Roughriders will have a formidable back division.

TWO INCHES MORE RAIN THAN AVERAGE

Has Fallen Over Kingston This Year—What the Records of Dean Clark Show.

Kingston has been deluged this year with over two inches more rain than was coming to her. At the end of August J. Pluvius was exactly two inches ahead of schedule, and September is setting out to be a very wet month.

On Tuesday Dean Clark furnished the Whig with figures on the rainfall in Kingston since New Year's Day. The annual average precipitation in Kingston is 31.68 inches and Queen's even keeps a record of the average rainfall every month. These statistics show that out of the eight months of 1924, five months have exceeded the average, August being the leader. March was unusually dry. The rainfall records are as follows:

Month	1924	Average
January	3.53	2.94
February	1.05	2.59
March	.80	2.61
April	2.90	1.98
May	4.36	2.54
June	2.55	2.87
July	2.53	2.61
August	4.11	2.60
Sept. (to date)	1.74	2.13

Canadian Girls World Champions

The Edmonton Commercial High School Basketball team, winners at Strasburg of the Ladies World Championship, photographed aboard the Canadian Pacific S.S. Montanan on which they returned to Canada last week. They went to Europe to claim the championship but were unable to get a game in England. Captain Winifred Martin is seen holding the ball.

KIWANIS ACTIVITIES.

The Kingston Kiwanis Club has secured a very excellent speaker for its next meeting in the person of A. W. Haycock, Labor member for West Saibord in the British House of Commons.

The meeting is to be held on Monday evening next in the Frontenac hotel at six o'clock. Realizing that there are many other Kingstonians desirous of hearing the former Cataract boy who has won such success in the Old Country, the Kiwanis Club will probably invite the members of the Rotary and Canadian Clubs, and if there are any citizens anxious to meet Mr. Haycock who are not members of these clubs, they may secure tickets for the dinner from any member of the club.

Inquest Was Adjourned.

An inquest was to have been held at Napanee on Monday night by Coroner Dr. Cowan over the death of Ephraim Middleton, who took his own life by drinking carbolic acid, but the inquest was adjourned for a week.

Maine Goes Republican.

Portland, Me., Sept. 9.—Maine has gone republican by thirty thousand votes. The successful candidate for governor was Ralph O. Brewster, of Portland, republican, and member of the state senate.
