TAKING TANLAC

Canadian Pacific Man Gets Relief From Nervous Indigestion.

"The best of health and a gain of 28 lbs. in weight is what the Tanlac treatment has brought me and, of course, I am strong for it," is the remarkable statement of Henri Bruneau, a well-known painter for the Canadian Pacific Railway, who lives at 288 Cartier street, Montreal, P. Q. "Nervous indigestion and loss of appetite had pulled me down from 190 to 156 lbs., and my energy and strength went down in proportion. After eating I suffered from gas and cramping spells, couldn't sleep nights, was easily tired out and felt all right."

"Other medicines did me no good, but Tanlac was different and has met my every need. I have a wonderful appetite, eat what I want, sleep well and feel fine. I can tell the world, Tanlac is great."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

Tanlac Vegetable Pills recommended by the manufacturers of Tanlac.
