SINCERE REGRET EXPRESSED.

At Death of Aubrey Emery—Loss To Mr. Emery.

Bath, Sept. 15.—The sympathy of the community is extended to the relatives of the late Aubrey Emery, Millhaven, who was instantly killed in an automobile accident one and one-half miles east of the village, on Thursday morning. Deceased was well and favorably known here. Everyone was glad to hear that the driver of the truck, Fred Sams, escaped with only a few bruises. Much sympathy is also felt for Mr. Calver, the owner of the truck, who had recently purchased the truck and had a fine new body put on for carrying passengers and freight and this body was totally destroyed, although the truck itself did not suffer much damage except the breaking of the windshield.

Dr. Fred Aylesworth, who has been visiting his parents, Mr. and Mrs. James Aylesworth, for a few days, returned to his home in Toronto on Sunday. Rev. and Mrs. Robinson and family and Miss Nesbitt, Ottawa, spent a few days recently with Mrs. Agnes Sharpe. Miss Gertrude Reynolds is visiting friends at Toronto and Barrie.

Mrs. Lavina Heselton is visiting friends at Buffalo, N.Y. Mr. and Mrs. Minorgan and family, Tweed, spent Sunday at H. D. Wemp's. Mr. and Mrs. Ray Smith and baby, and the Misses Thompson, Napanee, spent Sunday at Ross Sexsmith's.

Pineapple juice gives a delightful flavor to cornstarch pudding.

DISASTROUS RAINS.

May Do Damage to the Growing Potatoes.

Mississippi, Sept. 15.—Miss Hilda Deacon, Boxford, who has been visiting with Mr. and Mrs. J. H. Deacon the last week, returned to her home on Sunday of this week. Mrs. W. Hanna and family are visiting with the former's parents, Mr. and Mrs. R. Sergeant, Clarendon, before joining her husband who has secured a good position as fireman at North Bay. Mrs. E. Olmstead and brother, William Dowdell, spent Saturday with relatives at Sharbot Lake.

A number from here intend going to Renfrew fair on Thursday of this week. We are having lots of rain these days; it's to be hoped it don't rot the potatoes. J. Noonan, Perth, shipped a carload of stock here last Saturday. Mr. and Mrs. A. Gibson and family, Sharbot Lake, spent Sunday with Mr. and Mrs. R. Gibson. Mr. and Mrs. R. McGonegal and Mr. and Mrs. William Kirkham spent Sunday with Mr. and Mrs. J. Kirkham, Clarendon.

PRINCE'S VISIT.

The Prince of Wales was on hand to help welcome the "round-the-world flyers" when they arrived in New York. He arrived at Mitchell Field fully half an hour before the planes came in. His highness is seen here in animated conversation, emphasizing his points with his fist.

COMING TO THE FAIR

Portland People Will Spend Several Days Here.

Portland, Sept. 16.—School reopened on the 2nd with Miss Jackson as principal and Miss Guthridge, assistant. Nearly all of the campers have closed their cottages for the season. Miss Hattie Donevan who has been visiting friends in Michigan for the last month has returned home.

Miss Cora Knott, Kingston, who has been visiting Misses Bell for a couple of weeks has returned home.

Mrs. Joyn, Brockville, who has been visiting her sister for the last three weeks, returned to her home on Monday. Mr. Heath is improving a little and the Doctor thinks he may recover. A good many people have gone to Delta fair, today. A large number will attend tomorrow.

A good many people from around here intend spending a couple of days at the Kingston fair if the weather continues fine.

Thought is often bolder than speech.

PLAGUE OF FLIES.

Men and Women Wear Masks And Take Refuge.

St. Thomas, Sept. 18.—A plague of little flies, commonly known as fruit flies, struck this city, and is making life for pedestrians very unpleasant. The air is filled with them, while the insects lie nearly half an inch thick in the street railway tracks. Show windows and the sidewalks and the tops of automobiles are also covered. The flies appeared almost like magic, and within ten minutes men and women were holding handkerchiefs to their eyes and hurrying into buildings.

Children should always be heard and fairly and kindly answered, when they ask after anything they would know, and desire to be informed about.

Goodyear Balloons Cost Less Than You Would Expect

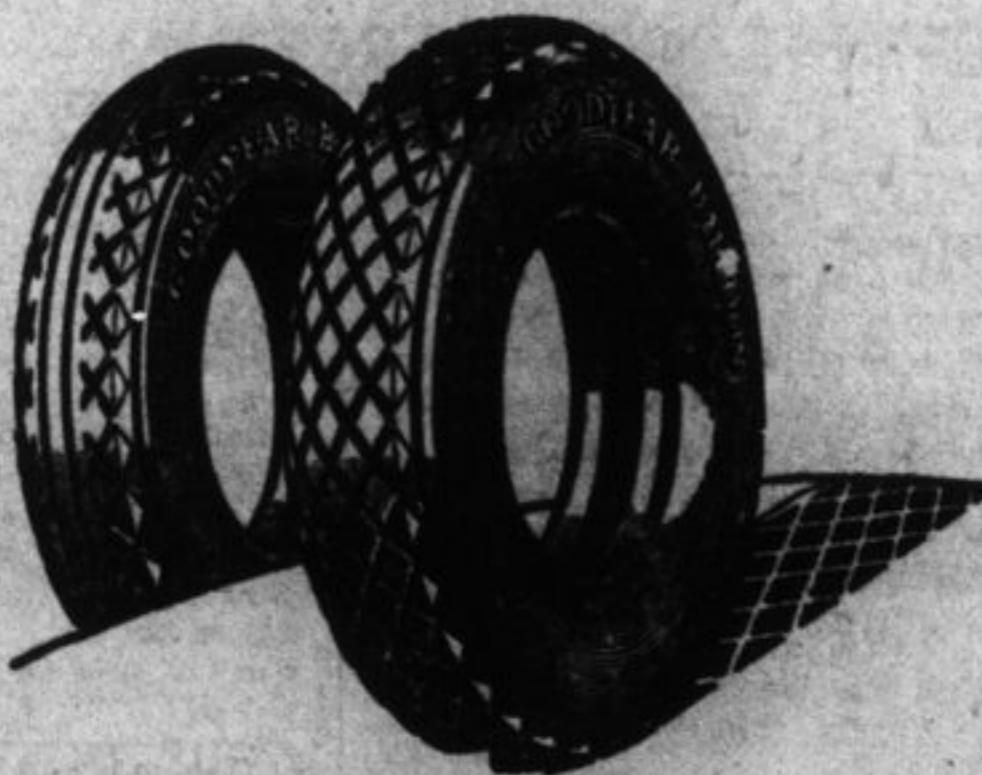

THE great body of motorists who use the popular sizes of straight-side, high-pressure tires (31 x 4, 32 x 4, 33 x 4, 32 x 4 1/2, 33 x 4 1/2, 34 x 4 1/2, 33 x 5) enjoyed a year ago the lowest prices in the history of the automobile business. Today they can have all the advantages of Goodyear Balloon Tires to fit the same wheels, for even less money.

At one stroke, Goodyear has greatly increased the value you get in Goodyear Tires. You get Goodyear quality, Balloon Tire comfort and saving, and you pay less per tire than you have been paying.

And this Goodyear quality has been further increased by the invention of SUPER TWIST, a new, exclusive Goodyear

Cord fabric with many advantages.

See the Goodyear Selected Dealer regarding a pair or a set of Balloon Tires for your car. Goodyear makes Balloon Tires to fit six sizes of wheels—the wheels now on your car, or new smaller wheels if you prefer their appearance or if you need them for fender clearance.
