49 Years on Road.
After pulling train No. 4 from Fort William to Schreiber, Engineer E. C. Aris completed his last trip, and was made a pensioner of the C.P.R., thus terminating a perfect railway career, that began on Feb. 1, 1875, as call boy at Prescott, on the St. Lawrence & Ottawa Railway, now the Prescott branch of the C.P.R. His record is without a stain.

Mr. Aris started on wood-burning engines weighing 33 tons. His last engine was of the 2,300 class. Mr. Aris was born in Prescott in the year 1860.

A Speedy Operation.
While at the home of his uncle, Fred Cunningham, Ameliasburg, A. Adams, son of Reuben Adams, Concession, was taken suddenly ill. Dr. Taft was called who pronounced the illness a severe attack of appendicitis. The lad was rushed to Picton hospital, where an operation was performed. A complete recovery is anticipated.

Landmarks Removed.
During the past few weeks men have been engaged in pulling down the old bakery on Jason Island, Smith's Falls, and also the old rough-cast house, a landmark there for over half a century, and which had been occupied for some years by J. Weekes and family. These buildings had to be removed on account of the work which is being undertaken by the water commission for the filtration plant and water works. They were sold to John McInnis, who is using parts of them.

The bakery on the island has also been taken down.

Heavy Rain Saves House.
Fire of an undetermined origin Sunday morning completely destroyed the barns on the farm of Charles Edwards at Fairfield. The barn contained 75 tons of feed. Insurance to the amount of \$3,000 was carried, which will cover about half the loss. Rain which fell earlier in the night had saturated Mr. Edwards' house and kept it from igniting, despite a strong wind fanning the flames and heat almost directly against the residence.

Hunters! To Your Guns.
A few more days before game-time. Then it's deer hounds and bird dogs, machinaws and knee-boots, shot guns and rifles, with thoughts of business and tame city amusements put out of mind.

The exodus of sportsmen to the famous Canadian Hunting grounds is getting under way. The bird men are packing their duffie bags for the grouse, wild geese and duck hunting grounds. The forests of the Highlands of Ontario offer the greatest deer country of the Continent—a land where every hunter brings home his deer. Northern Ontario is famous for moose trophies shipped home every season. All game-birds, deer and moose are within easily accessible distances from you.

Canadian National Railways can transport you to the best hunting grounds of the particular sport you desire. Ask any Canadian National agent for full information. He can give you all the routes, rates, seasons, game laws, and any other data that you require for the trip.
