FOLIAGE ON TREES DIMMER ON LIGHTS

Great Need of Tree Trimming in Various Sections of the City.

That there is great need for some tree trimming in various parts of the city and that the foliage on trees in many sections is a great drawback to the lights now in use, was the opinion expressed at a meeting of the civic fire and light committee held on Tuesday afternoon, while the question of more street lights was under discussion.

The committee is not at all anxious to saddle the city with any extra expense this year, for street lights, but it is agreed that there are a few places where it is absolutely necessary to give some attention. However, no action was taken, pending another report which will be submitted at the next meeting.

On motion of Ald. William Holder, it was decided to have the light on Alma street, between Balclava and Ordnance streets, increased from a 100-candle power to a 400-candle power. The utilities commission will be asked to make this change.

Ald. O'Connor stated that Dufferin street was in need of more light. The trees needed trimming to give the lights a chance.

Chief Armstrong remarked that there was need of tree trimming all over the city.

Chairman Chown suggested that the committee not go in for any extra expense for lighting this year.

Ald. O'Connor said that he would favor expending the sum of \$1,000 on new lights if it was necessary. Accidents might occur as a result of the darkness, and he felt that if the citizens wanted the lights they should be provided.

A request for an increase in salary was received from Hugh Pollie, motor mechanic on the fire department. Mr. Pollie has the care of the motor apparatus and also the training of the drivers. He has been receiving \$3.275 per day and it was decided to increase his salary to \$3.60 per day. Chief Armstrong recommended this increase.

The chairman, Ald. Chown, presided at the meeting and the other members present were Mayor Angrove, Ald. O'Connor and Ald. William Holder.

At Queen's University

Many track men of promising ability are practicing daily for the college track meet next Tuesday afternoon and the intercollegiate meet here on the 17th inst. Faculty meets are being held this week in arts, science and medicine.

The Arts society met Tuesday afternoon and filled several vacancies, which have occurred on its executive since the elections last spring, as follows: Vice-president, H. T. Ewart; critic, K. F. Crowther; auditor, W. L. Macdonald; senior committee man, E. W. Cross; chief justice, J. H. Findlay.

The Queen's Contingent, Canadian officers training corps is to begin its annual training shortly. The adjutant, Lieut. J. McGillivray, is enrolling freshmen and recruits from other years Wednesday afternoon. This unit enabled thirty-four students to secure lieutenants' and captains' certificates last spring.

The work begun last winter by J. Macgillivray, news editor of the Journal, of broadcasting college news over the radio transmitter in Fleming hall has led to the addition to the Journal staff of a radio director, D. R. McLeod, Science '26. Every Wednesday night, at 8 p.m., Queen's news is broadcasted on 450 metres and on Saturday the senior rugby and hockey games will be sent out play by play direct from the scene. The Queen's station has been picked up as far away as South Carolina.

Another mass meeting of students to organize the rosters for Saturday's games will be held in Grant Hall Friday afternoon at 4.30, with the students' band in attendance.

Queen Boo-Hoo is in a Watertown, N.Y., Zoo.

Tennis tournaments are now in full swing, both men and girls participating. The men are preparing for the intercollegiate contest in Montreal on Oct. 16th, 17th and 18th. Their singles tournament with nearly 40 entries, is now in its second round. Results up to Tuesday night were:

AN INCREASE SHOWN IN MISSION RECEIPTS

At a Meeting of the Executive of the Synod of Ontario.

The usual October quarterly meeting of the executive committee of the Synod of Ontario was held in St. George's Hall on Tuesday forenoon. Nearly all the members were present, Bishop Bidwell presiding. Only routine business was transacted.

Archdeacon Dobbs reported an increase in general missions receipts to date.

Bishop Bidwell gave a report of the transactions of the recent general synod meeting held at London, Ont., and after noon-day prayers, the committee adjourned to meet again in February.

AT THE GRAND OPERA HOUSE.

Final of "Old Bill Through The Ages" To-night.

Old Bill made many more warm friends at the Grand Opera House last night, when he appeared in the picture, "Old Bill Through The Ages." The picture presents one of the most entertaining presented in some time, and was thoroughly enjoyed. It is a picture that will please both the young and the old.

It is of interest to note that the story was written by Capt. Bruce Bairnsfather, who also takes part in the play, and this in itself is sufficient to warrant a good play. Sydney Walker, the well-known comedian, takes the role of Old Bill, and he put over the part in splendid style.

Old Bill will be on for the last time to-night and lovers of good pictures should not miss it.

NORTHBROOK NEWS.

People Moving Into New Houses—Bon Echo Improves.

Northbrook, Oct. 6.—Fine weather prevailed for the Tweed fair and many attended having an excellent time with good races and a fine showing of exhibits. The Coco-Cola Co., Belleville, made their last trip for this season returning with over one hundred and seventy empty cases on their huge delivery truck. Miss E. P. Dodd, former teacher of our school, but this year at Lavant, is spending a few days at C. C. Thompson's.

Mrs. P. L. Fox is home from Toronto after a lengthy visit with her daughter, Eleanor, who is attending school there. Many tourists continue to enjoy the fishing in the north lakes. Ducks were numerous. Mr. and Mrs. Peter Lloyd are settled on the R. Armstrong farm. Much discussion is heard regarding the coming election but all tendencies show this locality to be pleased with the present conditions in preference to a change.

Many teachers attended the convention at Sharbot Lake returning with good intentions and some fine ideas. Benson Scott and family are moving into one part of C. C. Thompson's new dwelling while Mont Wood and family will occupy the other. J. A. Vogan is supplying lumber from his mill for the erection of fourteen new cottages at Bon Echo.

Mrs. Cora Atchison Gray, wife of Thomas E. Gray, died in Belleville on Sunday after an illness of two months' duration. She was the daughter of Mr. and Mrs. Alex. Rogers and was in her forty-second year.
