Beauty

A Gleamy Mass of Hair

35c "Danderine" does Wonders for Any Girl's Hair

Girls! Try this! When combing and dressing your hair, just moisten your hair brush with a little "Danderine" and brush it through your hair. The effect is startling! You can do your hair up immediately and it will appear twice as thick and heavy—a mass of gleamy hair, sparkling with life and possessing that incomparable softness, freshness and luxuriance.

While beautifying the hair "Danderine" is also toning and stimulating each single hair to grow thick, long and strong. Hair stops falling out and dandruff disappears. Get a bottle of delightful, refreshing "Danderine" at any drug or toilet counter and just see how healthy and youthful your hair becomes.

Prayer for Dumb Creatures - G. E. Goodrich.

Maker of earth, and sea, and sky, Creation's Lord and King, Who hung the starry world on high, And formed alike the sparrow's wing— Bless the dumb creatures of Thy care, And listen to their voiceless prayer.

For us they live; for us they die, These humble creatures, Thou hast made;

How shall we dare their rights deny, On whom Thy seal of love is laid? Teach Thou our hearts to hear their plea As Thou dost hear man's prayer to Thee. Amen.
