Canadian homes are so well heated in the fall and winter months that many people feel more comfortable in comparatively light weight underwear. In fact they would be best indoors with heavy knit wear. And so they often risk health in garments other than pure wool.

JAEGER pure wool underwear is manufactured in grades so light and soft that the feel is like silk. On a biting day in winter these garments give you protection. They conserve your vitality. Indoors they are light and cool.

FAREWELL WAS SAID Mr. and Mrs. John Skinner Are Removing From Camden East. Camden East, Sept. 24.—On Monday evening a number of friends and neighbors gathered at the home of Mr. and Mrs. John Skinner to bid them farewell before their departure to a new country namely Brownville, N.Y., where they intend to spend a limited time. A very pleasant evening was spent in a social manner after which a dainty lunch was served. This was followed by short addresses by different ones present, as to the regard in which Mr. and Mrs. Skinner are held by their old friends. Although Mr. Skinner has been an invalid for twenty-four years he was always cheerful and glad to see his friends at any time and was interested with all the topics of the present day. Mrs. Skinner was a faithful worker in different organizations in connection with the Methodist church and will be greatly missed. She has been in poor health recently and it is deemed a change the best thing for her health. Although all are sorry to lose such true friends we know our loss will be another's gain. As a slight token of remembrance they were presented with a heartily welcomed again at any time. Mr. Skinner was born in this place and has lived here all his life. All joined in singing "God Be With You Till We Meet Again" and "Blest Be The Tie That Binds." After bidding them farewell their friends took their departure.

To have knowledge in all the objects of contemplation is what the mind can hardly attain unto. The instances are few of those who have in any measure approached toward it.
