# MAGNESIA FINE

Quickly Neutralizes Acidity, Stops Fermentation, Sweetens the Stomach.

Nine people in ten, when food upgets the stomach causing distress, think they have indigestion. In reality they are suffering from "acid stomach." An excess of acid in the stomach causes gas, heartburn, bloat-

To have a strong healthy stomach capable of easily and normally digesting three hearty meals a day you simply must keep these stomach acids neutralized and the stomach contents sweet. No artificial digestents are necessary. Just get a few ounces of Bisurated Magnesia from any good drug store and take a teaspoonful of the powder or two tablets in a half glass of water right after eating or whenever the slightest pain is felt. The result is amazing and you will be delighted with the almost instant relief it brings. This famous stomach sweetener combines Magnesia and Bismuth in desirable proportions and is not only splendidly effective but perfectly harmless. Its regular use keeps the stomach sweet, strong and healthy all the

How The War Helped Our Cause. (Crawf. C. Slack.) I have often heard it stated there was good and bad in all.

That sometimes good came from evil, though the portion might be small. While I'm not a close adherent of old slogans or old saws I must here give testimony that the late war helped our cause.

It's about the only blessing I off-hand can call to mind. But I've no doubt there are others of a less important kind.

Then we got a nickle tea-tray and appointed Elder Gore, To take up the collection from the members at the door. This move was an improvement and

went on from year to year, When we all got wise to something which we couldn't cypher clear. Ider Gore had bought an auto; and

had paid for it in part. And we all knew well the Elder couldn't buy a kiddy-cart. We sought his resignation, which he gave and left the church, And for an honest mortal we started We held a score of meetings and decided that we'd try,

The "female of the species," so we put in Mrs. Sly. This seemed to right the matter, but only for a time, For where we used to get a quarter

soon we only got a dime. We approached her on the matter, and she told us blunt and stout, That she bossed the situation and we dare not put her out." Thus we left the matter standing, thus it stood from day to day. Until fate dealt with us kindly-Mrs.

Sly was called away.

Then we called another meeting to select and wisely plan, And shrewd Silvester Skinner of judgment picked the man. He selected Silas Doughboy and his choice worked like a charm. For Silas had been through the war and only had one arm. We're going to build a rectory for we've money in the bank; Course, we reverence Deacon Skinner
