BUGLARS ACTIVE.

They Picked Up \$260 From a Railway Ticket Office.

Alexandria Bay, N.Y., Sept. 11.—Stealing about \$260 in bills from the money drawer at the New York Central ticket office, Tuesday afternoon, thieves overlooked an envelope containing approximately \$600 in currency which was lying nearby.

The theft is one of a series of burglaries which have taken place in this village during the last few weeks and is believed to be the work of local residents, probably young men or boys who want spending money.

During the latter part of last week the American restaurant was entered and \$12 in quarters and nickels was taken. Among the other recent burglaries was the one at the Cornwall store.

After that half of the trust fund will go to build a Roman Catholic school at Paris, Ont. The other half will go to erect a chapel and school near West Hamilton.
