HUSSARS STILL UP IN O.B.A.A. FIGHT

Defeated Wolfe Island at Gananoque Yesterday to Clear Hurdle of Third Round.

(By Staff Reporter.) By defeating Wolfe Island by a score of 14 to 10 in the play off which took place in Gananoque on Monday afternoon the Hussars will now enter the semi-finals of the Intermediate O.B.A.A. "The game was ordered to be played on Monday afternoon in view of the fact that each team had won one game.

It was far from being ideal weather for baseball and the followers of both teams who went down to the factory town for the purpose of seeing the exhibition realized that it was a very cold wind that blew across the field. Clarence Moore, who has been pitching wonderful ball for the Hussars during the season evidently felt the effects of the cold winter and was unable to get the usual stuff on the ball. In the seventh and eighth inning it was getting rather dark and the islanders who had been down to the tune of 14 to 4 started a batting rally and before their onward march was stopped they had accounted for six runs.

The fourth inning was the bad one for Goodfriend, the star pitcher for the islanders, and before the side was retired seven men had crossed the home plate mainly due to good hitting. "Sammy" Hall had a perfect day when he collected five nice hits with five times to bat. Hall also scored two of the runs. Goodfriend, the big first sacker for the Hussars, had three nice hits and two runs chalked to his credit. Lawless was responsible for three hits and two runs.

The outstanding man on the island team was Dick Spoor who counted the ball for three hits and crossed the home plate on two occasions.

The game which was scheduled to start at three o'clock did not commence until four-fifteen due to the late arrival of Mr. Wylie, of Ottawa, who was on the bases. When he arrived at Brockville he found that his train had left so the only thing he could do was to get a lift on a freight train and reached the grounds about fifteen minutes after Mr. Howard, of Ottawa, who called the balls and strikes, had commenced the game. The game was called at the end of the eighth on account of darkness it then being five minutes after six o'clock.

The islanders won the toss and took the field. When the islanders took their places the Hussar manager objected to a player on the island team, who was occupying the position at centre garden. The Hussars claimed that he was not Ryan as stated by the islanders so he was replaced by McDermott, who although he did his best made a couple of very costly errors. McDermott did not

have a certificate. In the first inning Hall and Goodfriend each got a safe hit while Nicholson was struck by a pitched ball and Twigg, Spencer and Fannon went out one, two, three. Hussars got two runs in this inning. LaRush the first man up for the islanders got a nice three-bagger. Steblin bunted the ball and while Moore and Arniell were trying to field it LaRush got home and the batter was declared safe at first. Spoor hit safe after McDermott had struck out and Kiell who followed scored Steblin and Spoor by a nice clean hit. Kiell then stole second base. Little got his base and Kiell was caught trying to steal third. Woodman then struck out.

Hussars accounted for three more runs in the second inning while Wolfe Island drew a blank. Hall got his second hit in the third inning. Kiell, who was walked, was caught trying to steal second. In the fifth Hall's hit scored Goodfriend. In the sixth Dick Spoor hit safe stole second and got third on Arniell's error and got home on a wild pitch. In the seventh Spoor hit a two-bagger and scored Goodfriend and LaRush. Horne who walked and scored when Twigg dropped Steblin's hot liner. Steblin scored later.

The eighth inning did not produce any scores for the Hussars but the islanders took advantage of the darkness and Horne hit. Goodfriend was safe on Moore's wild pitch to first. Horne scored on LaRush's hit to first and Steblin's hit scored Goodfriend.

Nice Words. Says the Toronto Globe: Queen's University seniors will commence to gather in the Limestone City to-day, this being the date of their first practice. Every other team in the east has been hard at work for at least a week. The Presbyterians, however, won't worry about the late start if they finish the way they have done the last two seasons.

CIRCLE-SIX PUT OUT AFTER GREAT SERIES

Peterboro Lakeviews, After Four Games, Again Beated Their Rivals.

(Special to the Whig.)

Belleville, Sept. 22.—Seldom in baseball is a team forced to take the sting of defeat when victory means so much, in the manner in which Circle-Six juniors of Kingston, champions of the east, went down before the crotch Peterboro Lakeviews at Agricultural Park here this afternoon. Petes won in a ninth inning rally, when they scored their three runs, and just nosed out the Limestone boys by 2 to 1. They had been blanked until the ninth, though they outthit the Kingstonians. Whitlow, the plucky centre fielder for Lakeviews, opened the golden gate in the ninth, when he cut at one of Smith's slants for a circuit clout to deep right field, he being the first man up. This set the fans agog. Whitehouse, Peterboro's good left hander, followed with a single to centre pot, and went around to third when "Hefty" Ash busted out a two bag-

ger to left garden. Pitcher Smith was derrickd at this stage, and Clarke took over mound duties, starting off by fanning Halliday. McIntyre nicked Clarke for a single however, and Whitehouse crossed the pan for number two. Then came the error which so often comes at the crucial moment of a crucial game. Johnson grounded to Smith, who made a wild, low heave to first. Johnson making first and Whitehouse making home. Cameron grounded out for number three but not before the semi-final rubber game for provincial junior honors was safely in the bag.

Circle-Six got one in the first and their second in the sixth. Whitehouse faultered handling a bunt in the first and Livett was safe. McPherson's three bag lift sent him home. In the sixth, Lovett doubled to right pot, and was advanced to third on McPherson's single. McPherson stole second and while Smith and Joyce were being put out Lovett sneaked home. Both teams are fifty ball tossers and though defeated, Kingston's Circle-Six representatives were not disgraced, but were the victims of Lakeviews' flying kick. Both Smith for Circle-Six and the good kid Whitehouse for the Lakeviews heaved nice games. Smith wavering a bit in the ninth. Clarke held tight for the balance of the game though called upon at an unhappy time. Weather, which continued to grow colder here since noon, held the crowd down to a \$26 gate but those who attended were real "any-weather" fans. Umpires Ken Collins, late of the New York-Pennsylvania league, and Manager Walter Gerow, of the Grand Trunks, handed the game to the mutual satisfaction of both aggregations.

THE STANDING. Brooklyn, by defeating the Chicago Cubs, while the Giants and Pirates were idle through rain in New York, are now but a fraction of a point behind the McGrawmen for the leadership of the National League. The Giants and Pittsburgh, however, will play the game scheduled for yesterday tomorrow — an off-day for both clubs in the schedule. Pittsburgh remain one and one-half games behind the leaders. Washington climbed nearer the goal they have never attained yet—the American League pennant—when they retained their two-game margin by defeating the Chicago White Sox, while the Yankees were beating Cleveland. The two leaders have six games each yet to play. The standing of the three leading teams in each race, together with a number of games each has to play, follows:
